F. de P. Castells

The Hebraic Element In Freemasonry

Albert Gallatin Mackey

The Hebraic Element In Freemasonry:

Encyclopedia Of Freemasonry Albert G. Mackey, 2013-10-24 Dr Albert G Mackey also the author of *The Lexicon of Freemasonry* appears as author of this *Encyclopedia of Freemasonry and its Kindred Sciences* which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here in one giant volume is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history the objects and the condition of Masonry In the present work the crowning and successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I suffered from an affection of the sight which forbade all use of the eyes for purposes of study During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions

The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry, 1894 *The Secrets of Freemasonry* Robert Lomas, 2011-09-01 Many people are curious about the existence of secret societies which claim to hold arcane religious or esoteric knowledge and pass it down through the generations via selected adepts Classic Masonic writers including William Preston Robert Gould JSM Ward AE Waite and WL Wilmshurst have written about secret traditions connected to the Temple of Sion Each has different ideas about how mystical knowledge came into Freemasonry Some say that the Charter of Larmenius reveals an underground line of Knight Templar Grand Masters who survived down to the nineteenth century All agree there is a Secret Lodge or House of Adepts who continue to teach true knowledge of the ancient mysteries and that The Craft transmits beliefs linked to the Earls of Rosslyn the Knights Templar and Lodge Mother Kilwinning Masonic expert Robert Lomas has collected together this thread of belief from old Masonic writers and rewritten it in modern English to make the ideas accessible to modern readers

The History of Freemasonry Robert Freke Gould, 1887 *The History of Freemasonry* Albert Gallatin Mackey, 2012-03-07 Written by an expert on the craft this classic traces Freemasonry s origins from biblical times to its practice among America s founding fathers It also explores philosophical symbolic and ritual traditions

Handbook of Freemasonry, 2014-06-12 Freemasonry is the largest oldest and most influential secret society in the world The Brill Handbook of Freemasonry is a pioneering work that brings together for the first time leading scholars on Freemasonry The first section covers historical perspectives such as the origins and

early history of Freemasonry The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church Judaism and Islam In the third section organisational themes such as the use of rituals are explored while the fourth section deals with issues related to society and politics women blacks colonialism nationalism and war The fifth and final section is devoted to Freemasonry and culture including music literature modern art architecture and material culture

The History of Freemasonry Albert Gallatin Mackey,1900 A Library of Freemasonry Robert Freke Gould,1906 *The History of Freemasonry* Gould,1886 The Irish Ecclesiastical Record ,1929 **Freemasonry and the Ancient Gods** John Sebastian Marlow Ward,1921 The American Quarterly Review of Freemasonry and Its Kindred Sciences ,1859 **World Empire and the Return of Jesus Christ** , Freemasonry from the Great Pyramid of Ancient Times Thomas Holland,1885 The Freemasons' Magazine and Masonic Mirror ,1870 *Socialism of Fools* Michele Battini,2016-04-05 In *Socialism of Fools* Michele Battini focuses on the critical moment during the Enlightenment in which anti Jewish stereotypes morphed into a sophisticated modern social anti Semitism He recovers the potent anti Jewish anticapitalist propaganda that cemented the idea of a Jewish conspiracy in the European mind and connects it to the atrocities that characterized the Jewish experience in the nineteenth and twentieth centuries Beginning in the eighteenth century counter Enlightenment intellectuals and intransigent Catholic writers singled out Jews for conspiring to exploit self sustaining markets and the liberal state These ideas spread among socialist and labor movements in the nineteenth century and intensified during the Long Depression of the 1870s Anti Jewish anticapitalism then migrated to the Habsburg Empire with the Christian Social Party to Germany with the Anti Semitic Leagues to France with the nationalist movements and to Italy where Revolutionary Syndicalists made anti Jewish anticapitalism the basis of an alliance with the nationalists Exemplified best in the Protocols of the Elders of Zion the infamous document that leaked Jewish plans to conquer the world the Jewish conspiracy myth inverts reality and creates a perverse relationship to historical and judicial truth Isolating the intellectual roots of this phenomenon and its contemporary resonances Battini shows us why so many decades after the Holocaust Jewish people continue to be a powerful political target

