**The Harvesting** Susan G. Smith (M.B.A.),1986      *First Harvest* Mat Kondo,2014-04 First Harvest is the culmination of ten years of work presenting verses that were madly scribbled down in cafes during lunch breaks from the flashing windows of commuter trains or while walking the streets of Tokyo at midnight In this his first collection of poetry poet Mat Kondo offers us a peek into the mind of a man deeply in love with the world and equally troubled by the existing state of affairs Using his radical new style neo beat influenced by poets ranging from Gregory Corso to the romantic poetry of Shelley to Japanese haiku poets such as Basho he highlights the current de progress of the spirit propagated by the pursuit of greed Each poem presents a sketch of the day to day sadness despair and ultimate beauty of mankind in the twenty first century a species at a crossroads The Antidote Harbingers of deception the word virus spreads like rabid carrier pigeons But there is an antidote Poetry betrothed to truth can deliver seeds of great exploding beauty and illumination All you have to do is breathe deep polish your eyes and let your mind roam      *The First Book* Jesse Zuba,2025-07-15 An illuminating look at the poetic debut in twentieth century American literary culture We have many poets of the First Book the poet and critic Louis Simpson remarked in 1957 describing a sense that the debut poetry collection not only launched the contemporary poetic career but also had come to define it Surveying American poetry over the past hundred years The First Book explores the emergence of the poetic debut as a unique literary production with its own tradition conventions and dynamic role in the literary market Through new readings of poets ranging from Wallace Stevens and Marianne Moore to John Ashbery and Louise Gl ck Jesse Zuba illuminates the importance of the first book in twentieth century American literary culture which involved complex struggles for legitimacy on the part of poets critics and publishers alike Zuba investigates poets diverse responses to the question of how to launch a career in an increasingly professionalized literary scene that threatened the authenticity of the poetic calling He shows how modernist debuts evoke markedly idiosyncratic paths while postwar first books evoke trajectories that balance professional imperatives with traditional literary ideals Debut titles ranging from Simpson s *The Arrivistes* to Ken Chen s *Juvenilia* stress the strikingly pervasive theme of beginning accommodating a new demand for career development even as it distances the poets from that demand Combining literary analysis with cultural history The First Book will interest scholars and students of twentieth century literature as well as readers and writers of poetry      Elementary English Review ,1928 SCC library has 1949 cur      **Papers and Pedigrees Mainly Relating to Cumberland and Westmorland** William Jackson,1892      The Christian Advocate ,1905      **Scotland's Harvest** Richie McCaffery,2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of both the front line and the home front World War One has always been thought of as a poet s war one of horror and futility The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it written This book asks whether these poets felt they were grown for war or rather that they grew through war experience with an

emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on their later lives **The Last Romantic** John Hall Wheelock, Matthew Joseph Bruccoli, Judith Baughman, 2002 Wheelock's 1886-1978

memoir is based on tape recorded interviews conducted in 1967 for the Oral History Research Office at Columbia U with Wheelock's stipulation that they not be used until January 1 1990 In addition to his writing of poetry as a schoolboy and a Harvard apprenticeship the text covers his career as a poet his friendships with a wide range of literary figures and the 46 years spent at Charles Scribner's Sons as an editor who assisted and then succeeded Maxwell Perkins as editor in chief Bruccoli English U of S Carolina is considered the leading authority on the House of Scribner and its authors Annotation copyrighted by Book News Inc Portland OR English Dialect Society Rev. Blake Couey, 2015-09-03 Reading the Poetry of First Isaiah provides a literary and historical study of the prophetic poetry of First Isaiah an underappreciated but highly sophisticated collection of poems in the Hebrew Bible Informed by recent developments in biblical studies and broader trends in the study of poetry Dr J Blake Couey articulates a fresh account of Biblical Hebrew poetry and argues that careful attention to poetic style is crucial for the interpretation of these texts Discussing lineation he explains that lines serve important rhetorical functions in First Isaiah but the absence of lineated manuscripts from antiquity makes it necessary to defend proposed line divisions using criteria such as parallelism rhythm and syntax He examines poetic structure and highlights that parallelism and enjambment create a sense of progression between individual lines which are tightly joined to form couplets triplets quatrains and occasionally even longer groups Later Dr Couey treats imagery and metaphor in First Isaiah A striking variety of images most notably agricultural and animal imagery appear in diverse contexts in these poems often with rich figurative significance *VICTOR HUGO Ultimate Collection: Novels, Plays, Poetry, Essays, Memoirs & Letters* Victor
