Sir Garnet Wolseley:

Sir Garnet Wolseley Stephen Manning, 2024-02-01 Field Marshal Lord Wolseley was an eminent Victorian one of a handful of late nineteenth century military men whose reputation transcends his age He served the British empire in Burma India China the Crimea Canada Asante Egypt South Africa and the Sudan He excelled as a regimental soldier staff officer army commander and reformer and eventually commander in chief Yet there has been no substantial work on Wolseley for a generation and a reassessment based upon a fresh look at the man and his achievements is long overdue That is why Stephen Manning s perceptive military biography which sets Wolseley firmly in the context of his period and seeks to strip away the legend that developed during his lifetime is so timely and important Each of Wolseley s campaigns is examined in vivid detail and there are graphic descriptions of the major battles in which he took part either as an officer or a general His performance as a commander from his great success during the expedition against the Asante to his failure to rescue Gordon from Khartoum is critically assessed to see if he deserves his brilliant reputation His efforts as an army reformer are examined too in particular whether he could have done more to prepare Britain for war against the Boers Stephen Manning s incisive account of Wolseley s career will be fascinating reading for anyone who is interested in the British army in the nineteenth century in colonial warfare and in the exploits of one of Queen Victoria s most admired generals **Sir Garnet**

Garnet Joseph WOLSELEY (Viscount Wolseley.), 1874 **Sir Garnet Wolseley** Halik Kochanski, 1999-01-01 Before leaving England he placed his finger on a map of Egypt at the point now known to fame as Tel El Kebir and said That is where I shall beat Arabi No Victorian was a greater hero for a longer period than Sir Garnet Wolseley 1833 1913 The leading British general of the second half of the nineteenth century he personally took part in a significantly influenced every campaign between the Crimea and the Boer War To Disraeli he was Our Only General while to many soldiers and to the public at large he epitomised the virtues they most admired exceptional personal bravery and an unshakeable belief in the virtues of the British Empire The phrase All Sir Garnet was a guarantee that everything was under control Seen from another angle Wolseley s career reflects a number of weaknesses To control a global empire Britain had a powerful navy but only a small army Its ability to deploy a force of limited size throughout the world almost always against untrained and underequipped native armies gave the dangerous and ultimately disastrous illusion that Britain was as formidable by land as it was by sea