Restoring the Temple of Vision Marsha Keith Schuchard,2002-04-07 This book uncovers the early Jewish Scottish and Stuart sources of ancient Cabalistic Freemasonry that flourished in cossais lodges in the eighteenth and nineteenth centuries Drawing on architectural technological political and religious documents it provides real world historical grounding for the flights of visionary Temple building described in the rituals and symbolism of high degree Masonry The roots of mystical male bonding accomplished through progressive initiation are found in Stuart notions of intellectual and spiritual amicitia Despite the expulsion of the Stuart dynasty in 1688 and the establishment of a rival modern system of Hanoverian Whig Masonry in 1717 the influence of ancient Scottish Stuart Masonry on Solomonic architecture Hermetic masques and Rosicrucian science was preserved in lodges maintained by Jacobite partisans and exiles in Britain Europe and the New World

The Ireland of Edward Cahill SJ 1868-1941

Thomas Morrissey, Thomas J Morrissey, 2021-04-01 Edward Cahill SJ was a well known and influential figure in Ireland during the early decades of the new Irish state As Professor of Ecclesiastical History and Sociology at the Jesuit House of Studies in Dublin his research led him to view liberalism as the great enemy of the faith and spiritual values of the majority of the Irish people He identified with liberalism the exclusion of God from public life and a strong emphasis on secularism and also the excesses of laissez faire capitalism He sought to counter this by teaching a Christian sociology based on the papal social encyclicals Cahill gathered around him a lay organisation of men and women drawn from all walks of life known as An R oghacht which became influential in the 1930s Mr and Mrs de Valera were good friends of Cahill and shared many of his views His magnum opus widely read at the time was entitled The Framework of a Christian State **Chosen People** Jacob S. Dorman, 2013-01-31 The first comprehensive examination of the rise of black Judaism in America Studies in Freemasonry and the Compagnonnage René Guénon, 2004 Ren Gu non 1886 1951 was one of the great luminaries of the twentieth century whose critique of the modern world has stood fast against the shifting sands of intellectual fashion His extensive writings now finally available in English are a providential treasure trove for the modern seeker while pointing ceaselessly to the perennial wisdom found in past cultures ranging from the Shamanistic to the Indian and Chinese the Hellenic and Judaic the Christian and Islamic and including also Alchemy Hermeticism and other esoteric currents they direct the reader also to the deepest level of religious praxis emphasizing the need for affiliation with a revealed tradition even while acknowledging the final identity of all spiritual paths as they approach the summit of spiritual realization Studies in Freemasonry and the Compagnonnage is both an attempt to rediscover the lost roots of Masonry and a fascinating look into the many controversies swirling around the subject of Masonry in serious intellectual circles during the first half of the twentieth century It must also be classed along with Symbols of Sacred Science Spiritual Authority and Temporal Power Traditional Forms and Cosmic Cycles The Esoterism of Dante Insights into Christian Esoterism and Insights into Islamic Esoterism and Taoism not to mention related sections in many of his other books as one of Ren Gu non s masterful excursions into esoteric myth symbolism and secret history Freemasonry may indeed be as Gu non ultimately concluded a largely degenerated and thus no longer strictly operative offshoot of a true initiatory lineage yet its symbolism like that of the original Rosicrucians remains profound traditional and therefore ultimately legitimate And given that the Spirit bloweth where it listeth it is always possible that symbolism of this order may awaken in a receptive soul intimations of the Truth and the Way which can be of inestimable of value in the path to the Path the quest for a living initiatory spirituality

Ignite the flame of optimism with Crafted by is motivational masterpiece, **The Hebraic Element In Freemasonry** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
