Socialism And The Great War The Collapse Of The Second International:

Socialism and the Great War Georges Haupt, 1972 En studie af Det internationale Socialistbureau ISB stilling til krigsfrelse i perioden 1900-1913 da 1. Verdenskrig stod for døren

The Wars before the Great War Dominik Geppert, William Mulligan, Andreas Rose, 2015-05-07 Between 1911 and 1914 the conflicts between Italy and the Ottoman Empire together with the Balkan wars that followed transformed European politics With contributions from leading international historians this volume offers a comprehensive account of the wars before the Great War and surveys the impact of these conflicts on European diplomacy military planning popular opinion and their role in undermining international stability in the years leading up to the outbreak of the First World War Placing these conflicts at the centre of European history the authors provide fresh insights on the origins of World War I emphasizing the importance of developments on the European periphery in driving change across the continent Nation and empire great powers and small states Christian and Muslim violent and peaceful civilized and barbaric the book evaluates core issues which defined European politics to show how they were encapsulated in the wars before the Great War

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

The Lost World of Socialists at Europe's Margins Maria Todorova, 2020-09-03 Maria Todorova's book is devoted to the golden age of the socialist idea broadly surveying the period in and around the time of the Second International It critically examines the promise for an alternative socialist utopia from 1870 to the 1920s Todorova brings in the experience of the periphery in a comparative context in the belief that the margins can often elucidate better the character of a phenomenon and de-provincialize it from essentialist notions In doing so The Lost World of Socialists at Europe's Margins moves beyond the traditional historiographical emphasis on ideology by looking at different intersections or entanglements of spaces generations genders ideas and feelings and different flows of historical time The study provides a social and cultural history of early socialism in Eastern Europe with an emphasis on Bulgaria arguably the country with the earliest and strongest socialist movement in Southeast Europe and one that had a unique relationship to both German and Russian social democracy Based on a rich prosopographical database of around 3500 biographies of people born in the 19th century the book addresses the interplay of several generations of leftists looking at

the specifics of how ideas were generated received transferred and transformed Finally the work investigates the intersection between subjectivity and memory as reflected in a unique cache of archival materials containing over 4000 documentary sources including diaries oral interviews and unpublished memoirs A microhistorical approach to this material allows the reconstruction of structures of feeling that inspired an exceptional group of individuals Anarchism and the Advent of Paris Dada Theresa Papanikolas, 2017-07-05 Anarchism and the Advent of Paris Dada sheds new light on Paris Dada's role in developing the anarchist and individualist philosophies that helped shape the cultural dialogue in France following the First World War Drawing on such surviving documentation as correspondence criticism periodicals pamphlets and manifestoes this book argues that contrary to received wisdom Dada was driven by a vision of social change through radical cultural upheaval The first book length study to interrogate the Paris Dadaists complex and often contested position in the postwar groundswell of anarcho individualism Anarchism and the Advent of Paris Dada offers an unprecedented analysis of Paris Dada literature and art in relation to anarchism and also revives a variety of little known anarcho individualist texts and periodicals In doing so it reveals the general ideological diversity of the postwar French avant garde and identifies its anarchist concerns in addition it challenges the accepted paradigm that postwar cultural politics were monolithically nationalist By positioning Paris Dada in its anarchist context this volume addresses a long ignored lacuna in Dada scholarship and more broadly takes its place alongside the numerous studies that over the past two decades have problematized the politics of modern art literature and culture

Scaling the Balkans Maria N. Todorova, 2018-09-11 Scaling the Balkans puts in conversation several fields that have been traditionally treated as discrete Balkan studies Ottoman studies East European studies and Habsburg and Russian studies By looking at the complex interrelationship between countries and regions demonstrating how different perspectives and different methodological approaches inflect interpretations and conclusions it insists on the heuristic value of scales The volume is a collection of published and unpublished essays dealing with issues of modernism backwardness historical legacy balkanism post colonialism and orientalism nationalism identity and alterity society and nation building historical demography and social structure socialism and communism in memory and historiography

Routledge Handbook of Marxism and Post-Marxism Alex Callinicos, Stathis Kouvelakis, Lucia Pradella, 2020-12-29 In the past two decades Marxism has enjoyed a revitalization as a research program and a growth in its audience This renaissance is connected to the revival of anti capitalist contestation since the Seattle protests in 1999 and the impact of the global economic and financial crisis in 2007-8 It intersects with the emergence of Post Marxism since the 1980s represented by thinkers such as Jürgen Habermas Chantal Mouffe Ranajit Guha and Alain Badiou This handbook explores the development of Marxism and Post Marxism setting them in dialogue against a truly global backdrop Transcending the disciplinary boundaries between philosophy economics politics and history an international range of expert contributors guide the reader through the main varieties and preoccupations of Marxism and

