

The book cover features a stylized illustration of a mountain range. The foreground is dominated by a large, dark blue lake with white, jagged, and textured patterns representing ice or snow. In the background, there are several layers of mountain ranges. The mountains closest to the lake are dark blue and black, while the ones further away are a lighter, dusty rose or mauve color. The sky above the mountains is a dark, mottled grey. The title 'THE HAUNTED JOURNEY' is printed in large, bold, green, sans-serif capital letters across the upper portion of the cover, partially overlapping the sky and the distant mountains.

YORK TIMES BESTSELLER A thrilling and superbly crafted The Wall Street Journal account of the most momentous voyage
of the Age of Exploration which culminated in Captain James Cook's death in Hawaii and left a complex and controversial
legacy still debated to this day One of The New York Times Book Review's 10 Best Books of the Year A BEST BOOK OF THE
YEAR THE NEW YORK TIMES TIME THE ECONOMIST NPR THE NEW YORKER THE SMITHSONIAN AND KIRKUS
REVIEWS In this masterly history Sides tracks the 18th century English naval officer James Cook's third and final voyage
across the globe painting a vivid and propulsive portrait The New York Times Book Review On July 12th 1776 Captain James
Cook already lionized as the greatest explorer in British history set off on his third voyage in his ship the HMS Resolution
Two and a half years later on a beach on the island of Hawaii Cook was killed in a conflict with native Hawaiians How did
Cook who was unique among captains for his respect for Indigenous peoples and cultures come to that fatal moment
Hampton Sides' bravura account of Cook's last journey both wrestles with Cook's legacy and provides a thrilling narrative of
the titanic efforts and continual danger that characterized exploration in the 1700s Cook was renowned for his peerless
seamanship his humane leadership and his dedication to science On previous expeditions Cook mapped huge swaths of the
Pacific including the east coast of Australia and initiated first European contact with numerous peoples He treated his crew
well and endeavored to learn about the societies he encountered with curiosity and without judgment Yet something was
different on this last voyage Cook became mercurial resorting to the lash to enforce discipline and led his two vessels into
danger time and again Uncharacteristically he ordered violent retaliation for perceived theft on the part of native peoples
This may have had something to do with his secret orders which were to chart and claim lands before Britain's imperial rivals
could and to discover the fabled Northwest Passage Whatever Cook's intentions his scientific efforts were the sharp edge of
the colonial sword and the ultimate effects of first contact were catastrophic for Indigenous people around the world The
tensions between Cook's overt and covert missions came to a head on the shores of Hawaii His first landing there was
harmonious but when Cook returned after mapping the coast of the Pacific Northwest and Alaska his exploitative treatment
of the Hawaiians led to the fatal encounter At once a ferociously paced story of adventure on the high seas and a searching
examination of the complexities and consequences of the Age of Exploration THE WIDE WIDE SEA is a major work from one
