Tewkesbury Abbey:

A new handbook & guide to Tewkesbury abbey church Tewkesbury abbey,1878 **The Romanesque Abbey of St Peter at Gloucester** Carolyn Heighway,Richard Bryant,2019-12-27 This book was inspired by the records made by Carolyn Heighway during the thirty years when she was archaeological consultant at Gloucester Cathedral The survival of so much of the abbey of 1089 is remarkable and often not appreciated by the casual visitor since it is ingeniously overlaid by Gothic alterations Since 2000 surveys have been produced which enable accurate plans and elevations to be made which clarify the late 11th and early 12th century appearance of the building deductions have also been made from archaeological observations Since there are almost no documents for the abbey before the 15th century which relate to construction matters the building itself is primary evidence and archaeology is an important element The book is lavishly illustrated with photographs plans and measured drawings including accurate reconstructions comparative scale plans of Worcester and Tewkesbury are also included The late 11th 12th century church is described in detail along with the surviving claustral buildings There is a chapter on polychromy and on the surviving 11th 12th century sculpture and a full bibliography The whole is set in context by Malcolm Thurlby who comments on the wider sources and associations The Bibliographer's Manual of Gloucestershire Literature: The county generally. Forest of Dean. City of Gloucester Francis Adams Hyett,William Bazeley,1895 A New Handbook & Guide to Tewkesbury Abbey Church: with a ... History and Description of the Church ... and an Account of the Restoration of the Abbey. and are among the greatest glories surviving from medieval England *The Castles and Abbeys of England ... Illustrated by ... Engravings. Abbeys Montague Rhodes James, Alexander Hamilton Thompson, 1926 **Heraldry, Pageantry and Social Display in Medieval England** Peter R. Coss, Maurice Keen, 2003 Discussion of display through a range of artefacts and in a variety of contexts family and lineage social distinction and aspiration ceremony and social bonding and the expression of power and authority Medieval culture was intensely visual Although this has long been recognised by art historians and by enthusiasts for particular media there has been little attempt to study social display as a subject in its own right And yet display takes us directly into the values aspirations and indeed anxieties of past societies In this illustrated volume a group of experts address a series of interrelated themes around the issue of display and do so in a way which avoids jargon and overly technical language Among the themes are family and lineage social distinction and aspiration ceremony and social bonding and the expression of power and authority The media include monumental effigies brasses stained glass rolls of arms manuscripts jewels plate seals and coins Contributors MAURICE KEEN DAVID CROUCH PETER COSS CAROLINE SHENTON ADRIAN AILES FR D RIQUE LACHAUD MARIAN CAMPBELL BRIAN and MOIRA GITTOS NIGEL SAUL FIONN PILBROW CAROLINE BARRON and JOHN WATTS *Anne Neville* Rebecca Batley, 2024-09-30 Anne Neville often seen as a victim depicted by Shakespeare was a powerful and influential figure in medieval England Daughter Wife Princess Widow and Queen Anne Neville had many faces Shakespeare presents her to us as a woman consumed with rage bitterness and grief He has her cursing the killer of her husband and father before marrying him and condemning herself to despair She rages screams and weeps but ultimately she is shown as nothing more than a passive victim of the men who used and exploited her This could not be further from the truth Born into one of the most powerful dynasties in medieval England Anne knew her worth and her power She was a great survivor escaping the tide of blood that consumed England not just alive but emerging with a crown on her head Tragedy would untimely engulf her the death of her son ended all her hopes for a lasting legacy and her premature death was subject to rumour and speculation But there is undoubtedly more to Anne than her marriage and her end She is fascinating elusive a powerbroker and very much her father's daughter This is Anne's story
