**The Role of Unexpected Events in Stories**

Andrea Smorti,2022-11-11 This book stems primarily from the intention to make public the seminar entitled Narratives and Cultural Psychology held by J Bruner and C Feldman in May 2000 in Florence This seminar represents the point of view of these two authors at an important moment in their scientific and human careers on two themes narratives and interpretative

communities The central concept on which this book works is the Aristotelian concept of peripeteia which born in the world of art is developed by Bruner in the field of cognitive and cultural psychology and by Feldman in the concept of interpretative community Thus the first purpose of this book is to analyze the role and usefulness of this concept in the study of the world of stories and culture The second aim of this book is to explain clarify and comment on the concept the theoretical assumptions and the key words used by the two authors while also exploring the issues addressed In this way the author wanted to reflect on what contribution this seminar offers today to the theme of narratives and cultural psychology and what the future prospects might be This book is aimed at students and scholars interested in exploring the role that stories play in human culture
