Earth's Guardians Terrell Davis,2023-08-04 EARTH S GUARDIANS THE AMBASSADOR CHRONICLES A Sci fi action thriller They are unlike any army known to humankind an unrelenting wave of captivity that is more feared than any plague A legion of destruction called the Pernicious A species whose survival is known for annihilating galaxies by feeding on all life within them to continue their existence They are led by the Preeminent Queen Dylan and her Alpha nest Their colonies are comprised of thousands of nests and when in action they function like a hive of unyielding killer wasps Their numbers and technology overwhelm most civilizations they encounter and now that pursuit of survival has led them to the little blue planet in the Milky Way Galaxy Now humankind s only hope of eradicating this invasion lies in the hands of triplets known as the Ambassadors Khairi Kya and Kimoni are coincidental success stories from a generational failed US military genetics program called Prototype The program was designed to create faster stronger more advanced soldiers The triplets significantly surpassed all expectations becoming the weaponized humans sought by the Prototype

program and military brass Houston Creed genetics scientist one of the developers of the Prototype program decided against military orders to allow the triplets to grow up and train at his secret compound along with his Scorpion organization General A C McClain had a different view of the triplets They are U S Military property and he will deplete his military war chest to track and imprison them Now at the age of 20 Khairi Kya and Kimoni find themselves blessed with the abilities to safeguard Earth from this invasion but understand this action puts them directly inside of General McClain strike zone **Terrell**

Terrell Davis,Adam Schefter,1998-08-28 On a sun filled January day running back Terrell Davis stood atop a fire truck that slowly wound through downtown Denver during the Broncos Super Bowl victory parade while 650 000 raucous fans were chanting TD TD TD It was a moment of exhilaration and accomplishment for Terrell whose record setting three touchdown performance against the Green Bay Packers earned him the Super Bowl XXXII MVP As he waved and gave the Mile High Salute Terrell couldn't help but think of how unbelievable it all was how it had taken so much to get to this shining moment If I were to jump outside my body and get a chance to read my life story I would say Man that's amazing I've never heard seen or read a story like this never Terrell had faced hurdles that make carrying a football seem easy in comparison There were blinding migraine headaches that had haunted him from the age of seven and almost removed him from the Super Bowl a capricious father who toughened Terrell in unorthodox ways yet helped mold him into the person and player he is today an arrest in college that could have cost him everything he ever wanted a contentious relationship with his head coach at the University of Georgia that made him more determined than ever At Lincoln High School before being switched to fullback during his senior year Terrell was a nose guard attracting scant attention from colleges At Long Beach State his college of choice the football program folded two seasons after Terrell arrived At Georgia Terrell saw his stock and reputation almost irreparably damaged all leading to him becoming the 196th player and 21st running back selected in the 1995 NFL draft Finally in his rookie year with the Broncos he battled from being a sixth string running back to starter in the span of only one

summer Not since his Pop Warner days when he was known as Boss Hogg was he thought of as a go to guy and now here he was one of the NFL s top players TD Dreams in Motion is a candid and surprising autobiography unlike any sports book It takes you on a journey through Terrell s life and into his mind and heart It explains how Terrell has been able to maintain the edge that others have lost It spells out the origins of the Mile High Salute that became a nationally recognized sports symbol and celebration It discusses the unique relationship he shares with his mother a remarkable and compassionate woman Perhaps most important TD Dreams in Motion is inspirational It helps you understand why Terrell has been able to persevere while others he has known have veered off the road Terrell will overwhelm you not with his moves on the football field but with his words on the page Searing and gut wrenching lighthearted and funny honest and real this is Terrell Davis s own story the memoirs of a champion *Denver Broncos New & Updated Edition* Jim Saccomano,2013-08-15
