Robertson, 2009-02 At once a travel guide and a vision for the future this series is good news for the Episcopal Church at a time of fast and furious demographic and social change It analyzes the present plight of the church and sketches a positive way forward sprouting from the seeds of change those transformative practices already at work renewing the church What church models can help point us toward transformation What are the essential tools What will give us strength direction and purpose to the journey Each volume of the series will Explain why a changed vision is essential Give robust theological and biblical foundations Offer a guide to best practices and positive trends in churches large and small Describe the necessary tools for change Imagine how transformation will look For most Episcopalians stewardship is synonymous with pledge drives budgets and capital campaigns but the Bible is clear that God wants more than our tithes and offerings Looking to its scriptural roots in 1

Chronicles Luke Acts and the letters of Paul as well as St Francis third way Robertson offers a vision of holistic stewardship for the whole church holistic because it can't be separated from evangelism outreach scripture study and ministry to the newcomer It does not involve strong arm tactics only a willingness to risk changing existing structures and ideas in order to enrich the faith community and strengthen connections to the neighboring world Transforming Stewardship delivers both good and bad news about Episcopalians and stewardship Robertson provides essential models and spiritual practices in order to transform the church's outmoded attitudes toward stewardship and wealth into a broader context of faith Stewardship Preaching Mark Gravrock,1984-06 Sermons Thomas Stuart Lyle Vogan,1837 **Sixty Sermons on Plain and Practical Subjects** Thomas Pyle,1776 **Two Sermons Preached Before the Twenty-eighth Congregational Society in Boston** Theodore Parker,1853 Stewardship Preaching Richard H.
