 Church,1877 Accessories to Modernity Susan Hiner,2011-06-06 Accessories to Modernity explores the ways in which
 feminine fashion accessories such as cashmere shawls parasols fans and handbags became essential instruments in the
 bourgeois idealization of womanhood in nineteenth century France Considering how these fashionable objects were
 portrayed in fashion journals and illustrations as well as fiction the book explores the histories and cultural weight of the
 objects themselves and offers fresh readings of works by Balzac Flaubert and Zola some of the most widely read novels of the
 period As social boundaries were becoming more and more fluid in the nineteenth century one effort to impose order over
 the looming confusion came in the case of women through fashion and the fashion accessory thus became an ever more
 crucial tool through which social distinction could be created projected and maintained Looking through the lens of fashion
 Susan Hiner explores the interplay of imperialist expansion and domestic rituals the assertion of privilege in the face of
 increasing social mobility gendering practices and their relation to social hierarchies and the rise of commodity culture and
 woman s paradoxical status as both consumer and object within it Through her close focus on these luxury objects Hiner
 reframes the feminine fashion accessory as a key symbol of modernity that bridges the erotic and proper the domestic and
 exotic and mass production and the work of art while making a larger claim about the accessory status in terms of both
 complicity and subordination of bourgeois women in nineteenth century France Women were not simply passive bystanders
 but rather were themselves accessories to the work of modernity from which they were ostensibly excluded **BALZAC -**
Ultimate Collection Honoré de Balzac,2023-11-10 Honor de Balzac s BALZAC Ultimate Collection serves as a

comprehensive anthology of the author's prolific works encapsulating the rich tapestry of French society in the early 19th century. Balzac's distinctive literary style, characterized by keen psychological insight and intricate character development, offers a panoramic view of the social dynamics and class struggles of his time. The collection includes key novels from his monumental series *La Comédie Humaine*, an ambitious project that traverses the lives of over a thousand characters artfully intertwining their narratives to reveal the complexities of human motivations and societal structures. His experiences as a failed businessman, coupled with his deep immersion in Parisian life as a struggling writer, provided him with a wealth of material that informed his literary creations. His relentless work ethic and desire to portray the truth of his era are evident throughout this collection, showcasing the stark realities and vibrant personalities emerging from the backdrop of 19th-century France. This ultimate collection is indispensable for both scholars and enthusiasts of classic literature.
