*The Herod Conspiracy* Rhodes, Russell L,1985      *The Herods* Bruce Chilton,2021 *The Herods* explores the Herodian rule from Herod the Great's father Antipater until the dynastic sunset with Berenik Herod's great granddaughter describing the theocratic aims that motivated Herod and his progeny and the groups and factions within Judaism and Christianity that often defined themselves in opposition to the Herodian project      Conspiracy Theories in the United States and the Middle East Michael Butter,Maurus Reinkowski,2014-02-27 *Conspiracy Theories in the United States and the Middle East* is the first book to approach conspiracy theorizing from a decidedly comparative and interdisciplinary perspective Whereas previous studies have engaged with conspiracy theories within national frameworks only this collection of essays draws attention to the fact that conspiracist visions are transnational narratives that travel between and connect different cultures It focuses on the United States and the Middle East because these two regions of the world are entangled in manifold ways and conspiracy theories are currently extremely prominent in both The contributors to the volume are scholars of Middle Eastern Studies Anthropology History Political Science Cultural Studies and American Studies who approach the subject from a variety of different theories and methodologies However all of them share the fundamental assumption that conspiracy theories must not be dismissed out of hand or ridiculed Usually wrong and frequently dangerous they are nevertheless articulations of and distorted responses to needs and anxieties that must be taken seriously Focusing on individual case studies and displaying a high sensitivity for local conditions and the cultural environment the essays offer a nuanced image of the workings of conspiracy theories in the United States and the Middle East      **Imagined Israel(s): Representations of the Jewish State in the Arts** Rocco Giansante,Luna Goldberg,2023-02-27 The return of Jews to their ancestral land can be seen as an act of imagination A new country citizenship language and institutions needed to be imagined in order to be created The arts too have contributed to this act of envisioning and shaping the Jewish state By examining artistic representations of Israel *Imagined Israel's Representations of the Jewish State in the Arts* explores the ways in which the Israel imagined abroad and the one conjured within the country intersect offering a space for the co existence of sociopolitical cultural and ideological differences and tensions      *The Harp of God: Proof Conclusive That Millions Now Living Will Never Die* J. F. Rutherford,2022-05-28 In *The Harp of God Proof Conclusive That Millions Now Living Will Never Die* J F Rutherford presents a profound exploration of biblical prophecies and the promise of resurrection This theological treatise is characterized by its persuasive rhetoric and meticulous scriptural analysis drawing heavily on both the Old and New Testaments to construct a compelling case for the imminent transformation of human existence Rutherford weaves together historical context and exegetical insights positioning his arguments within the broader discourse of early 20th century religious thought notably Jehovah's Witnesses teachings while also challenging contemporary Christian doctrines on the afterlife J F Rutherford as a prominent leader and theologian of the Jehovah's Witnesses movement was profoundly influenced by early 20th century

eschatological expectations and the societal upheaval of his time notably World War I This charged atmosphere certainly shaped his views on death life and hope for the future His extensive involvement with the Watch Tower Society and his commitment to disseminating unorthodox interpretations of scripture reflect a deep seated desire to provide comfort and clarity to believers seeking answers in an uncertain world This book is a must read for those interested in eschatology biblical interpretation and the history of modern religious movements Whether you are a scholar a student of theology or simply curious about the distinctive beliefs of Jehovah s Witnesses Rutherford s insight and conviction will challenge your understanding and inspire deep reflection

Scarlett Kingsley, Giustina Monti, Tim Rood, 2023-01-26 In this volume an international group of scholars revisits the themes of John Marincola s ground breaking *Authority and Tradition in Ancient Historiography* The nineteen chapters offer a series of case studies that explore how ancient historians approaches to their projects were informed both by the pull of tradition and by the ambition to innovate The key themes explored are the relation of historiography to myth and poetry the narrative authority exemplified by Herodotus the father of history the use of fictional literary devices in historiography narratorial self presentation and self conscious attempts to shape the historiographical tradition in new and bold ways The volume presents a holistic vision of the development of Greco Roman historiography and the historian s dynamic position within this practice

*How to Interpret History* Ron Hayhurst, 2007-11 History is indeed a mystery Even the Bible refers to history this way Differing interpretations of historical events abound as the past is subjected to scrutiny by archeologists anthropologists theologians educators historians politicians authors and film directors not to mention each of us as individuals All of this contributes to the mystery already inherent in the events But once we know what to look for in the pages of history it s a different story For those who find history confusing *How to Interpret History* is offered as relief This handbook offers a biblical framework of revealed and intended principles for interpreting history It seeks to answer the common criticism that we often cannot see the forest for the many trees Furthermore the principles offered here will help the reader interpret the economic political and cultural globalization that is occurring before our very eyes So much of the typical storyline of history seems far removed and totally unrelated to that of the Bible Does this mean there is no connection Is the Bible storyline irrelevant Do we really believe God is providentially involved in human affairs Is God in control of the events that are happening in the world Are His purposes discoverable Are we sure God the Creator of all things intends for us to unravel the tapestry of history If so what tools do we have to discover the answers to these questions This handbook seeks to show the inseparable nature of interpretation and definition of history provide common viewpoints to the historical record identify power groups discuss the will and purpose of God in history explore five biblical principles for interpreting history and offer four essentials to good government demonstrated in history You will find this reading experience to be a doorway to understanding history modern politics nation making and the Bible Enjoy the adventure of discovery within these pages

**Conspiracies and the Cross** Timothy Paul Jones, 2008 Join Jones on a faith strengthening journey through the remnants of long faded civilizations as he examines historical evidence of the life of Jesus Outlining 10 major conspiracy theories about the deity of Christ he reveals the fallacies in each and examines the various media outlets books movies documentaries where these schemes have recently surfaced 224 pages hardcover from Frontline *Handbook of Scripture and early Oriental chronology* John TURNER (of Glasgow.), 1854 *The Beautiful Story* Thomas De Witt Talmage, 1888 **The Royal Family Bible ...**, 1862 **The Jewish War** Josephus, 2017-02-10 I am Josephus I myself fought against the Romans In August of AD 70 the city of Jerusalem was destroyed by Roman forces after a six month siege This was the disastrous outcome of a Jewish revolt against Roman domination which began in AD 66 with some early success but soon became mired in factional conflict The war ended in the destruction of the famous Jewish Temple rebuilt by Herod the Great a century before The remarkable story of the war is narrated by an eye witness and participant Josephus He was at first a rebel commander then after his capture supported Titus in the final assault on Jerusalem Josephus spares no detail of a horrific conflict atrocities on both sides the reign of terror in Jerusalem the appalling conditions of the siege and the final mass suicide at Masada His vivid narrative is our prime source for this period of history It is a dramatic story with resonances to the present day **The**

**Irony of Power** Dorothy Jean Weaver, 2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew's version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew's narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God's eye reading of Matthew's narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew's narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives

**The Three Pillars** Barbara J. Sivertsen, 2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church's earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter's son She discusses Mark's footprint in this Gospel and how Mark's resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book's final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage

*The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth* Dr. Solomon Udo Solomon, 2016-03-31 The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Vol II by Dr Solomon Udo Solomon The theme of The Testimony of the Son of Man is the restoration of the everlasting Gospel of the Kingdom of God on Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon

Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon s understanding was quickened Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what Jesus Himself taught the world in His words examples and customs The present messages in churches and other organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew Chapter 28 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed to the world This is the much needed foundation for the Lord s return to set His Millennial Government on Earth This work shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the temptation to believe and propagate the unscriptural letters of Saul of Tarsus
