Social Work with Drug, Alcohol and Substance Misusers Anthony Goodman, 2013-10-14 It has long been recognised that clients with addiction problems need a skilled and thoughtful response when they come into contact with social services However students often find that policy and the law surrounding working with drug alcohol and substance misusers can be complex and often unclear This fully revised third edition will help students cultivate the skills required to work effectively with clients and service users who misuse drugs and alcohol There are clear introductions to the law and to social policy in this area while the author considers how a holistic approach can be effective when working with this particular client group Case studies and reflective exercises are used to draw out these key skills The book also features sections on anti oppressive practice with a focus on service user empowerment With this third edition comes new material on social work practice with alcohol misusers making this book even more essential reading for students and practitioners who want to engage with clients who struggle with addiction

Supporting People with Alcohol and Drug Problems Sarah Galvani, 2012 This book addresses the gap in social work education by providing a combination of research evidence policy frameworks and practical hints and tips for good social work practice for all those in children s and adults social work and social care settings who are working with people who use alcohol or other drugs

The Blackwell Companion to Social Work Martin Davies, 2013-04-01 Fully revised and restructured this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject As well as entirely new sections on theory and practice the expert contributions which have shaped the companion s leading reputation have been updated and now include innovative standalone essays on social work theory Comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one Includes an extensive introduction and chapters by leading experts on the focus and purpose of social work Provides a unified textbook for trainees and an invaluable

professional reference volume Features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework stages in the human life cycle and the objectives and core components of social work Each chapter lists five key points to remember questions for discussion and recommendations for further reading Social Work ASWB Clinical Practice Test Dawn Apgar,2017-11-30 Print version of the book includes free access to the app web iOS and Android which offers interactive Q A review plus the entire text of the print book Please note the app is included with print purchase only This full length practice test with answers and rationales created by a prominent educator of social work licensure candidates is a key resource for social workers preparing for the ASWB Clinical exam It can be used either on its own or in conjunction with the author s Social Work ASWB Clinical Exam Guide A Comprehensive Study Guide for Success The 170 questions contained in this resource mirror the test in length structure and content These are unique questions distinct from those in the author s complementary study guide that serve as a valuable diagnostic tool to improve exam success With in depth rationales and specific strategies for correctly answering each question this resource helps social workers identify gaps in knowledge and errors in problem solving Knowledge domains are grouped together so test takers can identify the specific content area and competency being tested a valuable asset for increasing understanding In addition the Knowledge Skills and Abilities statements KSAs are identified for each question so test takers can easily locate relevant source materials for further study Tips for reading the questions avoiding common pitfalls and other valuable test taking strategies including an assessment of learning styles add to this book s value as a highly useful resource and diagnostic tool Key Features Written by a renowned educator of social work licensure candidates Mirrors the actual ASWB Clinical exam Includes a full practice test with 170 questions Provides answers with full rationales and specific test taking strategies for all questions ASWB is a registered service mark of the Association of Social Work Boards which neither sponsors nor endorses this product Social Work and Multi-agency Working Morris, Kate,2008-05-07 The book is unique in drawing together contributors from a range of different disciplines to consider the issues and challenges involved for social work practice in multi agency working **Counselling for Alcohol Problems** Richard Velleman,2011-02-07 Counselling for Alcohol Problems third edition is a practical and bestselling guide to working with people who have problems with their use of alcohol It is the key book recommended by most alcohol counselling courses in the UK including the Scottish national alcohol counsellors training scheme The author provides clear guidance for counsellors and demonstrates the need to treat every client as an individual attempting to understand and therefore enable the client to understand what they are doing and why This new edition includes New content on the current political social and counselling context surrounding alcohol use A wider range of case studies New ideas that help students and trainees develop the skills and strategies they need for working with their clients Further guidance for generic or non alcohol counsellors who face alcohol problems with their clients This third edition is an invaluable resource for practitioners both those specialising in work with alcohol misusers and those who

encounter problem drinkers in the context of a more general counselling practice Perspectives on Alcohol Abuse ,1988

Social Work and Lesbian, Gay, Bisexual and Trans People Julie Fish,2012-03-14 This important textbook makes a timely contribution to international agendas in social work with lesbian gay bisexual and trans LGBT people It examines how practitioners and student social workers can provide appropriate care across the lifespan including work with children and families and older people and considers key challenges in social work practice for example asylum mental health and substance misuse Drawing on practice scenarios the book takes an enquiry based learning approach to facilitate critical reflection Its distinctive approach includes use of the concepts of the Professional Capabilities Framework for social work key theoretical perspectives including human rights structuring of the text around the framework of the UK National Occupational Standards for Social Work student friendly features including key questions and exercises a complete glossary of key terms and concepts examination of the UK policy and legislative context It is informed by international research in social work with LGBT people The book is essential reading for students on qualifying social work programmes and practitioners in statutory voluntary and independent sectors *Comprehensive Handbook of Social Work and Social Welfare, The Profession of Social Work* ,2008-03-11 Comprehensive Handbook of Social Work and Social Welfare Volume 1 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare **Social Work** ,1992

