

Texas Gulag

David Baud

Texas Gulag:

Texas Gulag Gary Brown, 2002-02-22 For fifty years prison inmates in Texas were leased out to railroads coal mines farm plantations and sawmill crews with terrible incidences of brutality cruelty injury and death to the prisoners It was a period in which the state prison system was shrouded in secrecy Former prisoners had only one option available to try to inform the public about the brutality and corruption They could write their personal memoirs And an amazing number of them did dating back to the 1870s Herein are some of their stories

Go Down Together Jeff Guinn, 2012-12-25 From the moment they first cut a swathe of crime across 1930s America Clyde Barrow and Bonnie Parker have been glamorised in print on screen and in legend The reality of their brief and catastrophic lives is very different and far more fascinating Combining exhaustive research with surprising newly discovered material author Jeff Guinn tells the real story of two youngsters from a filthy Dallas slum who fell in love and then willingly traded their lives for a brief interlude of excitement and more important fame Thanks in great part to surviving relatives of Clyde Barrow and Bonnie Parker who provided Guinn with access to never before published family documents and photographs this book reveals the truth behind the myth told with cinematic sweep and unprecedented insight by a master storyteller

Haunted Austin Jeanine Plumer, 2010-09-01 Discover the spirits and ghosts that have been keeping Austin weird for centuries in this guidebook to the city s supernatural residents A killer lurks in the dark streets victimizing servant girls throughout 1885 and Austin becomes the first American city to claim a serial killer The spirits of convicts wander amidst the manicured grounds of the Texas State Capitol while inside a public servant assassinated in 1903 still haunts its corridors These are just a few of the strange and frightening tales of Haunted Austin Within these pages lies evidence that the frontier bravado legendary in so many Texas men and women lives on long after death Author Jeanine Plumer explores the sinister history of the city and attempts to answer the question Why do so many ghosts linger in Austin

Murder in Montague Glen Sample Ely, 2020-08-27 On a sweltering August night in 1876 Methodist minister William England his wife Selena and two of her children were brutally slaughtered in their North Texas home Acting on Selena s deathbed testimony a neighbor his brother in law and a friend were arrested and tried for the murders Murder in Montague tells the story of this gruesome crime and its murky aftermath In this engrossing blend of true crime reporting social drama and legal history author Glen Sample Ely presents a vivid snapshot of frontier justice and retribution in Texas following the Civil War The sheer brutality of the Montague murders terrified settlers already traumatized by decades of chaos violence and fear from the deadly raids of Comanche and Kiowa Indians to the terrors of vigilantes lynchings and Reconstruction lawlessness But the crime s aftermath involving five Texas governors five trials at Montague and Gainesville five appeals to the Texas Court of Appeals and three life sentences at hard labor in the state s abominable and inhumane prison system offered little in the way of reassurance or resolution Viewed from any perspective the 1876 England family murders were both a human tragedy and a miscarriage of justice Combining the long view of history and the intimate detail

