The book provides a complete overview of everything a prospective children's writer needs to complete and publish his or her own children's book. You will start by learning how to recognise the market that your book's style fits. You will learn the basics of the children's book publishing industry and how it is fundamentally different from that of the rest of the publishing industry. You will learn how to choose the right publisher or print on demand printer for your book and how to start preparing the package with special consideration for illustrations and other aspects of your book that might change the overall presentation.
