Psychodiagnostics - A Diagnostic Test Based on Perception Hermann Rorschach, 2011-10-21 The widespread and growing interest in the Rorschach test among English speaking workers has made apparent the need for a more easily available source of information concerning Rorschach's original and basic work than the German Editions supply This English Translation is presented in the hope of filling that need We are aware that this need has been met sporadically by various unauthorized translations but these have been available to but few of those interested in the test None of these translations was at hand during the preparation of the translation presented here The task of translating Rorschach's German is doubly difficult One wishes to present his ideas adequately and at the same time preserve as much as possible of the personality of Rorschach as it is revealed in his choice of words *Introducción al estudio de los test de manchas* Miguel Angel Mirótti, 2001 **Manuel Du Test de Rorschach** Jacqueline Debroux Richelle (Pierre) De Noose, Lisa Malempre, Marc), 2017

Scoring the Rorschach Robert F. Bornstein, Joseph M.
