**The Hebrew and Other Creations** Gerald Massey, 1887      [The Hebrew and Other Creations Fundamentally Explained](#)  
Gerald Massey, 1888      **Plato and the Creation of the Hebrew Bible** Russell E. Gmirkin, 2016-08-12 Plato and the Creation of the Hebrew Bible for the first time compares the ancient law collections of the Ancient Near East the Greeks and the Pentateuch to determine the legal antecedents for the biblical laws Following on from his 2006 work Berossus and Genesis Manetho and Exodus Gmirkin takes up his theory that the Pentateuch was written around 270 BCE using Greek sources found at the Great Library of Alexandria and applies this to an examination of the biblical law codes A striking number of legal parallels are found between the Pentateuch and Athenian laws and specifically with those found in Plato's Laws of ca 350 BCE Constitutional features in biblical law Athenian law and Plato's Laws also contain close correspondences Several genres of biblical law including the Decalogue are shown to have striking parallels with Greek legal collections and the synthesis of narrative and legal content is shown to be compatible with Greek literature All this evidence points to direct influence from Greek writings especially Plato's Laws on the biblical legal tradition Finally it is argued that the creation of the Hebrew Bible took place according to the program found in Plato's Laws for creating a legally authorized national ethical literature reinforcing the importance of this specific Greek text to the authors of the Torah and Hebrew Bible in the early Hellenistic Era This study offers a fascinating analysis of the background to the Pentateuch and will be of interest not only to biblical scholars but also to students of Plato ancient law and Hellenistic literary traditions      **The Social Meanings of Sacrifice in the Hebrew Bible** David Janzen, 2012-08-09 This work uses anthropological theory and field studies to investigate the social function and meaning of sacrifice All rituals including sacrifice communicate social beliefs and morality but these cannot be determined outside of a study of the social context Thus there is no single explanation for sacrifice such as those advanced by Ren Girard or Walter Burkert or late 19th and early 20th century scholars The book then examines four different writings in the Hebrew Bible the Priestly Writing the Deuteronomistic History Ezra Nehemiah and Chronicles to demonstrate how different social origins result in different social meanings of sacrifice      *Creation in Jewish and Christian Tradition* Henning Graf Reventlow, Yair Hoffman, 2002-04-30 In this volume Jewish and Christian perspectives on creation of the Bible with contemporary theological philosophical and political issues are raised by the Biblical Jewish Christian concepts of creation      *The Songs of Creation* Rita Marè, Engelize de Lange, 2012-01-04 There is no available information at this time      *Gospel Christianity* Thomas Alfred Davies, 1896      [Reconsidering Creation Ex Nihilo in Genesis 1](#) Nathan J. Chambers, 2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts In this book Nathan J Chambers forces us to reconsider the question arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine Drawing on the

theology of Augustine of Hippo and Thomas Aquinas Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1 Recognizing the distance between the possible historical and theological frameworks for interpreting the text he illuminates how this doctrine developed within early Christian thought as a consequence of the church's commitment to reading Genesis 1 as part of Christian Scripture Through original close readings of the chapter that engage critically with the work of Jon Levenson Hermann Gunkel and Brevard Childs Chambers demonstrates that far from precluding interpretive possibilities reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive avenues that have largely been overlooked in contemporary biblical scholarship Timely and innovative this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians T&T Clark Handbook of the Doctrine of Creation, 2024-03-07 The Handbook shows how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation Critical Spatiality in Genesis 1-11 Zhenshuai Jiang, 2018-09-10 Space in the Hebrew Bible is increasingly studied from the perspective of critical spatiality emphasizing the social and cultural dimension of space how people experience space and their creativity in constructing space Zhenshuai Jiang investigates the discourses on space in Gen 1 11 and discusses the connection between social space and spatial narrative He deals with various questions in different spatial terms with a detailed textual analysis of Gen 1 11 How is space constructed in Gen 1 11 To what extent and how is this construction influenced by social and cultural elements The author describes specifically how space in Gen 1 11 is constructed rhetorically taking into account historical and social circumstances in which the texts were written *Creation and the Persistence of Evil* Jon D. Levenson, 1994-12-19 This paperback edition brings to a wide audience one of the most innovative and meaningful models of God for this post Auschwitz era In a thought provoking return to the original Hebrew conception of God which questions accepted conceptions of divine omnipotence Jon Levenson defines God's authorship of the world as a consequence of his victory in his struggle with evil He traces a flexible conception of God to the earliest Hebrew sources arguing for example that Genesis 1 does not describe the banishment of evil but the attempt to contain the menace of evil in the world a struggle that continues today Creation Accounts Mira Donnelly, AI, 2025-05-06 Creation Accounts explores humanity's enduring quest to understand our origins by examining creation narratives from diverse cultures Grounded in linguistic and archaeological evidence the book moves beyond simple storytelling to analyze the cultural historical and societal contexts that shaped these origin stories Readers will discover recurring motifs such as the emergence of land from water which appear across geographically distant cultures hinting at a universal human need to

explain existence The book uniquely emphasizes linguistic and archaeological methodologies demonstrating how language families reveal connections between cultures and how archaeological findings can corroborate or challenge traditional narratives It begins by introducing key concepts and methodologies progresses through in depth case studies of creation accounts from Mesopotamia Egypt Greece India and Mesoamerica and synthesizes findings to reveal the prevalence of certain motifs and the evolution of creation narratives across time This approach provides a solid foundation for understanding the psychological and cultural significance of these myths Ultimately Creation Accounts argues that underlying structural and thematic similarities in creation stories point to shared cognitive patterns offering insights into fundamental human concerns This comprehensive study is valuable for anyone interested in world history religion and mythology providing a nuanced analysis that moves beyond simplistic comparisons to offer a deeper understanding of our shared human story

