The 2005 Of Revelations

Jon K. Newton

The 2005 Of Revelations:

The Oxford Handbook of the Book of Revelation Craig R. Koester, 2020 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation Divided into five sections Literary Features Social Setting Theology and Ethics History of Reception and Influence and Currents in Interpretation the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research

The Crime Numbers Game John A. Eterno, Eli B. Silverman, 2017-07-27 In the mid 1990s the NYPD created a performance management strategy known as Compstat It consisted of computerized data crime analysis and advanced crime mapping coupled with middle management accountability and crime strategy meetings with high ranking decision makers While initially credited with a dramatic reduction in crime questions quic

The Revelation of the Messiah Caleb Friedeman, 2023-01-19 In the first two chapters of Luke characters acknowledge Jesus as Messiah Son of God and Lord Lukan characters also speak of John going before the Lord God suggesting that Jesus might be the Lord in view and connect Jesus with Old Testament YHWH passages These features have made Luke 1 2 a key locus for discussions of Lukan Christology generating speculation as to whether Luke presents Jesus as divine However they also create an apparent incongruity with the body of the Gospel In Luke 3 and elsewhere human characters are initially ignorant that Jesus is Messiah Son of God and Lord Moreover Jesus divinity if Luke affirms it does not seem to be recognized until after the resurrection In this study Caleb Friedeman advances a new model for understanding the Christological relationship between Luke 1 2 and the rest of Luke Acts in which Luke presents these opening chapters as a Christological mystery

Revelation Stephen Trujillo, 2018-11-15 A revelation on cosmogony quantum physics Hinduism Buddhism Tantra the Apocrypha Kabbalah the Western Mystery Tradition dreams within dreams and multiverses without end By the author of A Tale of the Grenada Raiders Metamorphosis and the forthcoming Tales of the Rangers www.magickingdomdispatch.com Magic Kingdom Dispatch Stephen Trujillo is a writer in Bangkok

The Book of Revelation and Its Interpreters Ian Boxall, Richard Tresley, 2015-11-25 The Book of Revelation has fired the imaginations of theologians preachers artists and ordinary Christians across the centuries The resulting number of commentaries on the book is enormous and most studies can only touch upon at most a representative sample of this vast literature As a consequence many focus largely on the interpretation of the Apocalypse only within specific periods such as the patristic period or during the Reformation One result of this severe limitation given the vast literary corpus is how historical interpretations in critical commentaries of the Book of Revelations tend to prioritize authors from the modern period In The Book of Revelation and Its Interpreters Short

Studies and an Annotated Bibliography editors Richard Tresley and Ian Boxall fill a significant gap in the scholarly literature. At its heart is an extensive annotated bibliography covering commentaries on the book up to 1700 including most of the early illuminated Apocalypses. Supporting the presentation of this survey of the historical interpretations of the Book of Revelation is an extended overview of Revelation's often colorful reception history by Christopher Rowland together with a number of short studies on various aspects of the book. These include discussions of specific commentators such as Sean Michael Ryan's look at Tyconius and Francis X Gumerlock's exploration of Chromatius of Aquileia alongside a more general treatment of Revelation's impact on the figure of John of Patmos in an essay by Ian Boxall and the visual reception of Revelation in Natasha O'Hear's article. The Book of Revelation and Its Interpreters provides a valuable bibliographical resource for those working in the field of Biblical Studies, history of Christianity, eschatology and apocalyptic studies. The accompanying essays orient the authors recorded in the bibliography within a larger context offering specific examples of the Apocalypse's capacity to speak in fresh and often surprising ways to diverse audiences throughout history.

A Pentecostal Commentary on Revelation Jon K. Newton, 2021-02-15. This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn't mean in this case. This is a serious commentary based on the Greek text and includes discussion of all the standard topics: authorship, date, audience, etc. It gives interpretive priority to the original context and audience while also discussing application today. Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like. The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus, the narrative flow, intertextual references and the focus on atonement. This makes it a more optimistic commentary than many available. The commentary interacts in depth with five leading commentaries over the past twenty-five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation.

The Oxford Handbook of Divine Revelation Balázs M. Mezei, Francesca Aran Murphy, Kenneth Oakes, 2021-06-08. The Oxford Handbook of Divine Revelation offers a systemic approach to the notion of revelation in its various theoretical contexts. It provides in-depth coverage of the theoretical and historical fields in which the notion of revelation is discussed. It does not reflect the views of a certain school; under the horizon of contemporary discussions it offers the broadest understanding of the notion. Its main parts include biblical, theological, philosophical, historical, comparative and scientific cultural approaches. The contributors discuss the most important contemporary questions in theology, philosophy and science. The Handbook offers a unique overview of the key problems of revelation, an overview missing from scholarly literature. Featuring contributions from leading scholars, the collection opens up further possibilities of scholarly work and spiritual vistas concerning the notion and

the fact of divine revelation **Hebrews, the General Epistles, and Revelation** Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the Hebrews the General Epistles and Revelation excerpted from the Fortress Commentary on the Bible The New Testament engages readers in the work of biblical interpretation Contributors connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Hebrews through Revelation includes an introduction and commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges Hebrews the General Epistles and Revelation introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation

Apocalyptic Phenomenology Balázs M. Mezei, 2025-11-28 This book provides a detailed view of the author's conception of apocalyptic phenomenology referring to the revelatory and self-disclosing nature of phenomenological thinking a thinking that is central to our philosophical traditions today The concept of apocalyptic phenomenology i e a phenomenological theology that discloses the ultimate ground of being God in the form of divine revelation is original At the same time it is rooted in the phenomenological tradition of Offenbarung revelation revealing as the basic feature of phenomena In the author's view reality is self-disclosing apocalyptic and thus he explains the connections between the original biblical notion of apocalypsis and the important developments of our philosophical traditions leading up to the theological turn of phenomenology The chapters are framed around a focus on newness and engage with the work of key thinkers such as Edmund Husserl Martin Heidegger Paul Ricoeur Hans Urs von Balthasar and Anton Günther Apocalyptic Phenomenology will be of interest to scholars of both theology and philosophy **Revelation and Material Religion in the Roman East**

Nathan Leach, Daniel Charles Smith, Tony Keddie, 2023-11-30 This collection of essays from a diverse group of internationally recognized scholars builds on the work of Steven J Friesen to analyze the material and ideological dimensions of John's Apocalypse and the religious landscape of the Roman East Readers will gain new perspectives on the interpretation of John's Apocalypse the religion of Hellenistic cities in the Roman Empire and the political and economic forces that shaped life in the Eastern Mediterranean The chapters in this volume examine texts and material culture through carefully localized analysis that attends to ideological and socioeconomic contexts expanding upon aspects of Friesen's research and methodology while also forging new directions The book brings together a diverse and international set of experts including emerging voices in the fields of biblical studies Roman social history and classical archaeology and each essay presents fresh critically informed analysis of key sites and texts from the periods of Christian origins and Roman imperial rule Revelation and Material Religion in the Roman East is of interest to students and scholars working on Christian origins ancient Judaism Roman religion classical archaeology and the social history of the Roman Empire as well as material religion in the ancient Mediterranean more broadly It is also suitable for religious practitioners within Christian contexts