of true crime reporting Murder in Montague deftly captures this moment of reckoning in the story of Texas as vigilante justice grudgingly gave way to an established system of law and order *Gulag Town, Company Town* Alan Barenberg, 2014-08-26 The notorious Soviet Gulag gets a radical reinterpretation in this remarkable work of cutting edge history By examining the history of Vorkuta an Arctic coal mining outpost established in the 1930s as a prison camp complex Alan Barenberg's insightful study tests the idea that the Gulag was an archipelago separated from Soviet society at large Cover **American Gulag** Mark Dow, 2004-06-14 The freelance writer and poet takes an unprecedented look inside the secret and repressive world of U S immigration prisons *The Punitive Turn* Deborah E. McDowell, Claudrena N. Harold, Juan Battle, 2013-11-15 The Punitive Turn explores the historical political economic and sociocultural roots of mass incarceration as well as its collateral costs and consequences Giving significant attention to the exacting toll that incarceration takes on inmates their families their communities and society at large the volume's contributors investigate the causes of the unbridled expansion of incarceration in the United States Experts from multiple scholarly disciplines offer fresh research on race and inequality in the criminal justice system and the effects of mass incarceration on minority groups economic situation and political inclusion In addition practitioners and activists from the Sentencing Project the Virginia Organizing Project and the Restorative Community Foundation among others discuss race and imprisonment from the perspective of those working directly in the field Employing a multidisciplinary approach the essays included in the volume provide an unprecedented range of perspectives on the growth and racial dimensions of incarceration in the United States and generate critical questions not simply about the penal system but also about the inner workings failings and future of American democracy Contributors Ethan Blue University of Western Australia Mary Ellen Curtin American University Harold Folley Virginia Organizing Project Eddie Harris Children Youth and Family Services Anna R Haskins University of Wisconsin Madison Cheryl D Hicks University of North Carolina at Charlotte Charles E Lewis Jr Congressional Research Institute for Social Work and Policy Marc Mauer The Sentencing Project Anoop Mirpuri Portland State University Christopher Muller Harvard University Marlon B Ross University of Virginia Jim Shea Community Organizer Jonathan Simon University of California Berkeley Heather Ann Thompson Temple University Debbie Walker The Female Perspective Christopher Wildeman Yale University Interviews by Jared Brown University of Virginia Tshepo Morongwa Ch ry University of Texas Austin **Our Punitive Society** Randall G. Sheldon, Morghan Vélez Young, 2020-12-10 This reader friendly exploration of the primary forces relevant to punishment poverty and political powerlessness highlights the necessity for humane alternatives to our current incarceration binge This provocative overview looks at the business of punishment and at the historical patterns of control regarding slavery the death penalty women the LGBTQ community juveniles and supervision The United States has the world's highest rate of incarceration a form of punishment that separates the least privileged from the rest of society creating populations of damaged lives All of society pays the price for overly punitive sanctions Equal justice is not possible

in an unequal society Up to date statistics illustrate the race class and gender inequalities in the criminal justice system The criminal justice system has expanded for half a century Will challenges to policing succeed in narrowing the net of social control Will the cost of maintaining a massive system stimulate a transformation or will stakeholders support minimal reforms that do not threaten their interests The public is largely unaware of most of the workings of the criminal justice system Through this engaging text the authors hope to provide insights that encourage readers to examine the collateral effects of policies to address crime and the role of punishment

The Civil War Era and Reconstruction Mary Ellen Snodgrass, 2015-03-26 The encyclopedia takes a broad multidisciplinary approach to the history of the period It includes general and specific entries on politics and business labor industry agriculture education and youth law and legislative affairs literature music the performing and visual arts health and medicine science and technology exploration life on the Western frontier family life slave life Native American life women and more than a hundred influential individuals

Convict Cowboys Mitchel P. Roth, 2016-08-15 Convict Cowboys is the first book on the nation's first prison rodeo which ran from 1931 to 1986 At its apogee the Texas Prison Rodeo drew 30 000 spectators on October Sundays Mitchel P Roth portrays the Texas Prison Rodeo against a backdrop of Texas history covering the history of rodeo the prison system and convict leasing as well as important figures in Texas penology including Marshall Lee Simmons O B Ellis and George J Beto and the changing prison demimonde Over the years the rodeo arena not only boasted death defying entertainment that would make professional cowboys think twice but featured a virtual who's who of American popular culture Readers will be treated to stories about numerous American and Texas folk heroes including Western film stars ranging from Tom Mix to John Wayne and music legends such as Johnny Cash and Willie Nelson Through extensive archival research Roth introduces readers to the convict cowboys in both the rodeo arena and behind prison walls giving voice to a legion of previously forgotten inmate cowboys who risked life and limb for a few dollars and the applause of free world crowds

