Geoff Boucher,2021-06-03 Although Habermas has written about the cultural role of literature and about literary works he has not systematically articulated a literary critical method as a component of either communicative reason or post metaphysical thinking Habermas and Literature brings Habermasian concepts and categories into contact with aesthetic and cultural theories in and around the Frankfurt School and beyond Its central claim is that Habermas contribution to literary and cultural criticism is the concept of literary rationality and the notion that literature performs a key role in the formation of the modern social imaginary Habermas and Literature maintains that literary works have two faces discursive intervention in the public sphere and personal integration of imaginative disclosures that depend upon two modalities of literary reception critique and identification It develops the resulting literary theory through detailed discussion of the theories advanced by Habermas followed in each case by synthetic and reconstructive argumentation that brings the framework of communicative reason into dialogue with literary methods aesthetic theories and psychoanalytic categories It does so through close engagement with debates around aesthetic rationality world disclosure social imaginaries post secular society and the utopian demand for happiness articulated by artworks In the process the Habermasian position is critically reconstructed when necessary with reference to psychoanalytic and literary theories and tested in relation to demanding fiction and popular works

That Book Is Dangerous! Adam Szetela,2025-08-12 An alarming expos of the new challenges to literary freedom in the age of social media when anyone with an identity and an internet connection can be a censor In That Book Is Dangerous Adam Szetela investigates how well intentioned and often successful efforts to diversify American literature have also produced serious problems for literary freedom Although progressives are correct to be focused on right wing attempts at legislative censorship Szetela argues for attention to the ways that left wing censorship controls speech within the publishing industry itself The author draws on interviews with presidents and vice presidents at the Big Five publishers literary agents at the most prestigious agencies award winning authors editors marketers sensitivity readers and other industry professionals to examine the new publishing landscape What he finds is unsettling mandatory sensitivity reads morality clauses in author contracts even censorship of dangerous books in the name of antiracism feminism and other forms of social justice These changes to acquisition practices editing policies and other aspects of literary culture are a direct outgrowth of the culture of public outcries on X Goodreads Change org and other online platforms where users accuse authors justifiably or not of racism sexism homophobia and other transgressions But rather than genuinely address the economic inequities of literary production this current moral crusade over literature serves only to entrench the status quo While the right is remaking the world in its image he writes the left is standing in a circular firing squad Compellingly argued and incisively written the book is a much needed wake up call for anyone who cares about reading writing and the publication of books as well as the generations of young readers we are raising
