Postmodernism in the Cinema Cristina Degli-Esposti,1998-07-01 Although Postmodernism has been a widely used catch word and its concept extensively discussed in philosophy political thought and the arts many scholars still feel uneasy about it Despite the fact that the concept can be traced back to Arnold Toynbee s 1939 edition of *A Study of History* or even back into the nineteenth century its amorphous nature continues to confound many scholars not least because there are not one but several kinds of postmodernism each one pointing to different states of questioning and to diverse ways of remembering interpreting and representing This anthology makes a significant contribution to the current debate in that it offers sophisticated and multi faceted discussions of a number of key issues in relation to cinema such as auteurism national cinemas metacinema the parodic history and colonization Loving God with Your Mind Paul Gould,Richard Brian Davis,2013-12-18 Over the past twenty five years no one has done more than J P Moreland to equip Christians to love God with their minds In his work as a Christian philosopher scholar and apologist he has influenced thousands of students written groundbreaking books and taught multitudes of Christians to defend their faith In honor of Moreland s ministry general
