Rusty's Story Carol Gino, 2010-10-12 Why do they keep locking me up Rusty s Story is Carol Gino s account of the extraordinary life of the woman she undertook to help the woman who ended up teaching her an invaluable lesson about the will to live the strength of hope Rusty used to wonder if she would make it through the day seeing danger in everyday living Rusty has epilepsy She was twenty when Carol Gino met her and learned of her past ordeals the stigma of mental illness the drugs that took away her self control the treatments that only worsened her symptoms Carol and Rusty set out to prove that illness can be overcome and that there is no substitute for love and care From Library Journal While many advancements have been made in understanding and treating epilepsy the disease is still surrounded by an aura of dread Rusty was a teenager when she was stricken with epilepsy Misdiagnosed as a paranoid schizophrenic for years she suffered more from inappropriate medical treatment than from her condition The reader is mesmerized as Gino passionately relates Rusty s plight Despite repeated incarcerations in a frightful state mental institution and the toxic effects of drugs she never lost her sense of humanity or her strong desire to help others Gino s deep distrust of the medical establishment her fervent attachment to nursing and her conviction that the patient knows best are themes that are interwoven into the emotional story of Rusty s fight for a normal life Carol R Glatt Helene Fuld Medical Center Lib Trenton N J **Best Fake Fiancé** Roxie Noir, I told a judge I was engaged to my best friend Now we re faking it How hard can it be My life has room for exactly two women my daughter Rusty and my best friend Charlotte known to everyone as Charlie One is a feisty tomboyish firecracker The other is my seven year old I can t imagine life without either So when my ex springs a custody hearing on me I find

myself telling the judge that I m engaged to Charlie The only problem I m not Time to fake an engagement Pretending we re a couple will be no big deal We ve been friends for years We used to sneak cigarettes behind the bleachers We turned cans of hairspray into flamethrowers We got drunk on stolen malt liquor She s beautiful vivacious spontaneous and she loves my daughter to death It s the perfect answer we fake it for a few months then go back to our lives Until we touch and sparks fly Until I can t take my eyes off her Until I can t stop thinking about what she s got on under her coveralls It takes one kiss One touch One shared secret and suddenly I m not pretending anymore I want her I need her in ways I didn t know I could But there s a lifetime of friendship between us and falling in love with Charlie could mean risking everything Best Fake Fiance is the second book in the Loveless Brothers series and can be read as a total standalone It s for fans of high heat low angst romantic comedies and anyone who loves a single dad who gets fake engaged This one s got tons of sibling banter a big family an adorable kid who never gives her dad a break all the friends to lovers swoon you can handle and a small town where everyone knows everything It s steamy hilarious and it s got an HEA And yes it bangs This series is for fans of Karla Sorenson Meghan Quinn Melanie Harlow Cate C Wells and Pippa Grant **Hope and Despair** Roman Payne,2008-03-16 A feast of sensuality Payne s third epic novel narrates the story of the beautiful young Nadja and her brooding lover Nikolai as the two come of age in a springtime garden When their world of earthly delights fades with the dying season the two are exiled from their pastoral romance into a fiery world of seedy urban haunts intoxicated dreams and electric lights When tragedy heralds the birth of a new day light is shed on everyone s fate as the greatest adventure of all begins a cunning swindler sets off on a heroic voyage to find the love of his youth Through tears of hope and despair the landscape of this novel unfolds before us in a vast panorama of poetic prose delighting the senses and the imagination about what is possible what is beautiful and what is maddening about this world Charged with passion these pages sing to us their erotic melancholy Hope and Despair is both loving and frightening a pleasure to read once and again **Court of Appeals: New York: 86** ,1894 Shoot for the Hoop Matt Christopher,2010-01-01 Rusty Young wants to play basketball in the summer league but his parents object because Rusty has been diagnosed with diabetes That is only one of the obstacles Rusty has to overcome before he can join the team *Two Alone* Sandra Brown,2017-12-05 Damn her His body was still on fire Damn her why had she responded that way So honestly With no coyness No affectation Her mouth had been so receptive Her kisses so generous Her breasts so soft Only two survive the small plane crash in the Canadian wilderness miles from civilization Rusty Carlson a real estate agent from Beverly Hills who has never faced anything more perilous than L A s rush hour traffic and Cooper Landry an embittered Vietnam veteran who has endured the horrors of warfare and a POW camp Rusty wouldn t have believed herself capable of dragging her unconscious fellow passenger from the wreckage but that was only the first challenge confronting her The man himself is as hostile and unforgiving as the mountainous terrain in which they re stranded If they had a choice they would go their separate ways But they don t If they want to live they must stay together Teamed

against the harsh elements injury and a pair of conniving cutthroats Rusty and Cooper must rely on each other in order to survive In a one room cabin they find shelter but as winter closes in they have no protection against the sexual attraction that becomes the real test of their fortitude Within those four rough walls Rusty discovers that Cooper s brusqueness arises from immeasurable heartache and to Cooper s dismay his credo of No romance no love no thanks becomes his desperate chant to ward against Rusty s allure

