Bert Randolph Sugar, 1988-12-12 Provides a personal critique of the top one hundred boxers evaluating and rating such greats as Muhammad Ali Jack Dempsey Rocky Marciano Joe Louis and Sugar Ray Leonard **The 100 Greatest Jews in Sports** B. P. Robert Stephen Silverman, 2003-09-22 The 100 Greatest Jews in Sports takes the greatest Jewish athletes in all major sports from the past eleven decades and ranks them against each other using a limited scope and quantitative criteria Each decade has seen someone new emerge as the greatest Jewish athlete from boxer Abe Attell to baseballs Sandy Koufax and Ken Holtzman to golf s Amy Alcott to footballs Harris Barton Sports profiled include baseball basketball hockey tennis golf auto racing boxing soccer football swimming and many others Silverman takes a scholarly approach to ensure reliability and validity of the statistics given The author identified the most common categories of statistics in which the highest paid athletes in all sports had excelled and he assigned numeric values to reflect the performance categories That provided a proportional representation of the most important individual accomplishments in sports By applying those numbers to the records of selected athletes each was ranked against the other Additionally the author asked selected experts of each sport to perform the same ranking with no specific criteria and the results were the same Filled with historic photographs of the athletes profiled and interspersed with interesting tidbits of each athlete s personal life and career this book is certain to be of interest to the casual to serious sports enthusiast alike

The 100 Greatest Boxers of All Time Bert Randolph Sugar, 1984 **Boxing's Greatest Fighters** Bert Randolph Sugar, 2006-01-01 Easily the most enduring of all sports questions is Who was is the best Perhaps in no sport is the question more asked and argued over than in boxing And in boxing perhaps none is more qualified to answer the question than Bert Randolph Sugar In Boxing s Greatest Fighters not only does the former publisher of Ring Magazine tell us who the best

fighters were he lists them in order Could Sugar Ray Robinson have beaten Muhammad Ali Could Sugar Ray Leonard have beaten Sonny Liston The answer most experts agree would be no But what if as Bert Sugar has done here one were to take all the boxers and reduce them in the mind's eye to the same height the same weight and the same ring conditions The answers would be quite different And while some fans may express outrage that Rocky Marciano barely makes the top twenty and Marvin Hagler staggers into the top seventy five others will nod eagerly when they read that Harry Greb and Benny Leonard were better than just about anybody So whether you read Boxing's Greatest Fighters cover to cover pick your favorites at random or simply browse through the many rare photographs at the bell come out arguing