Post Marxism Through a series of framing and illustrative essays readers will explore these traditions starting from Marx and Engels themselves through the thinkers of the Second and Third Internationals Rosa Luxemburg Lenin and Trotsky among others the Tricontinental and Subaltern and Post Colonial Studies to more contemporary figures such as Huey Newton Fredric Jameson Judith Butler Immanuel Wallerstein and Samir Amin The Routledge Handbook of Marxism and Post Marxism will be of interest to scholars and researchers of philosophy cultural studies and theory sociology political economics and several areas of political science including political theory Marxism political ideologies and critical theory

Fantasy and Reality in History Peter Loewenberg, 1995-10-19 In Fantasy and Reality in History Peter Loewenberg brings what the discipline of psychoanalysis has learned about human conduct and the irrational to bear on the analysis and writing of history The result is a remarkable series of studies on individual and social anxiety racism and nationalism and crisis management First examining early twentieth century Z rich and the first practitioners of psychoanalysis Freud C G Jung Karl Abraham and others to establish the discipline s understanding of the unconscious and how it functions Loewenberg then explores the tensions in the lives and politics of modern political leaders The great British Liberal Prime Minister Walther Rathenau and the Russian fascist demagogue Vladimir Zhirinovsky are among those studied In each of these interconnected essays Fantasy and Reality in History makes readily evident the advantages and unique insights that psychoanalytical techniques can provide in the examination of history Loewenberg s blend of clinical and historico political methods not only produces new exciting research but demonstrates how it is done

The Independent Labour Party, 1914-1939 Keith

Laybourn, 2020-05-14 Historians of political history are fascinated by the rise and fall of political parties and for twentieth century Britain most obviously the rise of the Labour Party and the decline of the Liberal Party What is often overlooked in this political development is the work of the Independent Labour Party ILP which was a formative influence in the growth of the political Labour movement and its leaders in the late nineteenth century and the early to mid twentieth century The ILP supplied the Labour Party with some of its leading political figures such as Ramsay MacDonald and moved the Labour Party along the road of parliamentary socialism However divided over the First World War and challenged by the Labour Party becoming socialist in 1918 it had to face the fact that it was no longer the major parliamentary socialist party in Britain Although it recovered after the First World War rising to between 37 000 and 55 000 members it came into conflict with the Labour Party and two Labour governments over their gradualist approach to socialism This eventually led to its disaffiliation from the Labour Party in 1932 and its subsequent fragmentation into pro Labour pro communist and independent groups Its new revolutionary policy divided its members as did the Abyssinian crisis the Spanish Civil War and the Moscow Show Trials By the end of the 1930s seeking to re affiliate to the Labour Party it had been reduced to 2 000 to 3 000 members was a sect rather than a party and had earned Hugh Dalton s description that it was the ILP flea In the following monograph Keith Laybourn analyses the dynamic shifts in this history across 25 years This scholarship will prove foundational for scholars and

researchers of modern British history and socialist thought in the twentieth century *Lenin and the Revolutionary Party*
Paul Le Blanc, 2016-02-01 For generations historians of the right left and center have all debated the best way to understand
V I Lenin's role in shaping the Bolshevik party in the years leading up to the Russian Revolution At their worst these studies
locate his influence in the forcefulness of his personality At their best they show how Lenin moved other Bolsheviks through
patient argument and political debate Yet remarkably few have attempted to document the ways his ideas changed or how
they were in turn shaped by the party he played such a central role in building In this thorough concise and accessible
introduction to Lenin's theory and practice of revolutionary politics Paul Le Blanc gives a vibrant sense of the historical
context of the socialist movement in Russia and abroad from which Lenin's ideas about revolutionary organization spring
What emerges from Le Blanc's partisan yet measured account is an image of a collaborative ever adaptive and dynamically
engaged network of revolutionary activists who formed the core of the Bolshevik party

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Socialism And The Great War The Collapse Of The Second International**

In a world inundated with displays and the cacophony of fast interaction, the profound energy and psychological resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the constant barrage of sound and distractions. Socialism And The Great War The Collapse Of The Second International Introduction

In today's digital age, the availability of Socialism And The Great War The Collapse Of The Second International books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Socialism And The Great War The Collapse Of The Second International books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Socialism And The Great War The Collapse Of The Second International books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Socialism And The Great War The Collapse Of The Second International versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Socialism And The Great War The Collapse Of The Second International books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Socialism And The Great War The Collapse Of The Second International books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over

60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Socialism And The Great War The Collapse Of The Second International books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Socialism And The Great War The Collapse Of The Second International books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Socialism And The Great War The Collapse Of The Second International books and manuals for download and embark on your journey of knowledge?