Handbook of Empirical Social Work Practice, Volume 1 Bruce A. Thyer,John S. Wodarski,1998-01-29 Covers clinically effective treatments for over twenty of the major mental behavioral and emotional diagnoses in the DSM IV The last two decades in social work have seen tremendous strides in field research from the development of improved research designs to more accurate methods of problem measurement and outcome analysis Drawing upon these significant advances the two volume Handbook of Empirical Social Work Practice brings together empirically validated interventions for many of the psychosocial problems most frequently encountered by social workers in their daily practice Unlike other books in the field that employ a theory based approach to treatment this handbook focuses on the best supported methods of helping clients with particular problems irrespective of theoretical biases offering clinicians a valuable compendium of practice guidelines for treatment Edited and authored by recognized experts in the field the Handbook of Empirical Social Work Practice is clearly written and organized for easy reference Volume One covers clinically effective treatments for over twenty of the major mental behavioral and emotional diagnoses in the DSM IV TM including Disorders typically diagnosed in infancy childhood or adolescence Substance related disorders Schizophrenia and other psychotic disorders Mood and anxiety disorders Sexual and eating disorders Personality disorders With information that is at once accessible and up to date the Handbook of Empirical Social Work Practice is a vital source of guidance for today s clinical social workers and other practicing mental health professionals as well as students One of the best tools to promote the values of the social work

profession is that of empirical social work practice Telling the truth is one of these values and discovering the truth is something that empirical research is very good at This book presents credible reviews of contemporary empirical literature pertaining to selected behavioral affective and intellectual disorders and their psychosocial assessment and treatment That such a book is now possible is a striking affirmation of the merits of the approach to social work called empirical clinical practice from the Handbook of Empirical Social Work Practice *Social Work in Mental Health* Bruce A. Thyer, John S. Wodarski, 2007-06-30 An essential desk reference for all helping professionals *Social Work in Mental Health An Evidence Based Approach* is a comprehensive and contemporary guide to the delivery of evidence based care Covering a wide spectrum of mental health disorders editors Thyer and Wodarski have brought together noted experts to provide the most current empirically supported techniques in the assessment diagnosis and treatment of disorders as classified by the DSM IV TR Coverage ranges from disorders seen in early infancy and childhood through the adolescent and adult years Disorders covered include Autism ADHD Substance abuse Schizophrenia Mood disorders Anxiety disorders Eating disorders Sexual disorders Personality disorders Mental Retardation Written and organized in an accessible style *Social Work in Mental Health An Evidence Based Approach* provides helping professionals with an engaging and easy to follow guide to learning how to deliver the most up to date mental health care Examples of evidence based interventions guide the reader through the process and provide insight into the philosophy as well as the scientific basis underlying each technique and intervention presented Chapters begin with learning objectives that alert you to the main ideas covered and conclude with provocative study questions that are designed to test your understanding while providing an opportunity for review and reinforcement of the key concepts covered Ideal for all helping professionals from those just starting out to the most seasoned clinician this guide is a vital reference for anyone looking to stay abreast of contemporary techniques in the delivery of mental health services **The Challenge of Permanency Planning in a Multicultural Society** Gary R. Anderson, Bogart R.

Leashore, 1997 Explains to child welfare workers supervisors trainers and program managers the importance of cultural knowledge sensitivity and skill for putting permanency and stability into the lives of at risk children Considers the role of culture in a family's life and how to use that understanding to prevent unnecessary out of home placements judge when the time is right to reunify parents and children and determine when adoption is the best choice Paper edition 0302 3 19 95 Also published as the *Journal of Multicultural Social Work* v 5 nos 1 2 3 4 1997 Annotation copyrighted by Book News Inc Portland OR

Clinical Assessment and Diagnosis in Social Work Practice Jacqueline Corcoran, Joseph Walsh, 2006-02-09 Guides social workers in developing competence in the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders DSM IV TR system of diagnosis and assists them in staying attuned during client assessment to social work values and principles Provided by publisher [Social Work Licensing Clinical Exam Guide](#) Dawn Apgar, 2024-02-20 *Social Work Licensing Clinical Exam Guide* Fourth Edition provides everything you need to successfully pass the ASWB
