Terrible Thunder The Story Of The New Orleans Sniper:

Terrible Thunder Peter Hernon, 2005-02-08 On New Year's Eve in New Orleans 1972 Mark Essex began one of the most violent and deadly sniper attacks on policemen that any American city had ever seen Before it ended one week later hundreds of armed police and an assault helicopter would be called to a burning downtown hotel to battle phantom gunmen who refused to be killed

A Terrible Thunder Peter Hernon, 2005-02-08 When Terror Came to New Orleans A City Under Siege On New Year's Eve 1972 Mark James Robert Essex a 23 year old former Navy seaman began a calculated assault on the New Orleans police that would leave nine dead ten wounded and a city forever changed What drove this quiet young man from small town Kansas to wage a one man war against an entire police force Peter Hernon who covered the siege as an Associated Press reporter spent over a year investigating this shocking story Through extensive interviews and previously unpublished material he reconstructs both the terrifying 11 hour hotel siege and the tragic transformation of Mark Essex from a happy go lucky youth in Emporia Kansas to an embittered gunman consumed by rage The book alternates between the chaos of that January week when hundreds of police officers Marine helicopters and volunteer gunmen battled a lone sniper while the Howard Johnson hotel burned around him and Essex's journey through systematic racism in the U S Navy that left him in Hernon's words a casualty of history This is more than a true crime narrative It's a powerful examination of how persistent injustice can transform an ordinary person into an instrument of violence and a sobering meditation on alienation in America As The New York Times noted Hernon's account reads as fluently as a novel while raising profound questions about society's responsibility for those it pushes to the breaking point A meticulously researched compellingly written account of one of the most violent attacks on police in American history and the broken system that created a killer

The New Orleans Sniper Frances Chaput Waksler, 2010 On January 7 1973 shots were fired from Howard Johnson's Motel in New Orleans LA Six were killed ten wounded After the first sniper was killed the search continued for others A thorough police investigation however concluded that there had been only one whose body was found on the motel roof How did the idea of multiple snipers emerge How was it decided that there had been only one after all More generally how does anyone come to a decision about the existence or nonexistence of another person In prose both analytic and engaging Waksler traces the course of this event and the claims and counterclaims made in the search to explain it Please visit Frances Chaput Waksler's website for additional information regarding her biography publications and more <http://www.franceswaksler.com>

Mayor Victor H. Schiro Edward F. Haas, 2014-07-17 During the turbulent 1960s the city of New Orleans experienced unprecedented economic growth racial tensions and desegregation political realignment and natural disaster Presiding over this period of sweeping change was Mayor Victor H Schiro 1904 1992 an unassuming moderate Democrat who sought the best for his city and adhered strictly to the rule of law in a region where laissez faire was standard practice and hardened defiance was a social norm Schiro sought fairness for all and navigated a gauntlet of conflicting pressures African Americans sought their civil rights and whites resisted the new racial environment Despite vigorous opposition and an unfriendly press Schiro won election twice Under his direction the city experienced numerous municipal reforms the inclusion of African Americans in executive positions and the broad extension of city services The mayor a businessman recruited new corporations for his city heralded the development of New Orleans East and brought major professional sports to the Crescent City He also initiated the plans for the construction of the Superdome At the height of this activity Hurricane Betsy devastated New Orleans In response Schiro coordinated with the federal government to initiate rescue and recovery at a rapid pace In the aftermath he lobbied Congress for relief funds that set the precedent for

National Federal flood insurance **Under a Black Star** Amari Johnson, 2025-06-24 Uncovering the spirit of freedom and self determination in New Orleans In *Under a Black Star* Amari Johnson explores what he defines as the maroon impulse among the BlackStar Community in the Algiers neighborhood of New Orleans This community sought autonomy for Black people facing systemic marginalization through denied employment insufficient education and a housing crisis following Hurricane Katrina establishing initiatives such as Kamali Academy a homeschool collective and BlackStar Books and Caff a bookstore and gathering place Instead of appealing to the city they built the community they desired by employing legacies of marronage disengagement flight and reengagement An active participant in the physical and ideological development of these autonomous spaces Johnson provides nuanced insights into the community's work toward liberation and self determination Demonstrating that marronage is a cultural tradition throughout the African Diaspora he focuses on the transtemporal maroon process to show how it is central to the pursuit of autonomy community and freedom From the swamps of southeastern Louisiana across urban obstacles and into BlackStar's creative spaces Johnson's path leads him to ask How did the New Orleans community mobilize the tradition of marronage to create autonomous spaces amid gentrification What forms might the maroon impulse take in the twenty first century This dynamic ethnographic memoir ultimately illuminates marronage as a potent form of liberatory potential offering strategies for similar communities across the country and around the world **Louisiana** Bennett H. Wall, John C. Rodrigue, 2013-11-19 Covering the lively even raucous history of Louisiana from before First Contact through the Elections of 2012 this sixth edition of the classic Louisiana history survey provides an engaging and comprehensive narrative of what is arguably America's most colorful state Since the appearance of the first edition of this classic text in 1984 *Louisiana A History* has remained the best loved and most highly regarded college level survey of Louisiana on the market Compiled by some of the foremost experts in the field of Louisiana history who combine their own research with recent historical discoveries Includes complete coverage of the most recent events in political and environmental history including the continued aftermath of Katrina and the 2010 BP oil spill Considers the interrelationship between Louisiana history and that of the American South and the nation as a whole Written in an engaging and accessible style complemented by more than a hundred photographs and maps **The Ballad of Robert Charles** K. Stephen Prince, 2021-02-10 For a brief moment in the summer of 1900 Robert Charles was arguably the most infamous black man in the United States After an altercation with police on a New Orleans street Charles killed two police officers and fled During a manhunt that extended for days violent white mobs roamed the city assaulting African Americans and killing at least half a dozen When authorities located Charles he held off a crowd of thousands for hours before being shot to death The notorious episode was reported nationwide years later fabled jazz pianist Jelly Roll Morton recalled memorializing Charles in song Yet today Charles is almost entirely invisible in the traditional historical record So who was Robert Charles really An outlaw A black freedom fighter And how can we reconstruct his story In this fascinating work K

