Test Best For Test Prep A:

The Best Test Preparation for Cbest Charles W Funkhouser, Mary Frances Andis, Kathryn Bannister, 1997-04-01 Many of REA's acclaimed Test Prep books are also available with our powerful interactive test preparation software called TESTware. Each TESTware package includes one of REA's comprehensive Test Prep books plus timed full length computerized tests that simulate the actual exams. By controlling the order of questions and enforcing time constraints, REA's TESTware makes test preparation more like the actual exams than ever. REA's TESTware automatically scores the user's performance, creates a detailed score report, and suggests areas for further study. When compared with other test prep book and software packages, REA's TESTware offers a number of significant advantages. Each book is accompanied by both Windows and Macintosh software. A quick on screen tutorial gets the user started right away. On screen text is superior in quality. Graphics and mathematical symbols are sharp and clear, and reading passages are easy to read and scroll. Pause button allows students to use study time efficiently. Students can suspend tests and resume at any time. TESTware displays a list of questions featuring their answered or unanswered status and allows students to mark questions for later review. TESTware has the ability to display multiple windows simultaneously, allowing students to view a list of questions, exam directions, questions, and explanations while testing. Unlimited toll free customer and technical support via phone, fax, Internet, or America Online. In sum, REA's TESTware is extremely user friendly, easy to install, easy to learn, easy to use, and exceptionally helpful.

The Best Test Preparation for the U.S. Postal Exams Max Fogiel, Research and Education Association, 1999-02-03 This thorough test preparation book contains six complete practice exams and review material for all test areas, including everything you need to score 95-100%. It is also the only test prep book with two CDs for the audio section of the exam. Information on how to apply for a career with the postal service, as well as descriptions of the types of careers that are available with the Postal Service, are included. Strategies for improving your address checking skills, your memory for addresses, and your ability to decipher number series are covered in detail. This book is a must for anyone who desires a career with the United States Postal Service.
