A Home Is Not Always Where The Heart Is Denise Martinson,2003-01-27 Every time someone mentions nursing homes or related stories about the aged residing in them a sense of pity or horrible thoughts are conjured up in our minds that they are depressing and smell of urine and seem dark and unwelcoming So many people today do not visit them Instead of being a joyful experience it becomes a nightmare if only in the mind of the visitors because nursing homes are exploited in the media that all seniors in a Home are abused and neglected which is not true There are quality facilities out there and we should feel good instead about the care now available for a relative with Dementia or those unable to care for themselves The truth is we are the ones who refuse to feel or try to understand what residents aides and those involved with the care of the elderly experience A Home Is Not Always Where The Heart Is is not a serious look at the aged nor a journal filled with information on why a person develops Alzheimer s disease Rather it is an honest look through humor and the day to day living of the aged in a home Home Is Where the Heart Is Linda Byler,2018-05-01 Join Amish writer Linda Byler on a trip
