The Heroic Face Of Innocence:

Heroic Face of Innocence Georges Bernanos,1999-03-01 Georges Bernanos was the author of the modern literary and religious classic *Diary of a Country Priest* in which he explored the Christian mystery of redemption through love According to Hans Urs von Balthasar Bernanos is a key figure for our times in the relationship between theology and literature In this selection of Bernanos most significant works *Joan Heretic* and *Saint Sermon of an Agnostic on the Feast of St Theresa* and *Dialogues of the Carmelites* we find theological and psychological insight interwoven with a profound sense of historical drama a masterly exploration of heroic innocence in a group of extraordinary Christian women **Challenging Women's**

Orthodoxies in the Context of Faith Susan Frank Parsons,2019-07-31 This title was first published in 2000 Most of the papers in this volume were given at a day conference held at Heythrop College aimed at discussing challenging women's orthodoxies in the context of faith The book acts as an indication that gender matters in the understanding and living of faith

Unfettered Hope Marva J. Dawn,2003-01-01 Dawn identifies the social and cultural issues and attitudes that contribute to despair and lack of hope in the world and provides a way for Christians to identify appropriate primary concerns around which they should live their lives **The Catholicity of Reason** D. C. Schindler,2013-08-11 *The Catholicity of Reason* explains the grandeur of reason the recollection of which Benedict XVI has presented as one of the primary tasks in Christian engagement with the contemporary world While postmodern thinkers religious and secular alike have generally sought to respond to the hubris of Western thought by humbling our presumptuous claims to knowledge D C Schindler shows in this book that only a robust confidence in reason can allow us to remain genuinely open both to God and to the deep mystery of things Drawing from both contemporary and classical theologians and philosophers Schindler explores the basic philosophical questions concerning truth knowledge and being and proposes a new model for thinking about the relationship between faith and reason The reflections brought together in this book bring forth a dramatic conception of human knowing that both strengthens our trust in reason and opens our mind in faith **Joseph Ratzinger in Communio, Volume 2** Pope Benedict XVI,2013-01-30 Brings together articles by Cardinal Joseph Ratzinger previously published in the North American

edition of *Communio International Catholic Review* *An Introduction to Child Theology* James M. Houston,2022-02-17 These essays in this book are pastoral and scholarly to encourage parents to nurture and foster Christian family life by learning from scripture and history The Bible in both testaments offers us stories that provide moral and spiritual substance to the nurture of the child and the family Beginning with the mythopoetic story of Adam and Eve and the fratricide of Abel by the envy of Cain the stories of the sacrifices parents made then moving on to the stories of Abraham and Isaac Ruth and her mother in law Hannah and her son Samuel Jeremiah the child prophet these stories form our moral imaginations Further for Christians they all augur the promise of the Incarnation with the birth of Jesus to Mary and Joseph Then through the history of the Church the role of the Child is further unfolded It begins with Jesus teaching that to be as one of his disciples is to be a

