The Rule of Law and the Rule of God S. Ilesanmi,W. Lee,J. Parker,2014-10-09 This book examines the competing regimes of law and religion an offers a multidisciplinary approach to demonstrate the global scope of their influence It argues that the tension between these two institutions results from their disagreements about the kinds of rule that should govern human life and society and from where they should be derived **Saudi Arabia and Indonesian Networks** Sumanto Al Qurtuby,2019-12-26 What is the relationship between Saudi Arabia and Indonesia For centuries Indonesians have travelled to Saudi Arabia and have been deeply involved in education scholarship and the creation of centres for Islamic learning in the country Yet the impact of this type of migration has not yet been the focus of scholarly research and little is known about the important intellectual connections that now exist This book examines Indonesian educational migrants and intellectual travellers in Saudi Arabia including students researchers teachers and scholars to provide a unique portrait of the religious and intellectual linkages between the two countries Based on in depth interviews and questionnaires Sumanto Al Qurtuby identifies the Indonesian legacy in Saudi Arabia and examines in turn how the host country s influential Islamic scholars have impacted on Indonesian Muslims The research sheds light on the dynamic history of Saudi Arabian Indonesian relations and the intellectual impact of Indonesian migrants in Saudi Arabia **The Sea in World History** Stephen K. Stein,2017-04-24 This two volume set documents the essential role of the sea and maritime activity across history from travel and food production to commerce and conquest In all eras water transport has served as the cheapest and most efficient means of

moving cargo and people over any significant distance Only relatively recently have railroads and aircraft provided an alternative Most of the world's bulk goods continue to travel primarily by ship over water Even today 95 percent of the cargo that enters and leaves the United States does so by ship Similarly people around the world rely on the sea for food and in recent years the sea has become an important source of oil and other resources with the longterm effects of our continuing efforts to extract resources from the sea further highlighting environmental concerns that range from pollution to the exhaustion of fish stocks This chronologically organized two volume reference addresses the history of the sea beginning with ancient civilizations 4000 to 1000 BCE and ending with the modern era 1945 to the present day Each of the eight chapters is further broken down into sections that focus on specific nations or regions offering detailed descriptions of that area of the world and shorter entries on specific topics individuals and events The book spans maritime history covering major seafaring peoples and nations famous explorers travelers and commanders events battles and wars key technologies including famous ships important processes and ongoing events such as piracy and the slave trade and more Readers will benefit from dozens of primary source documents ranging from ancient Egyptian tales of seafaring to texts by renowned travelers like Marco Polo Zheng He and Ibn Battuta that provide firsthand accounts from the age of discovery as well as accounts of battle from World War I and II and more modern accounts of the sea

The Poetics of Arabian Sūqs Jasmine Shahin, 2022-11-18 This book investigates the history of Arabian sūqs from their pre Islamic beginnings to the present Collecting evidence from archaeological ruins Islamic towns modern cities Arabic poetry philosophical debates political conflicts puppet shows and the insights of modern day market goers the book presents new and unforeseen interpretations of the Arabian sūq's meaning and its transformation through time and place The finding that such meaning is tied to ancient trade rituals where temple and market presented a holistic socio urban unit re questions some instrumental assumptions regarding the value of sūqness in Arabia's everyday practices Such a finding which locates the fada tareeq duality as a central theme in Arabia's socio urban discourse emphasizes the importance of lived experiences and poetics as key sources for understanding socio urban phenomena

LaBianca, Sandra Arnold Scham, 2016-04-08 Today's politicians argue that the more connected societies are the less danger they pose to global stability But is this a new idea or one as old as history itself Trade routes as far back as prehistory were responsible for the exchange of ideas as well as goods leading to the rapid expansion of states and empires *Connectivity in Antiquity* brings together a team of influential scholars to examine the process of globalization in antiquity The essays examine metallurgy social evolution economic growth and the impact of religious pilgrimage and range across the eastern Mediterranean Syria the Transjordan south Yemen and Egypt *Connectivity in Antiquity* will be of value to all those interested in the relationship between antiquity and modern globalisation

Scholarship in Action: Essays on the Life and Work of Christiaan Snouck Hurgronje (1857-1936), 2023-02-06 The Dutch scholar Christiaan Snouck Hurgronje 1857-1936 was one of the most famous orientalist of his time He acquired early fame through his daring research in Mecca in 1884-85 masterly narrated in two

books and accompanied by two portfolios of photographs As an adviser to the colonial government in the Dutch East Indies from 1889 until 1906 he was on horseback during campaigns of pacification and published extensively on Indonesian cultures and languages Meanwhile he successively married two Sundanese women with whom he had several children In 1906 he became a professor in Leiden and promoted together with colleagues abroad the study of modern Islam meant to be useful for colonial purposes Despite his considerable scholarly political and cultural influence in the first decades of the twentieth century nowadays Snouck Hurgronje has been almost forgotten outside a small circle of specialists since he mainly published in Dutch and German The contributors to this volume each offer new insights about this enigmatic scholar and political actor who might be considered a classic proponent of orientalism Their detailed studies of his life and work challenge us to reconsider common views of the history of the study of Islam in European academia and encourage a more nuanced post orientalist approach with ample attention for cooperation exchange and hybridization Contributors
