The Happy Train Magic Corners:

Dangerous Edges of Graham Greene Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last century's most celebrated authors. The first volume to be authorized by the Graham Greene Birthplace Trust, *Dangerous Edges of Graham Greene* brings together writers, journalists, and scholars to investigate as well as to assess Greene's prolific oeuvre and intense personal interests. Here the reader may explore everything from Greene's Vienna at the time of the filming of *The Third Man* to his sometimes fraught relationship with Evelyn Waugh, from Greene's unconventional fictional treatment of women to his believing skepticism. While Greene often informed friends that a ruling passion gives to a shelf of novels the unity of a system, critics of his literary art have found it extraordinarily difficult to define the content of this ruling passion. Perhaps this is because Greene's own character seems so paradoxical, ironic even. Moreover, in believing that sin contains within itself the seeds of saintliness, he consistently loiters on what Robert Browning calls the dangerous edge of things. In exploring this dangerous edge, this book covers the full breadth of Greene's life and literary career. Railway Signal, 1894 **The Good Crow's Happy Shop** Patten

Beard, 2021-05-19 In *The Good Crow's Happy Shop*, Patten Beard weaves an enchanting tale that blurs the lines between reality and whimsy. This charming narrative is set in a world where crows possess extraordinary intelligence and play a pivotal role in the lives of their human counterparts. Beard's lyrical prose and vivid imagery invite readers into a vibrant community where themes of friendship, perseverance, and the subtle interplay of nature inform the characters' journeys. The book seamlessly combines elements of magical realism with a profound philosophical undertone, encouraging readers to reflect on their connections to the natural world and one another. Patten Beard, an author known for his sensitivity to the natural environment and human emotion, draws upon his eclectic experiences as a nature enthusiast and storyteller. His love for avian creatures is palpable, reflecting a lifelong fascination with the intelligence and social structures of birds. This inspiration fuels *The Good Crow's Happy Shop*, where his insightful observations on life are filtered through the lens of crow-human interaction, providing rich commentary on the complexities of companionship and community. Readers seeking a delightful escape into a world filled with heartwarming encounters and life lessons will find *The Good Crow's Happy Shop* a compelling addition to their literary collection. Beard's storytelling prowess not only entertains but also resonates deeply, making this book a worthwhile exploration for anyone craving imaginative narratives that celebrate the beauty of coexistence.

Playthings, 1955 **Children's Book Corner** Judy Bradbury, 2005-08-30 This third book in the four-book *Children's Book Corner* set provides a complete program for those starting a read-aloud program in their classroom, their school, or public library, or their home. This volume focuses on read-alouds for children in grades 3 and 4. It provides book lists, book selection ideas, as well as pre-reading, while-reading, and post-reading questions and activities. Parent Pull-Out Pages with helpful tips are provided for duplication. Helpful appendices and an index furnish additional aides to structure a great read.