child This is so radical that the subsequent churches have found it hard to follow Perhaps one symbolic attempt was that of the monks cowl which is a child's garment and still worn in their monasteries The book even explores the way that Christian maturity is one of childlikeness *The Nuptial Mystery* Angelo Scola, 2005-05-12 Translated by Michelle K Borrás The idea of love pervades our society yet it is nearly impossible to answer the question What is love especially as we witness the divorce of love from sexuality and of sexuality from procreation Aware that many people today are skeptical about marriage Angelo Cardinal Scola nevertheless suggests that only in the category of nuptial mystery do we find a way to adequately describe the phenomenon of love A bright new leader in the Catholic Church Cardinal Scola argues that the male female relationship lies near the heart of what it means to bear the image of God Scola's book explores the essential sexual differences that both separate and unite men and women and it shows how men and women can realize their purpose in marriage or celibacy Conversant with papal teaching and Catholic writers from Aquinas to von Balthasar Cardinal Scola writes with a deep regard for marriage and the family His *Nuptial Mystery* will leave readers with a thoroughly Christian appreciation for incarnate love *Joseph Ratzinger in Communio: Vol. 1, The Unity of the Church* Pope Benedict XVI, 2010-02-22 Brings together articles by Cardinal Joseph Ratzinger previously published in the North American edition of *Communio International Catholic Review* **The Carmelite Tradition** Steven Payne, 2011-06-01 Eight hundred years ago Albert of Jerusalem gave the hermit penitents of Mount Carmel a way of life to follow Since then this rule has inspired and formed mystics and scholars men and women lay and ordained to seek the living God In *The Carmelite Tradition* Steven Payne OCD brings together representative voices to demonstrate the richness and depth of Carmelite spirituality As he writes Carmelite spirituality seeks nothing more nor less than to stand before the face of the living God and prophesy with Elijah to hear the word of God and keep it with Mary to grow in friendship with God through unceasing prayer with Teresa to become by participation what Christ is by nature as John of the Cross puts it and thereby to be made like Therese of Lisieux into instruments of God's transforming merciful love in the church and society The lives and writings in *The Carmelite Tradition* invite readers to stand with these holy men and women and seek God in the hermitage of the heart Steven Payne OCD of the Washington Province of Discalced Carmelite Friars is a member of the Carmelite Friars formation team at the Monastery of St John of the Cross near Nairobi Kenya and director of the Institute of Spirituality and Religious Formation ISRF at Tangaza College a constituent college of the Catholic University of Eastern Africa CUEA in Nairobi He is the past editor of ICS Publications and of *Spiritual Life* magazine and the author of several works in philosophy of religion theology and Carmelite spirituality He is a member of the Carmelite Forum and of the Carmelite Institute in Washington DC of which he is a past president *Love Alone Is Credible* David L. Schindler, 2008-07-02 In this volume David L Schindler presents readers with a collection of essays garnered from the 2005 conference marking the centenary of Hans Urs von Balthasar's birth That conference hosted an international gathering of scholars among them students colleagues friends and critics of

Balthasar all making an effort to engage the fundamental questions of faith and reason in light of his influential contribution to Catholic theology A wide range of topics is explored in light of the Christian mystery including metaphysics and causality the nature of rationality the relationship between God and the world and the meaning of the body Featuring an impressive list of contributors Love Alone Is Credible is a tribute to the profound relevance of Balthasar's thought

A Theology of Criticism Michael P. Murphy, 2008-01-09 A number of critics and scholars argue for the notion of a distinctly Catholic variety of imagination not as a matter of doctrine or even of belief but rather as an artistic sensibility They figure the blend of intellectual emotional spiritual and ethical assumptions that proceed from Catholic belief constitutes a vision of reality that necessarily informs the artist's imaginative expression The notion of a Catholic imagination however has lacked thematic and theological coherence To articulate this intuition is to cross the problematic interdisciplinary borders between theology and literature and although scholars have developed useful methods for undertaking such interdisciplinary border crossings relatively few have been devoted to a serious examination of the theological aesthetic upon which these other aesthetics might hinge In A Theology of Criticism Michael Patrick Murphy proposes a new framework to better define the concept of a Catholic imagination He explores the many ways in which the theological work of Hans Urs von Balthasar 1905-1988 can provide the model content and optic for distinguishing this type of imagination from others Since Balthasar views art and literature precisely as theologies Murphy surveys a broad array of poetry drama fiction and film and sets it against central aspects of Balthasar's theological program In doing so Murphy seeks to develop a theology of criticism This interdisciplinary work recovers the legitimate place of a distinct theological imagination in critical theory showing that Balthasar's voice both challenges and complements contemporary developments Murphy also contends that postmodern interpretive methodology with its careful critique of entrenched philosophical assumptions and reiterated codes of meaning is not the threat to theological meaning that many fear On the contrary by juxtaposing postmodern critical methodologies against Balthasar's visionary theological range a space is made available for literary critics and theologians alike More important the critic is provided with the tools to assess challenge and celebrate the theological imagination as it is depicted today

Medieval Exegesis Vol 2 Henri de Lubac, 2000-11-01 Translated by E M Macierowski Originally published in French de Lubac's four volume study of the history of exegesis and theology is one of the most significant works of biblical studies to appear in modern times Still as relevant and luminous as when it first appeared the series offers a key resource for the renewal of biblical interpretation along the lines suggested by the Second Vatican Council in Dei Verbum This second volume now available for the first time in English will fuel the currently growing interest in the history and Christian meaning of exegesis

