The Hand Made Object and Its Maker Michael Owen Jones, 1975 **Objects and Meaning** M. Anna Fariello, Paula Owen, 2004 *Objects and Meaning* expands upon a national conversation questioning how various academic disciplines and cultural institutions approach and assign meaning to artist made objects in postmodern North America Although most of the discourse since the mid 20th century revolved around the split between art and craft the contributors to this collection of essays take a broader view examining the historical cultural and theoretical perspectives that defined the parameters of that conversation Their focus is on issues concerning works that appeared to cross over from mainstream art to an amorphous and pluralistic aesthetic milieu that has yet to be defined *Dulcimer Maker* R. Gerald Alvey, 2021-10-21 *Dulcimer making* has long been considered an art The exquisite design is also functional and the best instruments sound as beautiful as they look Homer Ledford a legend among dulcimer makers is known for his innovative but traditional craftsmanship A biography and a step by step guide to dulcimer making this classic book illuminates and celebrates the work of a master craftsman musician and folk artist This new edition presents a foreword by Ron Pen director of the John Jacob Niles Center for American Music at the University of Kentucky and an enlightening afterword featuring a conversation with Ledford In an era when Americans are rediscovering their musical roots *Dulcimer Maker* offers a unique look at a bluegrass legend