The Trials of Eroy Brown Michael Berryhill, 2011-10-15 Berryhill's account of this infamous 30 year old murder case Provides a jarring portrait of a once medieval state prison Publishers Weekly In April 1981 two white Texas prison officials died at the hands of a black inmate at the Ellis prison farm near Huntsville Warden Wallace Pack and farm manager Billy Moore were the highest ranking Texas prison officials ever to die in the line of duty The warden was drowned face down in a ditch The farm manager was shot once in the head with the warden's gun The man who admitted to killing them a burglar and robber named Eroy Brown surrendered meekly claiming self defense In any other era of Texas prison history Brown's fate would have seemed certain execution But in 1980 federal judge William Wayne Justice had issued a sweeping civil rights ruling in which he found that prison officials had systematically and often brutally violated the rights of Texas inmates In the light of that landmark prison civil rights case *Ruiz v Estelle* Brown had a chance of being believed *The Trials of Eroy Brown* the first book devoted to Brown's astonishing defense is based on trial documents exhibits and journalistic accounts of Brown's three trials which

ended in his acquittal Michael Berryhill presents Brown's story in his own words set against the backdrop of the chilling plantation mentality of Texas prisons Brown's attorneys Craig Washington Bill Habern and Tim Sloan undertook heroic strategies to defend him even when the state refused to pay their fees The Trials of Eroy Brown tells a landmark story of prison civil rights and the collapse of Jim Crow justice in Texas

Bonnie & Clyde Paul Schneider, 2024-09-04 A nonfiction novel in the style of Capote's In Cold Blood presents the story the way it might have been from the inside Allen Barra Chicago Tribune The flesh and blood story of the outlaw lovers who robbed banks and shot their way across Depression era America based on extensive archival research declassified FBI documents and interviews Strictly nonfiction no dialogue or other material has been made up and set in the dirt poor Texas landscape that spawned the star crossed outlaws Paul Schneider's brilliantly researched and dramatically crafted tale begins with a daring jailbreak and ends with an ambush and shoot out that consigns their bullet riddled bodies to the crumpled front seat of a hopped up getaway car Bonnie Parker and Clyde Barrow's relationship was at the core a toxic combination of infatuation blended with an instinct for going too far too fast The poetry writing petite Bonnie and her gun crazy lover drove lawmen wild Despite their best efforts the duo kept up their exploits slipping the noose every single damned time That is until the weight of their infamy in four states caught up with them in the famous ambush that literally blasted away their years of live action rampage in seconds Without glamorizing the killers or vilifying the cops the book alive with action and high level entertainment provides a complete picture of America's most famous outlaw couple and the culture that created them When David Newman and I were writing the screen play for Bonnie and Clyde we did an enormous amount of research but not nearly as much as Paul Schneider a splendid biography of two iconic American gangsters Robert Benton American screenwriter and film director

Red Sky Morning Joe Pappalardo, 2022-06-28 The explosive and bloody true history of Texas Rangers Company F made up of hard men who risked their lives to bring justice to a lawless frontier Between 1886 and 1888 Sergeant James Brooks of Texas Ranger Company F was engaged in three fatal gunfights endured disfiguring bullet wounds engaged in countless manhunts was convicted of second degree murder and rattled Washington D C with a request for a pardon from the US president His story anchors the tale of Joe Pappalardo's Red Sky Morning an epic saga of lawmen and criminals set in Texas during the waning years of the Old West Alongside Brooks were the Rangers of Company F who ranged from a pious teetotaler to a cowboy fleeing retribution for killing a man They were all led by Captain William Scott who cut his teeth as a freelance undercover informant but was facing the end of his Ranger career Company F hunted criminals across Texas and beyond killing them as needed and were confident they could bring anyone to Ranger justice But Brooks men met their match in the Conner family East Texas master hunters and jailbreakers who were wanted for their part in a bloody family feud The full story of Company F's showdown with the Conner family is finally being told with long dead voices heard for the first time This truly hidden history paints the grim picture of neighbors and relatives becoming snitches and bounty hunters and a company of Texas Rangers

who waded into the conflict only to find themselves in over their heads and in the fight of their lives

