DuFresne,2018-07-26 The truth of the ages is that this is the age of truth The first platform in the ascension process is being 100 percent honest with yourself and others living transparently and taking responsibility for everything that happens in your life Only from this level of open honest awareness can you ascend to a higher vibrational way of being learn your lessons fully expand beyond them and evolve to a state of heart based unity consciousness that is the energy of the Grand Shift in Consciousness moving across the Planet now This book contains insight and awareness as well as tools and processes to assist you in making this ascension The process itself comes from a group of non physical beings referring to themselves as the League of Elders Ive included personal stories to provide examples inspiration and demonstrations for how truly magical life can be when you follow your intuition and this path of ascension Along this journey I learned to master the art of taking aligned and inspired action while also learning how to connect with and follow my intuition The magic of doing so led me inside the Ascension Portal which is where this book was written This book and its words of living light carry the energy from within that portal to further support you in the process All who choose to follow this path of ascension create a new vibration that the rest can then align with They pave the way so the rest can follow The intent of this book is therefore to serve you in your ascension and by extension serve the highest good of all The intent from a higher perspective is to heal all including the Earth and Oceans and to restore balance and harmony to the Planet This or even something better So be it So it is