Stephen Prince sheds fresh light on both the history of the Robert Charles riots and the practice of history writing itself. He reveals evidence of intentional erasures both in the ways the riot and its aftermath were chronicled and in the ways stories were silenced or purposefully obscured. But Prince also excavates long hidden facts from the narratives passed down by white and black New Orleanians over more than a century. In so doing, he probes the possibilities and limitations of the historical imagination.

The Lampshade Mark Jacobson, 2010-09-14 Few growing up in the aftermath of World War II will ever forget the horrifying reports that Nazi concentration camp doctors had removed the skin of prisoners to make common everyday lampshades. In *The Lampshade*, bestselling journalist Mark Jacobson tells the story of how he came into possession of one of these awful objects and of his search to establish the origin and larger meaning of what can only be described as an icon of terror. Jacobson's mind-bending historical, moral, and philosophical journey into the recent past and his own soul begins in Hurricane Katrina-ravaged New Orleans. It is only months after the storm with America's most romantic city still in tatters when Skip Henderson, an old friend of Jacobson's, purchases an item at a rummage sale: a very strange-looking and oddly textured lampshade. When he asks what it's made of, the seller, a man covered with jailhouse tattoos, replies, "That's made from the skin of Jews." The price: \$35. A few days later, Henderson sends the lampshade to Jacobson, saying, "You're the journalist; you find out what it is." The lampshade couldn't possibly be real, could it? But DNA analysis proves it. This revelation sends Jacobson halfway around the world to Yad Vashem in Jerusalem and to the Buchenwald concentration camp in Germany, where the lampshades were supposedly made on the order of the infamous "Bitch of Buchenwald," Ilse Koch. From the time he grew up in Queens, New York, in the 1950s, Jacobson has heard stories about the human skin lampshade and knew it to be the ultimate symbol of Nazi cruelty. Now he has one of these things in his house with a DNA report to prove it, and almost everything he finds out about it is contradictory, mysterious, shot through with legend and specious information. Through interviews with forensic experts, famous Holocaust scholars and deniers, Buchenwald survivors and liberators, and New Orleans thieves and cops, Jacobson gradually comes to see the lampshade as a ghostly illuminator of his own existential status as a Jew and to understand exactly what that means in the context of human responsibility. One question looms as his search goes on: what to do with the lampshade, this unsettling thing that used to be someone. It is a difficult dilemma to be sure, but far from the last one, since once a lampshade of human skin enters your life, it is very, very hard to forget.

Nightmare in Wichita Robert Beattie, 2005-03-21 Lawyer Robert Beattie assisted the police during the thirty-year search for the BTK Strangler and was instrumental in the long-awaited arrest of a suspect. Here he shares his inside knowledge of the case from its terrifying beginnings to its most up-to-date developments. In 1974, a killer embarked on a murder spree in Wichita, Kansas, counting among his victims men, women, and children. Longing to join the ranks of the Hillside Stranglers and Black Dahlia killer, the elusive sex murderer taunted authorities and the media with clues, puzzles, and obscene letters. Then in 1979, he vanished. The killings appeared to have stopped, and one of the longest and most baffling manhunts in the annals of crime

came to a dead end But in 2004 a letter and a grisly clue arrived at a Wichita paper And with it a terrifying implication BTK was back The biggest shock of all came when they made their arrest Now from his unique vantage point Robert Beattie tells the complete story of one of the most intriguing and horrifying serial murder cases in American history **The Age of Lone Wolf Terrorism** Mark S. Hamm, Ramón Spaaij, 2017-05-09 The lethality of lone wolf terrorism has reached an all time high in the United States Isolated individuals using firearms with high capacity magazines are committing brutally efficient killings with the aim of terrorizing others yet there is little consensus on what connects these crimes and the motivations behind them In *The Age of Lone Wolf Terrorism* terrorism experts Mark S Hamm and Ram n Spaaij combine criminological theory with empirical and ethnographic research to map the pathways of lone wolf radicalization helping with the identification of suspected behaviors and recognizing patterns of indoctrination Reviewing comprehensive data on these actors including more than two hundred terrorist incidents Hamm and Spaaij find that a combination of personal and political grievances lead lone wolves to befriend online sympathizers whether jihadists white supremacists or other antigovernment extremists and then announce their intent to commit terror when triggered Hamm and Spaaij carefully distinguish between lone wolves and individuals radicalized within a group dynamic This important difference is what makes this book such a significant manual for professionals seeking richer insight into the transformation of alienated individuals into armed warriors Hamm and Spaaij conclude with an analysis of recent FBI sting operations designed to prevent lone wolf terrorism in the United States describing who gets targeted strategies for luring suspects and the ethics of arresting and prosecuting citizens