Reading Southern Poverty Between the Wars, 1918-1939 Richard Godden, Martin Crawford, 2006 Franklin D Roosevelt once described the South as the nation's number one economic problem These twelve original interdisciplinary essays on southern indigence between the World Wars share a conviction that poverty is not just a dilemma of the marketplace but also a cultural and political construction Although previous studies have examined the web of coercive social relations in which sharecroppers wage laborers and other poor southerners were held in place this volume opens up a new perspective These essays show that professed forces of change and modernization in the South writers photographers activists social scientists and policymakers often subtly upheld the structures by which southern labor was being exploited Planters politicians and others who enforced the southern economic and social status quo not only relied on bigotry but also manipulated deeply held American beliefs about sturdy yeoman nobility and the sanctity of farm and family Conversely any threats to the system were tarred with the imagery of big cities northerners and organized labor The essays expose vestiges of these beliefs in sources as varied as photographs from the Farm Security Administration statistics for incarceration and child labor and the writings of Grace Lumpkin Ellen Glasgow and Erskine Caldwell This volume shows that those who work to eradicate poverty and even victims of poverty themselves can hesitate to cross the line of race gender memory or tradition in pursuit of their goal

A Military History of Texas Loyd Uglow, 2022-03-15 In its essence Texas history is military history Comprehensive in scope A Military History of Texas provides the first single volume military history of Texas from pre Columbian clashes between Native American tribes to the establishment of the United States Space Force as the newest branch of the nation's military in the twenty first century Rather than creating new theories of what happened author Loyd Uglow synthesizes competing views of Texas's military past into a narrative that deals evenhandedly with different interpretations and recognizes that there is a measure of truth in each one even while emphasizing those that seem most plausible Uglow ties the various engrossing aspects of Texas military history into one unified experience Chapters cover topics of warfare in Texas before the Europeans Spanish military activities revolutions against Spain and then Mexico Texas and Texans in the Mexican War ante and post bellum warfare on the Texas frontier the Civil War in Texas the Texas Rangers border warfare during the Mexican revolution of 1910 1920 Texas and the world wars and the modern military in Texas Brief explanations of military terminology and practice as well as parallels between Texas military actions and ones in other times and places connect the narrative to the broader context of world military history Thoroughly documented with an engaging narrative and perceptive analysis A Military History of Texas is designed to be accessible and interesting to a broad range of readers It will find a welcome place in the collections of amateur or professional military historians devoted fans of all things Texan and newcomers to military history

Tall Walls and High Fences Bob Alexander, Richard K. Alvord, 2020-10-15 Texas has one of the world's largest prison systems in operation for more than 170 years and currently employing more than 28 000 people Hundreds of

thousands of people have been involved in the prison business in Texas inmates correctional officers public officials private industry representatives and volunteers have all entered the secure facilities and experienced a different world Previous books on Texas prisons have focused either on records and data of the prisons personal memoirs by both inmates and correctional officers or accounts of prison breaks Tall Walls and High Fences is the first comprehensive history of Texas prisons written by a former law enforcement officer and an officer of the Texas prisons Bob Alexander and Richard K Alford chronicle the significant events and transformation of the Texas prison system from its earliest times to the present day paying special attention to the human side of the story Incarceration policy evolved from isolation to hard labor to rodeo and educational opportunities with reform measures becoming an ever evolving quest The complex job of the correctional officer has evolved as well they must ensure custody and control over the inmate population at all times in order to provide a proper environment conducive to safety and positive change Alexander and Alford focus especially on the men and women who work with diligence and dedication at their jobs inside the walls risking their lives and in too many instances giving their lives in a peculiar line of duty most would find unpalatable Within these pages are stories of prison breaks bloodhounds chasing escapees and gunfights Inside the walls are deadly confrontations human trafficking rape clandestine consensual trysts and tricks turned against correctional officers Famous people and episodes in Texas prison history receive their due from Texas Rangers apprehending and placing outlaws in prison to the famed gunfighter John Wesley Hardin s time in and out of prison Tall Walls and High Fences covers numerous convict escape attempts and successes including the 1974 prison siege at Huntsville and the 2007 prisoner gunfight and escape at the Wynne Unit Throughout this long history Alexander and Alford pay special tribute to the more than 75 correctional officers lawmen and civilians who lost their lives in the line of duty

