and Tony award winning directors Garry Hynes and Julie Taymor The volume also examines diversity in contemporary feminist theatre with discussions of such playwrights as Young Jean Lee and Lynn Nottage and a look toward the future Purcell explores the very nature of feminist theater does it qualify if a play is written by a woman or does it just need to feature strong female characters as well as how notable activist work for feminism has played a pivotal role in theatre An engaging survey of female artists on stage and behind the scenes From Aphra Behn to Fun Home will be of interest to theatregoers and anyone interested in the invaluable contributions of women in the performing arts