**Creation Rediscovered** Jeffery M. Leonard, 2021-10-05 Creation Rediscovered by Jeffery M Leonard guides readers through a contextual reading of the Bible s creation stories Over the last two centuries few subjects have generated as much controversy for Christians as has creation The whethers whens and hows of creation have often become a battlefield in which the pitched forces of competing sides Darwinists and creationists young earthers and old figurativists and literalists have struggled for the upper hand Like most battles this fight has tended to inflict a fair amount of collateral damage along the way This is especially true for those put in the terrible position of feeling they have had to choose between the Bible they have fallen in love with and the science they have studied In this book Jeffery Leonard writes to fellow travelers in the faith who want to take the biblical text seriously while at the same time appreciate science s exploration of what we consider to be God s creation It is his contention that setting the Bible s creation texts back within their ancient context allows us to do both of these things Indeed Leonard believes that when we reread what the Bible has to say about creation in its original setting we find meaning in the text far more profound than what we have previously imagined Key points and features Written by a Bible scholar Unique timely and fresh interpretation Helps readers see the Bible s creation stories as vessels of healing and hope in God s larger plan for humanity Attempts to redirect Christians to read the ancient creation stories within the context in which they were written

*Tradition, Transmission, and Transformation from Second Temple Literature through Judaism and Christianity in Late Antiquity* Menahem Kister, Hillel Newman, Michael Segal, Ruth Clements, 2015-10-05 Many types of tradition and interpretation found in later Jewish and Christian writings trace their origins to the Second Temple period but their transmission and transformation followed different paths within the two religious communities For example while Christians often translated and transmitted discrete Second Temple texts rabbinic Judaism generally preserved earlier traditions integrated into new literary frameworks In both cases ancient traditions were

often transformed to serve new purposes but continued to bear witness to their ancient roots Later compositions may even provide the key to clarifying obscurities in earlier texts The contributions in this volume explore the dynamics by which earlier texts and traditions were transmitted and transformed in these later bodies of literature and their attendant cultural contexts The Heroes and Crises of Early Hebrew History from the Creation to the Death of Moses Charles Foster

Kent,1908 **All Thy Lights Combine** David Ney,Ephraim Radner,2022-01-12 We do not simply interpret God s word His word interprets us Figural interpretation has been a trademark of Anglican devotions from the beginning Anglican readers including Tyndale Cranmer Hooker and Lewis have been figural readers of the Bible By paying attention to how words images and narratives become figures of others in Scripture these readers sought to uncover how God s word interprets all of reality Every verse shines the constellation of God s story Edited by David Ney and Ephraim Radner the essays in All Thy Lights Combine explore how the Anglican tradition has employed figural interpretation to theological Christological and pastoral ends The prayer book is central it immerses Christians in the words of Scripture and orders them by the word With guided prayers for morning and evening this book invites readers to be re formed by God s word Become immersed in the riches of the Anglican interpretive tradition

**The Narration of Creation** R.E. Franzen M.Div. BCC,2025-01-26 Imagine sitting at the feet of Jesus with Him telling you His very own story of how He created you Who better to tell God s story about you than God Himself How do we hear the purity of that story The Narration of Creation shares a progression through God s revelation of the Genesis creation in a fresh inspirational way It describes two lenses in which we interpret through and the contrast between the two God intended His story to unfold from His perspective a top down perspective rather than from the usual ground up viewpoints This study reveals the very person and nature of God Himself and in doing so offers new contributions to our understanding of God s creation story Hearing the purity of the creation narrative allows you to discover your true identity find security and belonging and feel valued and loved beyond measure Uplifting and enlightening this devotional style study invites you to view the creation story through the lens of God s attributes and nature *Creation and Christian Ethics* Dennis P. Hollinger,2023-11-07 Creation is a foundational pillar of the biblical storyline yet it plays little role in contemporary evangelical ethics Seeking to correct this oversight Dennis Hollinger employs the creation story and creation themes throughout Scripture as a foundation for Christian ethics After demonstrating why creation is theologically significant and important for Christian ethics Hollinger develops major creation paradigms that provide ethical guidance on a wide range of issues including money sex power racism creation care social institutions and artificial intelligence among many others Creation and Christian Ethics shows throughout that the triune God creates from love and in that creation are moral designs for humanity s journey in God s world Professors and students of Christian ethics will find this a valuable resource for the classroom while pastors and church leaders will benefit from personal and small group study
