What were the causes of Restoration drama's licentiousness? How did the elegantly turned comedy of Congreve become the pointed satire of Fielding? And how did Sheridan and Goldsmith reshape the materials they inherited? In the first account of the entire period for more than a decade, Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history. The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre's essential characteristic **A History of English Literature** Robert Huntington Fletcher, 1919

Jonathan Swift, another unique figure of very mixed traits, is like Defoe in that he connects the reign of William III with that of his successors and that in accordance with the spirit of his age he wrote for the most part not for literary but for practical purposes. In many other respects the two are widely different. Swift is one of the best representatives in English literature of sheer intellectual power, but his character, his aims, his environment and the circumstances of his life denied to him also literary achievement of the greatest permanent significance , *A History of English Literature* Robert Huntington Fletcher, 2019-11-25
