The Habsburg Empire Robert A. Kann, 1973 *The Habsburg Empire: a Study in Integration and Disintegration.* A Publication of the Center for Research on World Political Institutions of Princeton University Robert Adolf KANN, 1957 [A History of the Habsburg Empire, 1526-1918](#) Robert A. Kann, 1980-11-26 Describes surveys and discusses the major historical aspects of the Habsburg Empire diplomatic political institutional socioeconomic and cultural **Liberalism and the Habsburg Monarchy, 1861-1895** J. Kwan, 2013-11-19 Often the liberal movement has been viewed through the lens of its later German nationalism This presents only one facet of a wide ranging all encompassing project to regenerate the Habsburg Monarchy By analysing its various nuances this volume provides a new more positive interpretation of Austro German liberalism **Austrian Information**, 1981 *Michael Ondaatje: Haptic Aesthetics and Micropolitical Writing* Milena Marinkova, 2011-07-14 This study of selected literary and cinematic works by Michael Ondaatje investigates the political potential of the Canadian author s aesthetics Contributing to current debates about affect and representation ideology critique and the artwork trauma and testimony this book uses the concept of the haptic to demonstrate how Ondaatje s multisensory fluid and historically inflected writing can forge an enabling relationship between audience author and text This is where Ondaatje s micropolitics often misconstrued as ideologically suspect aestheticism emerges a praxis that intimates how one can write and read politically with a difference *Nation Building in Comparative Contexts* Karl Wolfgang Deutsch, William J. Foltz, Originally published New York Atherton 1966 **Negotiating Self-determination** Hurst Hannum, Eileen Babbitt, 2006-01-01 Negotiating Self Determination takes an in depth look at what an understanding of conflict analysis can bring to the field of international law and the impact that international legal norms could potentially have on the work of conflict resolvers in self determination conflicts *The Comparative Understanding Of Intergroup Relations* Graham Kinloch, 2019-07-09 This book deals with major types of intergroup relations the advantages and limitations of the comparative approach and comparative views of intergroup relations It examines these relations particularly within the US highlighting different types of contact and consequences within the society **Imperial Ends** Alexander J. Motyl, 2001-08-01 Despite their historical importance empires have received scant attention from social scientists Now Alexander J Motyl examines the structure dynamics and continuing relevance of empire and asks Why do empires decline Why do some empires collapse And why do some collapsed empires revive Rejecting choice centered theories of imperial decline Motyl maintains that the very structure of empires promotes decay and that decay in turn facilitates the progressive loss of territory Although most major empires have in fact declined in this manner some such as the Soviet Union have collapsed suddenly and comprehensively Motyl explains how and why collapse occurs why such an outcome is hard to foresee and why some collapsed empires revive While broad ranging historically and empirically Imperial Ends focuses on five modern empires the Soviet Romanov Ottoman Habsburg and Wilhelmine Examining the possibility of a

revival of the Soviet empire Motyl points out that the expansion of NATO and the European Union along with increasing globalization will isolate Russia and its neighbors promoting their dependence upon one another and perhaps facilitating the rise of the former core With boldly stated conclusions and concise analytical interpretations Imperial Ends cohesively illustrates to policymakers and social scientists alike the importance of possible imperial revivals and the rise of future empires *Political, international, social and economic aspects* Miloslav Rechcigl, 2019-03-18 No detailed description available for Political international social and economic aspects
