# The Hebrew Christ Language In The Age Of The Gospels

**Robert R. Redfield**

## **The Hebrew Christ Language In The Age Of The Gospels:**

**The Hebrew Christ** Claude Tresmontant, 1989 *The Hebrew Gospel and the Development of the Synoptic Tradition* James R. Edwards, 2009-10-16 This book offers a new explanation of the development of the first three Gospels based on a careful examination of both patristic testimony to the Hebrew Gospel and internal evidence in the canonical Gospels themselves James Edwards breaks new ground and challenges assumptions that have long been held in the New Testament guild but actually lack solid evidence Restoring the Gospels' Jewish Voice Watson, Murray, 2023 Although Chouraqui and his work are well known and celebrated in many parts of the world especially in Israel and in the francophone world he is almost completely unknown in the anglophone world This book represents an attempt to introduce his important work and inspiring legacy to an English speaking audience and to explore how it can enrich Jewish Christian dialogue today As a bilingual translator and Biblical scholar I am able to make Chouraqui's work accessible to English speakers who are unfamiliar with him who may be intrigued by him but unable to directly access much of the material written by and about him in French

**The Gospel Truth: How We Can Know What Christ Taught** Gary Michuta, 2023-03-17 Hundreds of books have been written to vindicate the Gospels by noting that they were written closer to the events they record than any other ancient history But how do we know that they accurately recorded what Jesus said and did How do we know they didn't fabricate their contents That Jesus really did work the miracles reported in the Gospels Most important of all how do we know what is the authentic interpretation of his words and deeds Christian apologists have largely neglected to answer these significant questions because they have focused instead on vindicating the Gospels apart from the community that wrote them The Gospel Truth fills in this gap by demonstrating that a concerted and sophisticated effort was made to ensure that what Jesus taught and did was accurately retained recorded verified and passed on to future believers It also shows how we can know whether our copies of Scripture reflect the original whether the books in our Bible really belong there and ways to know how to correctly understand them

Revelation and Concealment of Christ Saeed Hamid-Khani, 2021-03-16 The elusive disposition of John's language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio-linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John's language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John's enigmatic language is wedded to the Evangelist's purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel's Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John's

unique language i.e. Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God     *John, Volume 36* George R. Beasley-Murray, 2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary     *On the original Language of St. Matthew's Gospel, with particular reference to Dr. Davison's Introduction to the New Testament. (From the Journal of Sacred Literature.).* Samuel Prideaux TREGELLES, 1850

The Gospel of Matthew and the Sayings Source Q Frans Neirynck, 1998     **Semitisms in Luke's Greek** Albert Hogeterp, Adelbert Denaux, 2018-04-23 The Gospel of Luke has long been known for its variation between good educated Greek and Semitic influences In the last century five theories have attempted to explain the Semitic influence Semitic sources imitation of the Greek Bible the Greek of the ancient synagogue literary code switching between standard Greek and semitized Greek and the social background of bilingualism Albert Hogeterp and Adelbert Denaux revisit Luke's Greek and evaluate which alleged Semitisms of vocabulary and syntax are tenable in light of comparative investigation across corpora of

Greek Hebrew and Aramaic literary as well as documentary texts They contend that Semitisms in Luke's Greek are only fully understood in light of a complementarity of linguistic backgrounds and evaluate them in diachronic respect of Synoptic comparison and in synchronic respect of their place in Luke's narrative style and communicative strategy

**A Historical and Theological Investigation of John's Gospel** Kirk R. MacGregor, 2020-08-24 This book provides original and controversial contributions into specific areas of Johannine studies along with defenses of various traditional theological interpretations of John that are commonly overlooked in New Testament scholarship Kirk R MacGregor offers new insights into the authorship of the Fourth Gospel the content of the underlying Signs Source the meaning of the phrases believe in him and believe in his name Jesus claim that Abraham saw his day the significance of John 14:6 and why the resurrected Jesus upbraided Thomas MacGregor employs the doctrine of middle knowledge to reconcile the seemingly paradoxical Johannine claims of divine predestination genuine human freedom and the universal divine salvific will He defends the ontological equality but functional subordination of the Johannine Jesus to God the Father as well as the deity and personality of the Holy Spirit as presented by the Gospel of John

**Inquiry into the original language of st. Matthew's Gospel; with relative discussions on the language of Palestine in the time of Christ, and on the origin of the Gospels** Alexander Roberts, 1859

*I Am in John's Gospel* David M. Ball, 1996-02-01 Here is a set of literary studies in which various criteria from narrative criticism are employed to determine the literary function of ego eimi in the Gospel of John How does the phrase contribute What role does it play in the portrayal of Jesus as the dominant character of the Gospel in Johannine irony There is a greater interaction between different forms of saying than has generally been acknowledged and Ball draws out a number of implications of his findings for other areas of Johannine study

**Inquiry Into the Original Language of St. Matthew's Gospel ...** Alexander Roberts, 1860

*Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant

background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church     The Hebrew Christian Witness and Prophetic Investigator ,1874     **An Illustrated Commentary on the Gospel According to Matthew** Lyman Abbott,1875     *History of the Christian Religion* Charles Burlingame Waite,1881     *New Greek Harmony of the 4 Gospels, Comprising a Synopsis and a Diatessaron* William Stroud,1853     Jesus and Gospel Traditions in Bilingual Context Sang-Il Lee,2012-04-26 Most historical Jesus and Gospel scholars have supposed three hypotheses of unidirectionality geographically the more Judaeo Palestinian the earlier modally the more oral the earlier and linguistically the more Aramaized the earlier These are based on the chronological assumption of the earlier the more original These four long held hypotheses have been applied as authenticity criteria However this book proposes that linguistic milieus of 1st century Palestine and the Roman Near East were bilingual in Greek and vernacular languages and that the earliest church in Jerusalem was a bilingual Christian community The study of bilingualism blurs the lines between each of the temporal dichotomies The bilingual approach undermines unidirectional assumptions prevalent among Gospels and Acts scholarship with regard to the major issues of source criticism textual criticism form criticism redaction criticism literary criticism the Synoptic Problem the Historical Jesus provenances of the Gospels and Acts the development of Christological titles and the development of early Christianity There is a need for New Testament studies to rethink the major issues from the perspective of the interdirectionality theory based on bilingualism     **Approaches to the Bible: Composition, transmission, and language** Harvey Minkoff,1994

## **The Hebrew Christ Language In The Age Of The Gospels** Book Review: Unveiling the Magic of Language
