*The Heart of a Distant Forest* Philip Lee Williams, 2005-09-01 Retired to his family home on a Georgia lake and facing death former history professor Andrew Lachlin becomes alive to the wonders of nature and enters new relationships with a country boy named Willie Sullivan and a former love Callie MacKenzie Reprint [The Heart of a Distant Forest: a Novel](#) Philip Lee Williams, 1984 *The Heart of a Distant Forest* Philip Lee Williams, 1985 [In the Heart of the Amazon Forest](#) Henry Walter Bates, 2007-02-01 One of the most impressive of all Victorian scientists but also a marvellous writer Bates 1825 1892 account of his years in the upper reaches of the Amazon is almost too good to be true a great monument to human inquisitiveness as he battles great hoards of malevolent reptiles and insects in his quest for ever more obscure specimens on ever more narrow and creeper choked tributaries Great Journeys allows readers to travel both around the planet and back through the centuries but also back into ideas and worlds frightening ruthless and cruel in different ways from our own Few reading experiences can begin to match that of engaging with writers who saw astounding things Great civilisations walls of ice violent and implacable jungles deserts and mountains multitudes of birds and flowers new to science Reading these books is to see the world afresh to rediscover a time when many cultures were quite strange to each other where legends and stories were treated as facts and in which so much was still to be discovered **The Songs of Phera Main** Simon Yates, 2011-12-01 The Songs of Phera Main is a fast paced and topical fantasy novel It touches upon the consequences of our mismanagement of the environment and the abuse of power by those who govern us When a young woman goes missing from an isolated village in the north of the country Helannon a member of the ruling Brotherhood and his assistant are dispatched to investigate Very soon their suspicions fall on Dvalon a simpleton with a dubious past and the case seems all but resolved But when Dvalon and the assistant mysteriously vanish overnight Helannon increasingly finds himself out of control and out of his depth Meanwhile Phera Main Lord General of the army and hero to the nation has fought and lost her final battle Terribly wounded and traumatically disfigured she is exiled to an unfamiliar life of seclusion on a farmstead in the great plain Surrounded by her constant companion Kera and a cacophony of orphan children she resigns herself to her fate However when ancient forces collide with tragic consequences Phera Main finds herself at the centre of a struggle not only for her own existence and that of those she cares for but for the very survival of mankind itself Her final battle was only the beginning Now she must look into the abyss that confronts her and face the demons that have tormented her from the moment of her birth *The New Georgia Encyclopedia Companion to Georgia Literature* Hugh Ruppersburg, John C. Inscoe, 2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature

Organized in alphabetical order by author the entries discuss each author's life and work contributions to Georgia history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith's *Strange Fruit* international publishing sensations like Margaret Mitchell's *Gone With the Wind* and crowning artistic achievements including Jean Toomer's *Cane* The literary culture of the state is also covered with information on the *Georgia Review* and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year's best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage

**The Heart of the Forest** Rushit Bhoi, 2024-11-26 In the heart of an ancient forest where shadows weave between towering trees and whispers linger in the wind a forgotten realm awakens Follow the footsteps of a wanderer lost to time drawn into a world where every leaf holds a

secret and the paths lead to more than just a destination Here in the twilight of the forest magic stirs Legends come alive and the very air hums with forgotten power But beware not all who wander find their way Enter if you will but remember the forest remembers those who seek its heart Rushit Bhoi      **The Counterclockwise Heart** Brian Farrey,2022-02 A prince and a mage must untangle the riddles from their shared past to save the future of the empire or risk seeing everything they both both love destroyed      The Publishers Weekly ,1989      *Heart of the Woods* Isabel Adams,1928      The Flower of the Forest Or Mary Rock Percy Bayle Saint John,1878      *Speak So I Shall Know Thee* William J. Walsh,2012-02-29 A R Ammons was asked if he agreed that the United States has not produced a major poet in the last 30 years I agree The poetry in the country has become sort of a company affair where support for the arts has just about ruined the arts and the system of bureaucrats managing the funds being developed here and there is turning into trade unionism which may be the best way to write poetry but it is unfamiliar to me This comprehensive collection contains 31 interviews in which Southern writers talk about their craft the Southern literary scene and themselves Poets short story writers and novelists include firmly established writers side by side with emerging talent Lee Smith James Dickey Harry Crews Pat Conroy Doris Bett Pulitzer Prize winner Donald Justice and 25 others      **Messenger of the Sacred Heart** ,1891      *The Forest* Stewart Edward White,1920      A Tolkien Compass Jared Lobdell,2003 The structure content and character of Tolkien s *The Hobbit* and *The Lord of the Rings* are dealt with in ten critical essays      **Where the Moon Keeps Her Heart** Isa Ingram,Noelle Ingram,2025-09-16 Fj rna is shy quiet sensitive She is different She tucks into the spaces inside herself and in the woods to breathe And yet she is stronger than she has any idea She has a kind of magic that is subtle and so powerful it will strike fear in those around her but she does not know it yet And doesn t magic always strike fear in those who need to understand their world and to control it Fj rna has a voice a fire blazing in her heart to honor and protect her kind but she doesn t know that yet either All Fj rna knows is the rolling hills and vast orchards of the farm and the little horseshoe town by the sea she calls home The only home she has ever known Fj rna has a secret It is in the very fabric of her being and once she discovers it she cannot unsee she cannot unknow She cannot go back to that quiet girl by the sea Fj rna does not long for great battles and great adventure But great adventure will find her Fj rna cannot know she has a destiny She is too busy trying to find the words with which to share her heart or being conscious of all the ways she is different Could a simple quiet girl be the answer to the question asked on the wind in the trees in the silent confused places in the hearts of all people When Fj rna finds her magic and opens her heart the world will change subtly at first and then with a force no one sees coming least of all her And Fj rna will learn that what makes her different may be the only hope for her kingdom
