Supernault, 2010-11-18 Esther Supernault put her life on the line for her beliefs. In *Blue Diamond Journey*, she shares her secret gift of insight and guidance from the world of spirit. Born of a Celtic and Native American heritage of seers, she narrates how she received incredibly detailed, sometimes humorous messages from her dreams, visions, and meditations, messages that she then validated with solid medical research. Day by day, she was guided to specific foods, helpers, therapists, doctors, and books to heal her breast cancer without chemo or radiation. Every person is part of an interconnected web as vast as this universe, rather than a collection of parts. Our innate inner soul contains incredible healing wisdoms. Real healing honours this web of interaction far beyond scientific logic or fact. What causes an illness will also help heal it. All the answers we need to heal are within us, and Esther demonstrates how to listen to those answers. Her journey slowly uncovers a rare diamond in the rough: the dawning evolution of a seer, visionary, and wisdom keeper. With her gifted, gentle healing messages, Esther weaves a marvelous, magical true tale in *Blue Diamond Journey*. *One man, one truth* William Innovador, 2025-03-09

One Man, One Truth is a gripping tale of ambition, knowledge, and defiance set in the unforgiving era of the Middle Ages. The story follows a wandering man who teaches himself to become a doctor, philosopher, and an unstoppable force in the art of healing. With no formal education, he relies on observation, experimentation, and an unbreakable will to challenge the limits of medieval medicine. **A Journey of Discovery All Around Our House** Robert Kemp Philp, 1867 **Taboo Tabernacle**

A.W. Archer, 2016-11-18 At the end of the day, *Taboo Tabernacle* isn't just about taboo topics like sex, drugs, rock n roll, religion, politics, faith, witchcraft, and cannabis. It isn't even about science, math, history, medicine, justice, or apologetics, although there is

much of that in it Its about connecting people to Christ in a way that can not only surprise them but can electrify them From the depths of space to the lowest sub atomic particle in the human body the sustainers fingerprint is everywhere I want to help people get so excited about Gods amazing love that they cant stop talking about it From the balanced believer to the super secularist I believe that all people suffer from false presuppositions about life and the way things are at one point or another Whether its from the way we were raised something traumatic that happened to us growing up or perhaps it is simply the default consensus opinion of the culture we are currently in we all have presuppositions some true and some false I would like all of us to start breaking down the man made walls of false presupposition that separate us today and replace them with bridges of truth and understanding from a biblical worldview that makes sense in both the physical world and spiritual realm Get ready to look at life through a whole new lens

Light for the Journey Robert T. Gamba,2012-10 2ND PETER 1 19 And so we have the prophetic word confi rmed which you do well to take heed as a light that shines in a dark place There is a Light at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of all hope that is willing and able to take us home even through our darkness nights Two choices two roads with two different destinations but there is only one journey EPHESIANS 1 18 The eyes of your understanding being enlightened that you may know what is the hope of His calling

Whispers from the Wilderness Alan Cutler,2021-03-19 A truthful gritty sometimes heart wrenching look at the life of an overcomer Join an everyman on his own odyssey from dysfunction addiction and near death experiences to a life of peace and helping others find their way A story that truly shows that no matter how dark the day there is light and someone will hear your whispers

Journey through Exodus Mike Newberry,2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to

make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus *The History of Christianity in India* James Hough, 2025-08-05 Reprint of the original first published in 1845 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
