The Absolute At Large:

The Absolute at Large Karel Capek,2023-01-24 The Absolute at Large Tov rna na absolutno in the original Czech literally translated as The Factory for the Absolute is a science fiction novel written by Czech author Karel apek in 1922 The first sentence opens the story on New Year s Day 1943 a future date at the time of writing and describes the fundamental transformations in society as the result of a new mystical source of virtually free energy *The Absolute at Large* Karel Capek,2018-08-07 The Absolute at Large by Karel Capek This volume contains Karel Capek s novel The Absolute at Large It is a science fiction novel that centres round the discovery of a mysterious new source of energy that utterly transforms society as we know it It was hailed by R D Mullen as one of the genuine masterpieces of Science Fiction This volume is highly recommended for fans of vintage science fiction and it constitutes a veritable must read for fans of Capek s seminal work Karel Capek was a Czech writer during the early twentieth century who famously coined the term robot in his 1920 play R U R Many vintage texts such as this are increasingly scarce and expensive and it is with this in mind that we are republishing this book now in an affordable high quality modern edition It comes complete with a specially commissioned biography of the author We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Absolute at Large* Karel ?apek,2023-01-25 The Absolute at Large Tov rna na absolutno in the original Czech literally translated as The Factory for the Absolute is a science fiction novel written by Czech author Karel apek in 1922 The first sentence opens the story on New Year s Day 1943 a future date at the time of writing and describes the fundamental transformations in society as the result of a new mystical source of virtually free energy **The Absolute at Large** Karel Capek,2025-09-18 The Absolute at Large by Karel Capek is a visionary novel that blends science fiction with sharp social satire and philosophical inquiry Set in the early 20th century the story begins when a brilliant inventor creates the Karburator a revolutionary device that can extract limitless energy from matter However the process releases not only energy but also the Absolute a mystical omnipresent force that permeates the world and inspires religious fervor and moral zealotry As the Karburator spreads across the globe society is transformed by the Absolute People become obsessed with spiritual purity forming sects and crusades while industrial and political systems collapse under the weight of newfound idealism The narrative follows a wide cast of characters from industrialists and politicians to ordinary citizens all

caught in the chaos of a world where technology religion and philosophy collide Capek uses this premise to explore themes of mass production the dangers of unchecked technological progress and the complexities of human nature The novel is both a warning about the unintended consequences of innovation and a humorous critique of human folly With its blend of speculative fiction dystopian elements and witty commentary *The Absolute at Large* stands as a classic of Czech literature and a thought provoking work for readers interested in science fiction satire and philosophical fiction

The Absolute at Large Karel Čapek, 1974 In this satirical classic a brilliant scientist invents the Karburator a reactor that can create abundant and practically free energy However the Karburator's superefficient energy production also yields a powerful by product The machine works by completely annihilating matter and in so doing releases the Absolute the spiritual essence held within all matter into the world Infected by the heady pure Absolute the world's population becomes consumed with religious and national fervor the effects of which ultimately cause a devastating global war Publisher's description

The Absolute at Large Karel Čapek, 2024-03-28T15:57:10Z The Czech writer Karel Čapek wrote his novel *Továrna na absolutno* in 1922 It was translated into English and published by Macmillan in 1927 as *The Absolute at Large* The novel is a satirical piece of science fiction and starts with the invention of an atomic engine in the future year 1943 which can convert matter directly into energy Such engines can operate machinery for months from a single bucket of coal But the inventor quickly discovers that his engine has an unfortunate side effect It generates pure divinity as a waste product The consequences of the wide spread adoption of the new engines therefore gives rise to unexpected complications in human society The novel is full of sardonic but incisive comments on society capitalism and religion This book is part of the Standard Ebooks project which produces free public domain ebooks