Divine Likeness Marc Cardinal Ouellet, 2006-06-15 Marked by growing freedom and equality today's families are also dogged by brokenness and loss of faith And while the theology of marriage has developed remarkably under the impetus of the Second Vatican Council and Pope John Paul II the theology of the family remains in its infancy only beginning to meet the

challenges of contemporary society In *Divine Likeness* Marc Cardinal Ouellet points the way to a much needed theology of the family grounded in the doctrine of the Trinity Cardinal Ouellet understands family life to be a sacrament of Trinitarian communion a crucial source for revealing and inspiring a new sense of God's presence in the faith community This book will help theologians pastors and believers to develop fruitfully the legacy of Pope John Paul II carrying forward the quest to let the Trinity and the family illuminate each other for the good of today's world *The Epiphany of Love* Livio

Melina,2010-09-14 In this volume Livio Melina attempts to overcome the deadlock in which moral theology can easily find itself due to the false alternative between moralism with its emphasis on external rules and antimoralism with its insistence on freedom from all norms The key Melina argues here is not to regard morality as a simple list of principles directing our choices and helping us to make correct moral judgments Rather we must step back and begin to comprehend the dynamic mystery of Christian action Only in the light of Christ can the proper correlation between faith and morality freedom and truth be clearly understood True morality springs from a synergistic relationship with God born of faith in Christ nurtured in the church and made manifest in that which inspires all authentic goodness the epiphany of love In the Fire of the

philosopher Maurice Blondel had a tremendous impact on both philosophy and religion over the first half of the twentieth century He was at once a postmodern critical philosopher and a devout traditional Catholic trying not only to reconcile these two seemingly disparate factors in his own mind but also to prove to others that the two must go together In the first critical examination of the philosopher's life Oliva Blanchette tells the story of Blondel's stormy life confronting an Academy dismissive of religion and a Religion uncomfortable with rational philosophy This book not only follows his biographical history but also presents his systematic philosophy from the beginning of his journey to the culmination found in *Philosophical Exigencies of Christianity* the book for which he signed the publishing contract the day before he died Maurice Blondel is part of the *Ressourcement Retrieval and Renewal in Catholic Thought* series edited by David L Schindler

Analogia Entis: Metaphysics Erich Przywara,2014-02-08 Although Erich Przywara 1889 1972 was one of the

preeminent Catholic theologians of his time and a profound influence on such people as Hans Urs von Balthasar and Joseph Ratzinger he has remained virtually unknown in North America This volume includes Przywara's groundbreaking *Analogia Entis* originally published in 1932 and his subsequent essays on the concept *analogia entis* the analogy between God and creation which has currency in philosophical and theological circles today *Opening Up the Scriptures* Jos Granados, Carlos Granados, Luis Snchez-Navarro, 2008-07-31 *Opening Up the Scriptures* was written by a group of eminent Catholics including Joseph Cardinal Ratzinger now Pope Benedict XVI In these erudite essays the authors contend that historical critical interpretation of Scripture has long since run its course in both Protestant and Catholic exegesis Instead they argue the future of interpretation lies in accepting that the Bible is not just a collection of historical documents but also a record of revelation conceived in faith By this token true exegesis involves the faith and humility of the exegete Contributors Paul Beauchamp Bruna Costacurta Ignace de la Potterie Joseph Cardinal Ratzinger Klemens Stock Albert Cardinal Vanhoye *A Generous Symphony* Christopher D. Denny, 2016-11-01 Hans Urs von Balthasar one of the preeminent theologians of Roman Catholic theology in the modern era constructed a theological world suffused by the literary a vision carried across over 16 volumes of his magnum opus *A Generous Symphony* offers a balanced appraisal of Balthasar's literary achievement and explicates Balthasar's literary criticism as a distinctive theology of revelation which offers possibilities for understanding how divine presence may be manifested outside the canonical boundaries of Christian tradition The structure of *A Generous Symphony* is a chronological presentation of the Balthasarian canon of imaginative literature which allows readers to see how social and historical interests guide Balthasar's readings in the pre-Christian medieval and modern eras While other books have examined the systematic theology of Balthasar this book will examine the important question of how students of literature like Balthasar can be transformed into theologians by attending to the implicit presence of Christ in what Gerard Manley Hopkins poem *As kingfishers catch fire* called the ten thousand places Balthasar's deep investment in the uniqueness of Christian revelation is underlined while at the same time his aesthetic sympathies cause him to invest literature with quasi sacramental status **Revelation and Convergence** Mark Bosco, Brent Little, 2017 *Revelation Convergence* brings together professors of literature theology and history to help both critics and readers better understand Flannery O'Connor's religious imagination
