Shape of the Great Pyramid Roger Herz-Fischler, 2009-10-21 Who has not seen a picture of the Great Pyramid of Egypt massive in size but deceptively simple in shape and not wondered how that shape was determined Starting in the late eighteenth century eleven main theories were proposed to explain the shape of the Great Pyramid Even though some of these theories are well known there has never been a detailed examination of their origins and dissemination Twenty years of research using original and difficult to obtain source material has allowed Roger Herz Fischler to piece together the intriguing story of these theories Archaeological evidence and ancient Egyptian mathematical texts are discussed in order to place the theories in their proper historical context The theories themselves are examined not as abstract mathematical discourses but as writings by individual authors both well known and obscure who were influenced by the intellectual and social climate of their time Among results discussed are the close links of some of the pyramid theories with other theories such as the theory of evolution as well as the relationship between the pyramid theories and the struggle against the introduction of the metric system Of special note is the chapter examining how some theories spread whereas others were rejected This book has been written to be accessible to a wide audience yet four appendixes detailed endnotes and an exhaustive bibliography provide specialists with the references expected in a scholarly work Cowboys and Babies Bundle Cathy Gillen Thacker, Tina Leonard, Cathy McDavid, 2014-08-12 For the first time in one volume six beloved western romance stories from USA Today bestselling author Tina Leonard Cathy Gillen Thacker and Cathy McDavid More Than Expected by Tina Leonard The Cowboy s Triplets Pete Callahan never considered himself the marrying kind And that s just fine with Jackie Samuels a nurse who is perfectly happy with their Saturday night arrangement until she finds out she s having triplets The Cowboy s Bonus Baby No woman s going to hog tie Creed Callahan into getting hitched Even if it means losing his claim on the family ranch Then sweet temptation comes knocking in the form of Aberdeen Donovan A FAMILY MAN BY CATHY GILLEN THACKER Mommy For Hire Grady McCabe is in the market for a wife in name only Alexis Graham s job is to find him the ideal candidate But only one woman seems to fit his conditions and that s Alexis She s not available but that doesn t stop him from popping the question A Baby For Mommy With a career and three kids single father Dan Kingsland needs some help Hiring a chef is the perfect solution until Dan noticed Emily Stayton s baby bump His kids need a mom as much as her baby needs a dad so can Dan come up with a compromise SUDDENLY A FATHER BY CATHY MCDAVID COWBOY DAD Aaron Reyes wasn t expecting Bear Creek to roll out the welcome mat for him And he certainly didn t intend to fall for single mother Natalie Forrester He d planned to skip town but how can he leave with Natalie making him feel this is where he belongs WAITING FOR BABY Lilly Russo is thrilled and terrified to be pregnant even if it happened because of a brief affair with rancher Jake Tucker But there are complications especially now that he s proposing to turn their temporary arrangement into a permanent one **LaTeX** , **Tex's Revenge** Loki Renard, 2014-02-19 Zora Matthews has been through a lot Kidnapped by the military forced to fight terrorists and now abandoned by the firm handed CO she d come to

love Tex's Revenge Book Two of Military Discipline series finds our inimitable heroine drunk and all but destitute in the little town of Iron Horse where she figures she'll eventually die of boredom. If she weren't quite so busy drowning her sorrows she might have realized that all is not as quiet as it seems. There are still plenty of dangerous people looking for her on both sides of the law. When a handsome stranger shows up in town asking all sorts of questions Zora is immediately on the defensive. Unfortunately it's a fairly sloppy defensive and before long she is once again in the clutches of an overbearingly dominant man who wants something from her. Caught by Tex and pursued by Savage it isn't long before Zora doesn't know which way is up. As events play out she finds herself in more hot bottomed trouble as she tries to save the man she loves in a world where lies are as common as desert dust and everybody has an agenda. This action packed spanking romance has a little bit of everything: intrigue, drama, suspense, and more than one well deserved bottom warming.

More Than a Game Phil Jackson, Charley Rosen, 2011-01-04. More than a Game covers the years that follow the one featured in the ESPN documentary series The Last Dance. After leaving the Bulls at the end of the 1997-1998 season, the year featured in the new ESPN documentary series The Last Dance, Phil Jackson had one year off and started to write this book together with his old friend, fellow player and coach, the basketball novelist Charley Rosen. Then Phil took the LA Lakers coaching job. Rosen followed him there and by the time they finished writing this book it was 2000 and Phil had won yet another NBA championship, the first of five he would win with his new team. In More than a Game, Jackson and Rosen look backward to their origins as players and coaches, forward to the future of the game of basketball, and linger in the moving target of the present, lavishing page after page on the Triangle Offense and all the ways it reveals the essence of the game of basketball; they both love so much. This is Jackson in his prime, transitioning from the Bulls to the Lakers, a master of the art of winning who would go on to claim more NBA championships (eleven) than any other coach in NBA history. As he writes in More than a Game of his newest championship team: "We won because our fundamentals were sound, because Shaq was so dominant and Kobe was so creative, but we also won because we developed a certain confidence in our ability to win."
