Sir John Latham And Other Papers:

Sir John Latham Zelman Cowen, 1965 The Judge, the Judiciary and the Court Gabrielle Appleby, Andrew Lynch, 2021-04-29 Revealing analysis of how judges work as individuals and collectively to uphold judicial values in the face of contemporary challenges *The High Court, the Constitution and Australian Politics* Rosalind Dixon, George Williams, 2015-02-26 The High Court the Constitution and Australian Politics is an in depth exploration of the relationship between decisions of the High Court and broader political currents in Australia It begins with an investigation of the patterns and effects of constitutional invalidation and dissent on the High Court over time and their correlation with political trends and attitudes It also examines the role of constitutional amendment in expressing popular constitutional understandings in the Australian system Subsequent chapters focus on the eras marked by the tenure of the Court s 12 Chief Justices examining Court s decisions in the context of the prevailing political conditions and understandings of each Together the chapters canvass a rich variety of accounts of the relationship between constitutional law and politics in Australia and of how this relationship is affected by factors such as the process of appointment for High Court judges and the Court s explicit willingness to consider political and community values Academic ambassadors, Pacific allies Alice Garner, Diane Kirkby, 2018-10-25 This study is the first in depth analysis of the Fulbright exchange program in a single country Drawing on previously unexplored archives and oral history the authors investigate the educational political and diplomatic dimensions of a complex bi national program as experienced by Australian and American scholars The book begins with the postwar context of the scheme s origins moves through its difficult Australian establishment during the early Cold War the challenges posed by the Vietnam War and the impacts of civil rights and gender parity movements and late 20th century economic belt tightening How the program s goal of mutual understanding was understood and enacted across six decades lies at the heart of the book which weaves institutional and individual experiences together with broader geopolitical issues Bringing a complex and nuanced analysis to the Australia US relationship the authors offer fresh insights into the global significance of the Fulbright Program **Landmark Cases in Succession Law** Brian Sloan, 2019-10-31 The Landmark Cases series highlights the historical antecedents of what are widely considered to be the leading cases in a discipline and seeks to provide contexts in which to better understand how and why certain cases came to be regarded as the landmark cases in any given field Succession law s long pedigree near universal application immense capacity for human interest stories somewhat uncertain future in England and Wales and close connection to demographics make it an ideal candidate for a Landmark Cases volume The distinguished contributors to this collection consider cases ranging from 1720 to 2017 covering issues such as will making and interpretation the position of beneficiaries and personal representatives testamentary promises and the extent of testamentary freedom in England and Wales and beyond The cases are relevant not only to scholars and students of succession law per se but also those working in fields such as tax trusts tort and land law They raise issues as

diverse as class colonialism familial dynamics expectations and obligations mental health and the proper roles of the legal profession and the welfare state The collection will provoke much discussion on what makes a landmark case as well as on the peculiarities and limitations of the case law method **Guide to the Collections** National Library of Australia,1910

Intention and Identity John Finnis,2011-04-07 The essays in *Intention and Identity* explore themes in Finnis's work touched on only lightly if at all in *Natural Law and Natural Rights* developing profound accounts of personal identity and existence group identity and common good and intention and choice as action and self shaping In his many faceted study of what it is to be a human person and a human community Finnis not only engages with contemporary philosophers and bioethicists such as Peter Singer Michael Lockwood and John Harris with thinkers from other traditions such as Karol Wojtyla John Paul II and with judges in the highest courts He also offers illuminating and deeply considered readings of Shakespeare and Aquinas and debates with Roger Scruton Joseph Raz Hans Kelsen John Rawls Glanville Williams Richard Posner Ronald Dworkin and others The role of intention in the criminal law and the law of civil wrongs is searchingly explored through case law as are judicial attempts to understand conditional and preparatory intentions Moral or bioethical issues discussed include in vitro fertilization cloning abortion euthanasia and brain death patriotism multi culturalism and immigration The papers show the power of a sometimes neglected aspect of the new classical theory of natural law The volume includes previously unpublished papers on whether brain life is relevant to the beginning of a person's life on its relevance to the end of one's life and a substantial introduction in which John Finnis reflects on the changes in his thinking on personal reality and on how intention is to be analysed and understood and its moral significance appreciated **Stanley Melbourne Bruce** David Lee,2010-05-20 Australia's Prime Minister and premier diplomat in the 1930 1940s this new biography presents him as a consistent internationalist and places him in a global context Stanley Melbourne Bruce was at the centre of Imperial politics for more than two decades from the early 1920s until the end of the Second World War This new biography presents Bruce as a consistent internationalist Educated in Melbourne and Cambridge Bruce as a businessman was alive to the importance of international commerce and particularly Anglo Australian trade This lay at the core of his internationalism which took the form in the 1920s of encouraging the political and economic integration of the British Empire Bruce's punitive treatment of militant Australian trade unionists and his upholding of constitutionalism and law and order in the 1920s was part of an effort to defend one form of internationalism commitment to the British Empire against the competing international ideology of communism While continuing to support a unified British Empire acting as a progressive force in world affairs Bruce championed stronger international collaboration through the League of Nations and the United Nations and through cooperation between the Empire and the United States **Dictionary of World Biography** Barry Jones,2022-11-30 Jones Barry Owen 1932 Australian politician writer and lawyer born in Geelong Educated at Melbourne High School and Melbourne University he was a public servant high school teacher television and radio performer
