The 48th:

The Confederate Army, A Regiment: An Analysis Of The Forty-Eighth Tennessee Volunteer Infantry Regiment, 1861-1865 Major Kincaid Gerald, 2014-08-15 The performance of an army is often evaluated by its achievements as a whole or by that of its commanders or perhaps even its divisions Often lost in the equation is the small unit After the great plans are complete and the logistics preparations are accomplished it is the collective performance of the small unit that ultimately decides the battle This thesis analyses the campaigns soldiers organization equipment and performance of just one regiment the 48th Tennessee Volunteer Infantry Material concerning the 48th includes numerous primary sources the Official Records Confederate Veteran The Southern Historical Papers Southern Bivouac local histories and the CARL microfiche library of unit histories Note the 48th is not included in these unit histories Other primary references include war diaries of two officers three enlisted men and copies of the 48th s Quartermaster records This thesis concludes that while training and equipment of the 48th was sometimes poor it was effective in numerous engagements despite its relative small size The ultimate demise of the unit was due to personnel losses **The Railwayman** , 1928 *Reports of General MacArthur: Japanese operation in the southwest Pacific area, compiled from Japanese Demobilization Bureaux records* Supreme Commander for the Allied Powers, 1966 **Reports of General MacArthur: Japanese operations in the Southwest Pacific area** Douglas MacArthur, 1966 *Records & Briefs New York State Appellate Division* , **Reports of General MacArthur: pt. 1. Japanese operations in the Southwest Pacific area, compiled from Japanese Demobilization Bureaux records** Supreme Commander for the Allied Powers, 1966 *Battle Scarred* Craig Deayton, 2011-03-07 The dead and wounded of the 47th lay everywhere underfoot With these words Charles Bean Australia s Official War Historian described the battlefield of Dernancourt on the morning of the 5th of April 1918 strewn with the bodies of the Australian dead It was the final tragic chapter in the story of the 47th Australian Infantry Battalion in the First World War One of the shortest lived and most battle hardened of the 1st Australian Imperial Force s battalions the 47th was formed in Egypt in 1916 and disbanded two years later having suffered one of the highest casualty rates of any Australian unit Their story is remarkable for many reasons Dogged by command and discipline troubles and bled white by the desperate attrition battles of 1916 and 1917 they fought on against a determined and skilful enemy in battles where the fortunes of war seemed stacked against them at every turn Not only did they have the misfortune to be called into some of the A I F s most costly campaigns chance often found them in the worst places within those battles Though their story is one of almost unrelieved tragedy it is also story of remarkable courage endurance and heroism It is the story of the 1st A I F itself punished beaten sometimes reviled for their indiscipline they fought on fewer leaner and harder until final victory was won And at its end in an extraordinary gesture of mateship the remnants of the 47th Battalion reunited Having been scattered to other units after their disbandment the survivors gathered in Belgium for one last photo together Only 73 remained *The Weight of Command* J.L. Granatstein, 2016-08-01 Three

The Life and Work of General Andrew J. Goodpaster C. Richard Nelson, 2016-09-29 General Andrew J Goodpaster 1915 2005 was a brilliant military leader a scholar and most of all an exceptional presidential adviser who served under seven successive administrations A respected strategist he participated at the highest levels of government in many of the most important decisions of the second half of the twentieth century As President Eisenhower s Staff Secretary he was the de facto originator of the National Security Council process and served as a mentor and role model to his successors down to the present day He was involved in many security challenges such as establishing and sustaining NATO planning for nuclear weapons and arms control and implementing d tente He developed a collaborative method of approaching national security affairs a style that reflected a strong capacity to engage effectively the necessary people to work together to achieve the best possible outcomes In doing so he learned and taught best practices in national security that still influence decision making today This biography shows the importance of experienced soldier scholars with high integrity on national security teams and provides the first systematic mining of the documents Goodpaster wrote on national security Organized chronologically it demonstrates how Goodpaster was able to adapt best practices to a constantly changing political military economic and technological environment It also explains why he was so frequently selected as an insider in national security decision making His life and work reveal how best to approach complex national security problems and the kind of collaborative leadership needed to get the job done Still today his method confirms General Scowcroft s view that Goodpaster is too important to ignore
