## **The Heterosexual Males 8 Step Guide To Meeting And Mating:**

The Heterosexual Male's 8-Step Guide to Meeting and Mating Mattias Rendefors, 2005-03 The Heterosexual Male's 8 Step Guide to Meeting and Mating has one sole purpose to assist men in their pursuit of the female vagina Written in a completely politically incorrect manner the guidebook helps the heterosexual male identify and improve the specific part or parts of the mating process where his weaknesses may lie The guide breaks down the process into five consecutive steps that in almost all cases must be followed before any man can have sex with a woman for the first time Localization Introduction Familiarization Seduction and Finalization Two additional steps Penetration and Ejaculation are merely entertaining and the eighth step Reconstruction deals with the realities of the day after the sexual activity The author combines his expertise in psychology with several years of observation and analysis of the mating game to bring together a common sense and wickedly humorous manual which should be read by every heterosexual male who takes his sex life seriously **Subject**