Oyster John Biguenet,2003-07-01 With comparisons to Flaubert Chekhov and Faulkner O Henry Award winner John Biguenet earned wide acclaim for his debut short story collection The Torturer s Apprentice In his astonishing first novel Oyster he demonstrates the same mastery of craft and rigor of vision that led critics across the country to join Robert Olen Butler in praising this important new writer Set on the Louisiana coast in 1957 Oyster recounts the engrossing tale of a deadly rivalry between two families To avoid ruin after years of declining oyster crops Felix and Mathilde Petitjean offer their young daughter Therese in marriage to 52 year old Horse Bruneau who holds the papers on their boat and house Bruneau has spent his life as Felix s rival for both the Petitjeans century old oyster beds and as we learn Mathilde But as Therese explains to Horse one night as they float in a pirogue alone in the marsh I don t get bought for the price of no damn boat The spiraling violence of Oyster and the seething passions behind it drive an unpredictable tale of murder and revenge in which two women and the men who desire them play out a drama as elemental and inexorable as a Greek tragedy

Broken J.L Drake, Who is Savannah Miller The mayor s daughter A wealthy elite The media s favorite wild child But it s all a lie I secluded myself to protect my father s reputation Then on my twenty seventh birthday I let my guard down Kidnapped Beaten Starved The men who took me treated me worse than a stray Days blurred into weeks and left my dignity broken I had given up hope of being found Until a group of special ops soldiers burst in rescuing me from my captors They took me to a safe house offering me two choices stay under their protection and abide by their rules or leave and risk being recaptured within a week I chose option one With the help of new friends and a potential new love I fight to get my life back This is my story

Fire and Stone Priscilla Long,2016 The questions that drive Priscilla Long s *Fire and Stone* are the questions asked by the painter Paul Gauguin in the title of his 1897 painting *Where Do We Come From What Are We Where Are We Going* These questions look beyond everyday trivialities to ponder the essence of our

origins Using her own story as a touchstone Long explores our human roots and how they shape who we are today Her personal history encompasses childhood as an identical twin on a dairy farm on the Eastern Shore of Maryland the turmoil social change and music of the 1960s the suicide of a sister and a life in art in the Pacific Northwest Here memoir extends the threads of the writer s individual and very personal life to science to history and to ancestors both literary and genetic back to the Neanderthals Long uses profoundly poetic personal essays to draw larger connections and to ask compelling questions about identity Framed by four distinctive sections Fire and Stone transcends genre and evolves into a sweeping elegy on what it means to be human *Quick and Easy Boat Maintenance, 2nd Edition* Sandy Lindsey, 2012-08-07 Spring commissioning winterizing battery care dealing with ethanol boat cleaning prepping for sale caring for sails and sailboat rigging discover green and inexpensive boat care products **The Rancher Gets Hitched and An Affair of Convenience** Cathie Linz, Marissa Hall, 2011-07-15 THE RANCHER GETS HITCHED An M B A didn t prepare beautiful savvy Tracy Campbell for life on a Colorado ranch especially not as the housekeeper But how hard could it be she asked herself Then she scraped the exploded casserole off the ceiling And learned what a challenge twins who didn t want a new mommy could be And discovered how crazy a mule headed sexy rancher determined to stay a way from city women could make her But even Zane couldn t deny the chemistry between them AN AFFAIR OF CONVENIENCE Mallory Reissen s daily planner said it all meeting meeting have wild passionate sex with Cliff Young Best friends they agreed a no strings attached affair was the solution to busy careers and no time for dating The problem was once they d concluded their intimate negotiations they wanted each other again and again But now their careers were getting in the way Perhaps the only solution was marriage **Four Paws and Two Tales** Camille Klump, 2021-09-20 Camille Klump is an American author of children s fiction F our Paws and Two Tales is the second part of a trilogy that recounts the adventures of a dog born on an island who after two years is finally reunited with his family and relocated to the USA Now a young headstrong and rebellious dog Woofy is faced with many challenges as he tries to adapt to a life of order and obedience with his human family He struggles to overcome subhuman elements and his own animal instincts in order to serve and protect his owners Through interactions with other animals and people he begins to interpret their behavior and realizes there are many valuable lessons to be learned He discovers that the color of a dog s eyes should not determine how he sees the world and being accepted as a member of the human pack demands great loyalty sacrifice and service As his connection to humans deepen he begins to use his remarkable power of healing which comes at a great price When he is left behind by his family he is consumed with guilt and sadness and it is only after being reunited with his mother that he begins to appreciate the value of her wisdom which helps to heal his broken heart She offers him comfort after the sudden death of a loved one a loss which leaves him with many unanswered questions He is surprised to discover that for some freedom and happiness means having no home at all that distance and time can never break the bond of a loving family and no one should be quick to judge the circumstances behind the most

difficult choices An uplifting tale which reveals that being left behind never means that you are forgotten or no longer loved
