

SOME OF THE TERRIBLE TRUTHS ABOUT LAWYERS

- A law school graduate is like a rookie who has studied everything about the science of hitting but has never swung a bat
 - Lawyers don't just feed a need, they breed a need
 - In a world where time is money, lawyers are masters at stalling
 - When you pass matters on to an attorney, you're not just delegating authority, you're surrendering it
 - Professional courtesy is a system whereby lawyers make life easier for themselves and for each other, generally at the expense of their clients
 - If your lawyer is obnoxious, you're obnoxious by association
 - The longer a case goes on, the less it is worth, except to your lawyer
 - The notion that free advice is worth nothing does not suggest that expensive advice is necessarily worth a lot

employed outside private practice in business and government as judges and teachers and the displacement of corporate clients they serve Noting the complexity of matching ever more diverse entrants with more stratified roles he depicts the mechanism that law schools and employers have created to allocate graduates to jobs and socialize them within their new environments Abel concludes with critical reflections on possible and desirable futures for the legal profession

Equal Before the Law Tom Witosky, Marc Hansen, 2015-06-01 We ve been together in sickness and in health through the death of his mother through the adoption of our children through four

long years of this legal battle Jason Morgan told reporters of himself and his partner Chuck Swaggerty And if being together through all of that isn't love and commitment or isn't family or isn't marriage then I don't know what is Just minutes earlier on that day April 3 2009 the justices of the Iowa Supreme Court had agreed The court's decision in Varnum v Brien made Iowa only the third state in the nation to permit same sex couples to wed moderate midwestern Iowa years before such left leaning coastal states as California and New York And unlike the earlier decisions in Massachusetts and Connecticut Varnum v Brien was unanimous and unequivocal It catalyzed the unprecedented and rapid shift in law and public opinion that continues today Equal Before the Law tells the stories behind this critical battle in the fight for marriage equality and traces the decision's impact The struggle began in 1998 with the easy passage of Iowa's Defense of Marriage Act and took a turn surprising to many in 2005 when six ordinary Iowa couples signed on to Lambda Legal's suit against the law Their triumph in 2009 sparked a conservative backlash against the supreme court justices three of whom faced tough retention elections that fall Longtime award winning reporters Tom Witosky and Marc Hansen talked with and researched dozens of key figures including opponent Bob Vander Plaats proponents Janelle Rettig and Sharon Malheiro attorneys Roger Kuhle Dennis Johnson and Camilla Taylor and politicians Matt McCoy Mary Lundby and Tom Vilsack who had to weigh their careers against their convictions Justice Mark Cady who wrote the decision explains why the court had to rule in favor of the plaintiffs At the center of the story are the six couples who sacrificed their privacy to demand public respect for their families Through these voices Witosky and Hansen show that no one should have been surprised by the 2009 decision Iowans have a long history of leadership on civil rights Just a year after Iowa became a state its citizens adopted as their motto the phrase Our liberties we prize and our rights we will maintain And they still do today Faith Working Through Love Tyler Robbins, 2025-01-17 The message of Galatians is that life in God's family is about faith working through love nothing else matters If believers trust in anything but Jesus and his message to declare them righteous in God's sight then they have missed the boat Paul wrote this letter to a group of churches that were confused and misled by false teachers with bad motives people who accepted a dash or two of Jesus but also wanted to bring their resumes to God Things aren't so different today But Galatians can be confusing So many people have so many different opinions about it How did one become a believer under the Old Covenant Is it different now that Jesus has come What are the works of the law that Paul writes so much about and what do they have to do with salvation Was a believer's motivation for serving God different in King David's day than it is since Jesus came This commentary by a bi vocational pastor will help Christians understand the letter to the Galatians It explains the apostle's timeless message in everyday language for ordinary people so they can love God more and serve him in love
