Social Work and Service Learning Meryl Nadel, Virginia Majewski, Marilyn

Sullivan-Cosetti, 2007 Service learning and social work education comprise an exciting yet underutilized partnership This book represents the first comprehensive overview of this active and empowering approach to learning in social work Both educators and practitioners will discover conceptual and practical guidance for developing productive community based projects Often envisioned as located at the midpoint on a continuum from volunteer work to internship service learning combines the opportunity to serve with the opportunity to learn It offers community agencies a chance to collaborate with academic colleagues to meet identified community needs frequently with an explicit social justice dimension The contributors illustrate how service learning facilitates students understanding and interacting with community members as partners not clients Service learning encourages students to use critical thinking skills to reflect on their work and its implications This combination of study action reflection in conjunction with course content is highly effective The book explores its subject from several perspectives The first section serves as a conceptual and theoretical orientation to service learning in social work The second section offers models that illustrate many ways of implementing service learning across the components of

the social work curriculum The final two parts of the book focus on evaluation and service learning in the broader context of civic engagement

Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2011-10-20 Global knowledge is increasingly essential for all aspects of social work Today's professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

Foundations of Interpersonal Practice in Social Work Brett Seabury, Barbara Seabury, Charles D. Garvin, 2010-10-08 Prev ed entered under Gervin Charles D has title Interpersonal practice in social work

Social Work and Sustainability in Asia Alice M. L. Chong, Iris Chi, 2019-01-22 The rapid trend of globalization has brought with it a variety of sustainability challenges including global climate change biodiversity loss poverty and social inequalities which are problems with unclear boundaries complicated interrelated components undefined parameters contradictory values and no single solution Social work has a long standing tradition of emphasizing the interaction of people and their environment For this reason the field of social work is one of the best placed academic disciplines for studying the impact of environmental change on social systems and should play an important role in developing strategies for mitigating and adapting to these environmental challenges However traditional social work tends to lack sustaining work and neglect globally interconnected social problems Combining case studies and country reports from around Asia with a theoretical framework for understanding sustainability concerns this book aims to show how social work can play a valuable role in mitigating and adapting to environmental challenges and social sustainability For social work to develop a meaningful and viable profession that addresses contemporary sustainability issues it requires changes and transformation in paradigm theories strategies social policy and social services that will facilitate a sustainable future for all mankind

Social Workers Affecting Social Policy John Gal, Idit Weiss-Gal, 2014-06-04 Furthering social justice and human rights is a fundamental principle underlying the social work profession Engaging in social policy formulation processes is a major route

through which social workers can realise this goal This type of social work activity has been termed policy practice The aim of this book is to shed light on policy practice in social work discourse education and practice in eight liberal democracies This is the first effort to undertake a cross national study of social worker engagement in social policy formulation processes The book offers insights into questions such as what is the importance attributed to social worker involvement in policy change in the social work discourse and education in different countries and how do social workers influence social policy in various national settings These issues are relevant to social worker practitioners students educators and researchers as well as to social policy scholars who are interested in the role of professionals in social policy formulation *Social Work and Society* Kate Parkinson,Sarah Pollock,Ian Cummins,2019-11-27 It is essential that social work students understand the lasting impact political decision making can have on service users yet little guidance exists on this subject This valuable book provides a comprehensive introduction to politics in social work unifying the themes of political ideology and social construction across several areas of social work practice including emerging areas of practice The book Introduces the dominant political ideologies in the UK Examines the impact of these ideological perspectives on different demographic groups Explores emerging areas of growing political interest such as radicalisation Employs case studies and examples from practice to aid student understanding Including helpful key points to guide reading at the beginning of each chapter as well as exercises for seminars and further reading recommendations this text will be an invaluable resource to all students in social work

Dixon,2003-12-30 Weiss Gal Dixon and their contributors provide the first large scale cross national and cross cultural examination of the views and the perceptions of social workers through this analysis of graduating social worker students on the threshold of their careers in social work They identify and analyze the graduating social work students attitudes towards the sources of social distress the preferred ways to deal with social

problems the goals of social work and their professional preferences with regard to client groups types of professional activity and place of work Since first being practiced more than a century ago social work has become an international profession and is today an integral part of the social services in many different countries However as Weiss Gal Dixon and their contributors make clear there is a distinct lack of ideological consensus over the goals tasks desired technologies major client groups the preferred sector in which to operate and a variety of other issues Throughout its history social work has undergone a constant process of change nonetheless despite the existence of a common professional core social work is quite clearly socially constructed and takes very different forms in the various national settings throughout the world This book provides the first large scale cross national and cross cultural examination of the views and perceptions of social workers through an analysis of graduating social worker students at the threshold of their careers in social work The country chapters identify and analyze the graduating social work students attitudes towards the sources of social distress the preferred ways to deal with social problems the goals of social work and their professional preferences with regard to client groups types of professional activity and place of work Experts on social work provide analyses on Australia Brazil Canada Germany Hong Kong Hungary Israel the United Kingdom the United States and Zimbabwe

Becoming a Social Worker Vivienne E. Cree, 2009-06-16 This is a book about social workers and social work It tells the story of the journey into and through social work of thirteen social workers living and working in the UK today We hear what has brought them into social work and what has kept them in it since Their lively accounts demonstrate that commitment and passion remain at the heart of social work today Becoming a Social Worker describes what it is like to be a social worker in different practice settings what it is like to be a social work manager and what is happening in social work education Some of the contributors will be recognised as those who have played a key part in shaping social work over the years and they provide valuable insights into how the profession of social work has developed in that time Other contributors less well known but no less interesting give us a vivid idea of what social work practice and social work education is like on the ground Social work is a demanding and difficult job which goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt Becoming a Social Worker sets out to change that to make social work visible so that those considering a career in the caring professions can make an informed choice about whether social work is the career for them

Practicing Social Work in Deprived Communities Ana Opačić, 2021-04-12 This contributed volume offers a holistic understanding of social work practice in deprived communities through its thematization of understanding deprived communities globally the development of competencies for social work practice in and with deprived communities social work education as a community development tool and the empowerment of social workers in deprived communities Inequality as a globally recognized challenge is extensively elaborated within the UN Sustainable Development Goals SDGs and the Global Agenda program for social work making this a timely and important contribution to

the literature Deprived communities used in this book to mean slums ghettos favelas and low income remote underserved vulnerable impoverished underdeveloped disadvantaged or less favoured communities exist worldwide and are conceptualized under different terms and concepts For that reason social work specifically in deprived areas is not sufficiently recognized as a specific field of practice within community work As a result this volume features contributions that provide a conceptual clarification of many different terms that are used for describing deprived communities and offer a systematic literature review on community processes and effects on well being in underdeveloped communities map different fields of social work involvement in deprived communities with concrete practice examples and stress why social work as a profession needs support and how it can be empowered to improve its capacities in deprived communities With international authorship and perspectives on social work approaches for deprived communities from India Sub Saharan Africa North and Central Europe and North America *Practicing Social Work in Deprived Communities* is an essential resource for social workers social work educators and community development practitioners The text also should be of interest to students of social work as well as other professionals and researchers working within community development and deprived communities
