destructive forces the world has witnessed to date Until now no one has explained why the mother child relationship is central to understanding Islamic suicide terrorism The Banality of Suicide Terrorism exposes the very ordinariness of one of the deepest yet most poorly understood causes of the suicide bomber s motivation a profound terror of abandonment that is rooted in the mother child relationship According to Kobrin this terror is so great in the would be suicide terrorist that he or she must commit suicide and mass murder in the process in order to fend off that terror of dependency and abandonment Suicide terrorists seek a return to the bond with the mother of early childhood known as maternal fusion by means of a death fusion with their enemies who subconsciously represent the loved and hated maternal figure The terrorist s political struggle merely serves as cover for this emotionally terrifying inner turmoil which can lead down the path of ultimate destruction
