It not only captures the beginnings of the early settlement it takes the reader beyond a century and a half of growth and tracks how the community has evolved The book is unique in that it captures the history of West Dallas in conjunction with its Oak Cliff neighbor and how the two transformed together over time into what we see today The collection of historical accounts and hundreds of photos identify individuals and places of prominence finally memorialized in one anthology The narrative also takes readers through facts and stories that have been ignored or concealed revealing an authentic depiction of how the community was at times abused and neglected Readers will enjoy this introspective examination of the area south and west of the Trinity and will once and for all put together the missing pieces of the storied land that has long been misunderstood All proceeds from the sale of Oak Cliff and the Missing Pieces will go to benefit non profit organizations in Oak Cliff and West Dallas     *Truth Seeker* ,1925     **N.W.
