Sistahs N Sistahhood:

The Suppressed Sister Amy K. Levin, 1992 Contentious behavior among biological sisters frequently contradicts ideals of sisterhood in novels by women Additionally feminist criticism focusing on almost every imaginable relationship involving women has all but ignored sisters Amy K Levin s *The Suppressed Sister* studies these circumstances their causes and consequences How and why is the sister bond suppressed in favor of sisterhood Answers to this question may be found in female psychology social expectations and patriarchal myths and stories The tales of Cinderella and Psyche are paradigmatic providing models of female competition and inscribing a conclusion that replaces sisterly closeness with heterosexual romance Jane Austen s sister plot is based on these models Her characters divide into pairs and adopt complementary personalities but polarization does not erase competition instead marriage erects social and economic barriers which enforce role divisions In *Wives and Daughters* Cranford and *The Life of Charlotte Bronte* Elizabeth Gaskell shows the danger of too close an attachment to the paternal home She too emphasizes differences revealing how they ultimately lead siblings to seek a sisterhood outside the family In *Mill on the Floss* Middlemarch and *Daniel Deronda* George Eliot paints increasingly negative portraits of sisters indicating that female siblings create differences where few or none exist These denials of similarity heighten the heroines isolation Twentieth century novelists including Barbara Pym Elizabeth Jane Howard and Margaret Drabble revise their predecessors texts drafting a plot after the father s They reject rules governing female behavior and question the expectation that women must get along with one another Finally Emma Tennant s *Bad Sister* together with several recent American novels abandons the conventions of the realistic novel challenging the very concept of character Tennant undermines all distinctions including those that treat sisters as separate individuals and those that classify certain behaviors as good or bad These novels show a progression that has been ignored or suppressed by feminist critics many of whom long for an idyll of sisterhood inherited from nineteenth century portraits of the angel in the house In denying anger or antagonism women cut off a part of themselves just as Cinderella s stepsisters amputate their toes to fit in her brittle glass slipper Levin s book questions the rationale behind such self destruction

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Sisterhood's Journey Pasquale De Marco, 2025-03-09 In *Sisterhood's Journey* we embark on an inspiring exploration of the multifaceted bond between sisters Through a collection of heartfelt stories and insightful reflections this book delves into the complexities of this extraordinary connection celebrating its joys and acknowledging its challenges Sisterhood is a bond that is forged in childhood and strengthened through shared experiences laughter and tears It is a bond that can withstand the trials and tribulations of life and emerge even stronger on the other side In this book we meet a diverse cast of sisters who share their stories of love loss and resilience We learn about the unbreakable bond between sisters by heart sisters by choice and sisters in law We explore the challenges of blended families and stepsisters and the unique joys of chosen sisters and friends who become sisters These stories showcase the

power of sisterhood to uplift empower and inspire Sisterhood's Journey also delves into the challenges that sisters face We explore sibling rivalry and jealousy the complexities of maintaining closeness despite distance and differing life paths and the pain of estrangement and fractured relationships These challenges are real and can be difficult to navigate but the book offers hope and guidance for sisters who are struggling Ultimately Sisterhood's Journey is a celebration of the enduring power of sisterhood It is a book that reminds us that no matter what life throws our way we are never truly alone as long as we have our sisters by our side Whether you are a sister yourself or you simply want to celebrate the power of this extraordinary bond this book is for you It is a book that will touch your heart and stay with you long after you finish reading it If you like this book write a review

Sister Death Beatrice Marovich, 2023-02-07 Winner 2024 Bela Kornitzer Alumni Award
Drew University Life and death are commonly seen as representing the starkest of binaries Death is the ultimate adversary of all that lives Beatrice Marovich argues that such understandings of mortality have been deeply influenced by a strain of Christian political theology that has left its mark on both religious and secular narratives Adapting the figure of Sister Death from Saint Francis of Assisi she calls for recognizing that life and death are family Drawing on a wide range of sources from Toni Morrison to Jacques Derrida psychoanalysis to grassroots death positive movements Marovich critiques a racialized political theology that pits life and death against each other in a state of endless war In a time of extinctions it is necessary to disrupt this dominant story in order to apprehend death as a collective multispecies event Sister Death proposes an alternative view in which life and death are not mortal enemies destined for mutual destruction Instead they are engaged in a contested tense and sometimes mutually empowering form of connection a sisterhood Eloquent and approachable this book deftly integrates the insights of a number of disciplines to provide a profound reconsideration of the relations between life and death Sister Death also features a series of original works by the artist Krista Dragomer that stage an ongoing conceptual conversation with the text

Sister Connection: The Bonds That Power You Pasquale De Marco, 2025-05-08
