Near-Death Experience in Ancient Civilizations Gregory Shushan, 2025-02-04 Reveals the powerful influence of near death experiences NDEs on the formation of religious beliefs mystical literature and ritual practices Focuses on the afterlife beliefs of five ancient world regions Old and Middle Kingdom Egypt Sumer and Old Babylonian Mesopotamia Vedic India pre Buddhist China and Maya and Aztec Mesoamerica Shows how the similarities among afterlife beliefs and their correspondences with NDEs reveal that they both stem from universal truths Taking readers on a thought provoking journey into our ancestors beliefs about death dying and the afterlife Gregory Shushan Ph D reveals the powerful influence of near death experiences NDEs on religious beliefs and ritual practices throughout human history Focusing on five ancient world regions in Egypt Mesopotamia India China and Mesoamerica Shushan expertly explores each civilization s afterlife beliefs He explains how each of these civilizations developed independently of one another yet there is a series of similarities among afterlife beliefs too consistent and specific to be mere coincidence This leads to the profound implication that afterlife beliefs are not entirely invented by cultures they also stem from universal truths derived from NDEs Drawing on anthropology psychology and philosophy the author explores how each civilization interpreted NDEs and how afterlife beliefs develop over time He also explores the metaphysical implications of his discoveries including what an actual afterlife would look like Revealing that NDEs have occurred throughout human history Shushan shows how they continue to influence our understanding of what lies beyond death to this day

The Religions of India Roshen Dalal, 2014-04-18 A handy guide to every religion practised in India In India the birthplace of some of the world s major faiths and home to many more religion is a way of life existing as much in temples mosques churches and wayside shrines as it does in social laws cultural practices and the political arena The Religions of India contains in a single volume a comprehensive account of every major faith practised in the country today

Hinduism Islam Sikhism Christianity Buddhism Jainism Zoroastrianism Judaism and the Bahai faith This meticulously researched work traverses a vast range of topics from Somnatha Temple and Babri Masjid to Tirthankaras and the Akali Movement from the Shariat and the Eucharist to Shabuoth and nirvana It places each religion in its historical context tracing its evolution from its inception to the present Incisive profiles of founders and key patrons deities saints mystics and philosophers Information on and insights into lesser known and regional forms of worship as well as important festivals customs and rituals Extensively cross referenced with suggestions for further reading *Krishna in History, Thought, and Culture* Lavanya Vemsani, 2016-06-13 Krishna is a central figure in Hinduism a religion that has been a fundamental force for thousands of years This accessible encyclopedia covers texts practices scholarship and arts related to Krishna from the earliest known sources on As Eastern religions and related practices such as yoga become increasingly popular there is a need for resources that explain where these practices come from and what they mean This is one of those works Krishna is central to Hindu philosophy theology art architecture and literature and an understanding of Krishna will give students greater understanding of the role of Hinduism around the world Yet this isn't just a book on religion The encyclopedia also provides insights into Indian and world history and into contemporary concerns fostering respect for religious and cultural diversity Entries on a wide range of subjects related to Krishna cover India and other places where major Krishna religious centers and temples are established worldwide Articles draw from classical Indian sources dating back as far as 1300 BCE and from folk and worldwide literature including mythology from Jainism and Buddhism The book's alphabetical organization cross references in each entry that highlight related entries and further readings and topical and thematic lists will facilitate in depth research **The Upanisads** Signe Cohen, 2017-09-27 The Upanisads are among the most sacred foundational scriptures in the Hindu religion Composed from 800 BCE onwards and making up part of the larger Vedic corpus they offer the reader knowledge lessons on life death and immortality While they are essential to understanding Hinduism and Asian religions more generally their complexities make them almost impenetrable to anyone but serious scholars of Sanskrit and ancient Indian culture This book is divided into five parts Composition authorship and transmission of the Upanisads The historical cultural and religious background of the Upanisads Religion and philosophy in the Upanisads The classical Upanisads The later Upanisads The chapters cover critical issues such as the origins of the Upanisads authorship and redaction as well as exploring the broad religious and philosophical themes within the texts The guide analyzes each of the Upanisads separately unpacking their contextual relevance and explaining difficult terms and concepts The Upanisads A Complete Guide is a unique and valuable reference source for undergraduate religious studies history and philosophy students and researchers who want to learn more about these foundational sacred texts and the religious lessons in the Hindu tradition

Encyclopedia of Hinduism Denise Cush, Catherine A. Robinson, Michael York, 2012-08-21 The Encyclopedia of Hinduism contains over 900 entries reflecting recent advances in scholarship which have raised new theoretical and methodological

issues as well as identifying new areas of study which have not been addressed previously The debate over the term Hinduism in the light of post Orientalist critiques is just one example of how once standard academic frameworks have been called into question Entries range from 150 word definitions of terms and concepts to 5 000 word in depth investigations of major topics The Encyclopedia covers all aspects of Hinduism but departs from other works in including more ethnographic and contemporary material in contrast to an exclusively textual and historical approach It includes a broad range of subject matter such as historical developments among them nineteenth and twentieth century reform and revival geographical distribution especially the diaspora major and minor movements philosophies and theologies scriptures deities temples and sacred sites pilgrimages festivals rites of passage worship religious arts sculpture architecture music dance etc religious sciences e g astrology biographies of leading figures local and regional traditions caste and untouchability feminism and women s religion nationalism and the Hindu radical right and new religious movements The history of study and the role of important scholars past and present are also discussed Accessibility to all levels of reader has been a priority and no previous knowledge is assumed However the in depth larger entries and the design of the work in line with the latest scholarly advances means that the volume will be of considerable interest to specialists The whole is cross referenced and bibliographies attach to the larger entries There is a full index 2000+ MCQs with Explanatory Notes For HISTORY Disha Experts,2018-03-31 The book 2000 MCQs with Explanatory Notes For HISTORY has been divided into 4 chapters which have been further divided into 31 Topics containing 2000 Multiple Choice Questions for Quick Revision and Practice The Unique Selling Proposition of the book is the explanation to each and every question which provides additional info to the students on the subject of the questions and correct reasoning wherever required The questions have been selected on the basis of the various types of questions being asked in the various exams *Original Sanskrit Texts on the Origin and Progress of the Religion and Institutions of India* ,1872 **Original Sanskrit Texts on the Origin and History of the People of India, Their Religion and Institutions** John Muir,1884
