Homicide Justified Andrew T. Fede,2017-07-15 This comparative study looks at the laws concerning the murder of slaves by their masters and at how these laws were implemented Andrew T Fede cites a wide range of cases across time place and circumstance to illuminate legal judicial and other complexities surrounding this regrettably common occurrence These laws had evolved to limit in different ways the masters rights to severely punish and even kill their slaves while protecting valuable enslaved people understood as property from wanton destruction by hirers overseers and poor whites who did not own slaves To explore the conflicts of masters rights with state and colonial laws Fede shows how slave homicide law evolved and was enforced not only in the United States but also in ancient Roman Visigoth Spanish Portuguese French and British jurisdictions His comparative approach reveals how legal reforms regarding slave homicide in antebellum times like past reforms dictated by emperors and kings were the products of changing perceptions of the interests of the public of the individual slave owners and of the slave owners families heirs and creditors Although some slave murders came to be regarded as capital offenses the laws consistently reinforced the second class status of slaves This influence Fede concludes flowed over into the application of law to free African Americans and would even make itself felt in the legal attitudes that underlay the Jim Crow era

The Best of Gerald Kersh Gerald Kersh, 2013-10-17 Gerald Kersh is a story teller of an almost vanished kind though the proper description is perhaps a teller of rattling good yarns He is fascinated by the grotesque and the bizarre by the misfits of life the angry the down and outs and the damned A girl of eight commits a murder Some circus freaks are shipwrecked on an island A chess champion walks in his sleep and destroys the games he has so carefully planned TLS Beneath his talented lightness and fantasy Gerald Kersh is a serious man He has the ability to create a world which is not realistic and which is yet entirely credible and convincing on its own fantastic terms New York Times Mr Kersh tells a story as such rather better than anybody else Pamela Hansford Johnson Telegraph
