Ruth Wittlinger

Thatcherism And British Politics The End Of Consensus:

Thatcherism and British Politics Dennis Kavanagh, 1990 Margaret Thatcher is the only 20th century prime minister to have given her name to a style as well as a doctrine Although the final balance sheet of the successes and failures of Thatcherism is yet to be tallied this book places the government of Mrs Thatcher in the perspective of postwar British politics Here Kavanagh describes how a postwar political consensus covering full employment welfare conciliation of the trade unions a mixed economy with state intervention and social engineering was established with the support of dominant groups in the Conservative and Labour parties He then shows how that settlement broke down in the face of economic problems changes in policies and personnel in the main parties and the challenge to the intellectual bases of the consensus mounted by groups on the New Right The book concludes with an insightful analysis of the government's record and of prospects for a new consensus Mrs Thatcher has cited the breaking of the consensus as one of her primary political objectives and in this penetrating study she emerges both as the architect of the collapse of consensus and as its product Thatcherism and Literature Ruth Wittlinger, 2002 **Neoliberalisms in British Politics** Christopher Byrne, 2018-09-21 Taking a chronological approach this book challenges established economic and ideologic narratives of neoliberalism in Britain by charting the gradual diffusion of an increasingly interventionist neoliberal governmental rationality in British politics since the late 1970s and the various means by which the project has furnished itself with a hegemonic basis for its popular support Spanning five decades of British political history and drawing on rich empirical evidence to bring conceptual clarity to and chart the effects of a style of government bound up with a host of epochal changes it concludes by considering Brexit and the rise of Corbynism as the final act in the neoliberal saga It then poses the question Is British politics on the verge of a major reconstruction representing a decisive rejection of neoliberalism This book will be of key interest to scholars and students of British politics and neoliberalism liberalism and more broadly to political theory political economy and public policy

Thatcherism Martin Holmes, 1989-07-06 This book examines the pace of change and the nature of the Thatcherite revolution 1983-87 It draws on 30 interviews with ministers and officials and offers a critique of existing theories of Thatcherism The author assesses the progress of opposition to and future of policy Two Decades in British Politics Bill Jones, Lynton J. Robins, 1992 Celebrates the 21st anniversary of The Politics Association and offers a reassessment of the continuities and changes in the governments led by Wilson Heath Callaghan and Thatcher The book asks whether 1979 was a political watershed or an undistinguished step in Britain's economic decline **Thatcherism in the 21st Century** Antony Mullen, Stephen Farrall, David Jeffery, 2020-07-24 This collection examines the social and cultural legacy of Thatcherism in the 21st century Drawing upon perspectives from a range of disciplines it considers how Thatcherism manifests itself today and how we can assess its long term impact The book is divided into four sections which offer different ways of conceptualising and addressing questions of legacy the ideological impact of Thatcherism on the Conservative Party and on the country the

long term impact of Thatcherism across different parts of the UK how Thatcherism has altered social attitudes to everything from welfare spending to Europe and how popular historical accounts of Thatcherism have become embedded in different parts of contemporary British culture The essays in this volume draw upon newly available archival materials oral histories social attitudes surveys and parliamentary debates to provide a well rounded perspective on Thatcherism today *The Legacy of Thatcherism* Stephen Farrall, Colin Hay, 2014-02-27 Examining the policies of the Thatcher governments helps us understand the economic and social conditions in Britain today The book explores Thatcherite policies on the economy social welfare housing education crime families and social inequality and examines what can be said about the legacy of Thatcherism for the 21st century **State and Society Fourth Edition** Martin Pugh, 2012-04-10 State and Society is one of the most respected introductions to the social and political history of modern Britain Now in its fourth edition this book guides readers through the decline of New Labour the financial crisis and the Coalition Government as well as discussing the continuing dilemmas of national unity *Conservative Economic Policymaking and the Birth of Thatcherism, 1964-1979* Adrian Williamson, 2016-01-12 In this book Adrian Williamson investigates the processes by which Thatcherism became established in Tory thinking and questions to what extent the politician herself is responsible for Thatcherism within the Conservative Party *A History of the Peoples of the British Isles* Thomas Heyck, 2019-06-19 Volume III deals with the long twentieth century Its main themes are the contraction of British industrial power and the shift to a service based economy the decline of Victorianism and the rise of Modernism the climax of class society between the wars and the blurring of class lines after the 1960s the impact of two world wars the decline of British power and the empire the partition of Ireland the devolution of power to Wales and Scotland
