Shaw,2022-05-04 It was never just about the bedroom Life as an escort is Tom s kind of fun His ambitions are simple to enjoy himself speak his mind and finance his eccentric fashion habit He s never found romance security or trust from anyone except his found family at the Haven Hotel where the type of men he meets are passing strangers who hopefully tip well Then on one hot summer afternoon at the hotel he has a steamy delicious encounter with Mr Flash aka Craig and a whole new ambition opens up Craig is a high status banker twice Tom s age and infamous for his honest but blunt ways The type of men he dates are socially acceptable discreetly dressed and well behaved and Tom is none of that But Craig knows what he wants and that s more of the gorgeous infuriating young man who gave him one of the most exciting hours of his life The chemistry between them is hot and irresistible and far more than a business transaction But dating throws their lives into turmoil a partnership between a fiercely independent street boy and a privately educated businessman seems doomed from the start When they attend a prestigious dinner together Tom meets public disapproval and way too much formality while Craig finds his whole career at risk from industrial espionage They share core values but is that enough Two types of men different everywhere except where it counts in their hearts Together they make their own rules

The Haven Carol Lynch Williams,2014-03-04 For the teens at The Haven the outside world just beyond the towering stone wall that surrounds the premises is a dangerous unknown It has always been this way ever since the hospital was established in the year 2020 But The Haven is more than just a hospital it is their home It is all they know Everything is strictly monitored education exercise food and rest The rules must be followed to keep the children healthy to help control the Disease that has cast them as Terminals the Disease that claims limbs and lungs and memories But Shiloh is different she remembers everything Gideon is different too He dreams of a cure of rebellion against the status quo What if everything they ve been told is a lie What if The Haven is not the safe place it claims to be And what will happen if Shiloh starts asking dangerous questions Powerful and emotional The Haven takes us inside a treacherous world in which nothing is as it seems Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel and you have an idea of what Carol Lynch Williams has done for early teen readers Audrey Coulombis author of the Newbery Honor Book *Getting Near to Baby*