Hard Labor and Hard Time Vivien M.L. Miller,2012-06-24 Hard Labor and Hard Time is a history of continuity and change in Florida s state prison system between 1910 and 1957 exploring conditions at the state prison farm at Raiford the third largest prison farm in the South at this time as well as in the chain gangs and road prisons Vivien Miller examines the experiences of the prisoners as well as the guards and other prison personnel in this comprehensive groundbreaking study She demonstrates that despite progressive changes in the treatment of inmates better diet better structuring of work and leisure activities better medical provision and the like these improvements were matched by continued brutality and mistreatment unequal or discriminatory treatment according to race and or gender and neglect

Slouching Toward Tyranny Joseph B. Ingle,2015-04-01 As a pastor to Death Row inmates across the South and as a powerful advocate appealing to prison wardens lawyers judges and legislators Joseph Ingle has come to some shocking conclusions about the United States champion of human rights throughout the world He began to recognize another aspect to US history systematic oppression imposed by the very people who founded the country After working with death row inmates in the killing ground of the South where he had lost over twenty people to the executioner since 1979 Rev Ingle made his way to

Harvard University on a Merrill Fellowship in 1991 where he began a twenty year process of reading writing and continued work with the condemned Here he began to comprehend what he had been experiencing in the United States foremost advocate of democratic government and a champion of human rights throughout the world He found it difficult to even face the contradictions he perceived And he began to ask whether in fact we have to consider the government of our country in terms of tyranny

Jack and Norman Jerome Loving,2017-02-21 This is the story of an author and his apprentice It is the story of literary influence and tragedy It is also the story of incarceration in America Norman Mailer was writing The Executioner s Song his novel about condemned killer Gary Gilmore when he struck up a correspondence with Jack Henry Abbott Federal Prisoner 87098 132 Over time Abbott convinced the famous author that he was a talented writer who deserved another chance at freedom With letters of support from Mailer and other literary elites of the day Abbott was released on parole in 1981 With Mailer s help Abbott quickly became the literary it boy of New York City But in a shocking turn of events the day before a rave review of Abbott s book In the Belly of the Beast appeared in TheNew York Times Abbott murdered a New York City waiter and fled to Mexico Eerily like Gary Gilmore in Mailer s true life novel Abbott killed within six weeks of his release from prison Now Jerome Loving explores the history of two of the most infamous books of the past 50 years a fascinating story that has never before been told

Controlling the Dangerous Classes Randall G. Shelden,Pavel V. Vasiliev,2017-12-19 Throughout history the powerful have created laws developed agencies to enforce those laws and established institutions to punish lawbreakers Maintaining the social order to their advantage resulted in the systematic repression of disadvantaged groups the dangerous classes The third edition retains a historical approach to exploring patterns of social control and through current examples demonstrates how those strategies continue today The authors trace the roots of race class and gender bias in how laws are written interpreted and applied The management of dangerous classes is not a recent phenomenon there is a long history of keeping those who derive the least advantage from the status quo and therefore pose the greatest threat under control There was and is one system of justice for the privileged and a very different system for the less privileged The criminal justice system from the law to daily operations of the police courts and corrections generally comes down hardest on those with the least amount of power and influence and is the most lenient with those with the most power and influence The book raises critical questions What is a crime What is law Whose interests are served by the law and the criminal justice system What patterns are repeated generation after generation How does the criminal justice system relate to larger issues such as social inequality social class race and gender Contemplation of these topics contributes to informed public dialogue and careful deliberation about the present state and the future of criminal justice
