Mendoria: The Descent of Hellborn Claire Gailer,2023-03-31 From the ashes of Earth s demise the beautiful and peaceful world of Mendoria was born In it every creature is born under one of the six elements earth air fire water dark and light However Mendoria s peace would soon come to an end When a group of lowlife fire bandits attack an innocent village it leaves a young boy Cademon Velenture parentless and hungry for revenge But his quest quickly leads to an unsuspecting turn when he starts to grow a connection with Mendoria s higher deity the Goddess Superior However when things begin to turn south he becomes something no one could have foreseen As his mind body and heart start to descend and decay can he still win his beloved immortal s love Dear reader read at your own risk For opening yourself to such a world can bring both beauty and danger In order for us to embrace the light there must be darkness After all what would you do if everything you loved was taken from you
